

## 3<sup>rd</sup> International Symposium on Vehicle Inspection & Certification - 2018

**ISIC – 2018**  
**29<sup>th</sup> - 30<sup>th</sup> November 2018**

**Venue:**  
**India Habitat Centre, New Delhi, India**

## COUNTDOWN BEGINS FOR ISIC-2018

**Shri. Dinesh Tyagi,**  
**Director - ICAT**

International Symposium on vehicle inspection and certification (ISIC), widely acclaimed by global automotive fraternity, is a benchmark biennial international event, organized by International Centre for Automotive Technology (ICAT) in association with the Ministry of Road transport and highways, Government of India & NATRiP Implementation Society (NATIS). It serves as a forum for exchange of ideas & brainstorming for the automotive industry, with participation of eminent worldwide experts in various arenas.

I am delighted to announce the forthcoming edition of ISIC-2018, 3<sup>rd</sup> International Symposium on Vehicle Inspection and Certification, being organized by ICAT at New Delhi in India from 29<sup>th</sup> November 2018 to 30<sup>th</sup> November 2018. It aims to promote the road safety through inspection of in-used vehicles for the purpose of road worthiness at Inspection & Certification centres already set up or being set up on pan India basis under the pilot project schemes of Ministry of Road Transport & Highways (MoRTH) and/or by the various state governments under PPP schemes.

Theme of ISIC 2018 is **“Roadworthiness through Inspection”**

ISIC-2018 will focus on recent advances in various automotive areas such as safety and emissions. It will also bring to fore innovative ideas and solutions in automotive technologies to meet the future challenges.

During the symposium, over 20 numbers of technical presentations, including keynotes, on various subjects will be presented by renowned experts. Apart from symposium proceedings, technical reference bulletin, containing technical articles and product information, will be published.

It will provide an appropriate platform for a spectrum of worldwide companies to showcase their products / technologies / innovations / services.

I have great pleasure in bringing out this first announcement of ISIC-2018, inviting professional, engineers and academicians to present their work in the field of Vehicle Inspection & certification. I sincerely thank you for your continued patronage.
