

# INTERNATIONAL PASSIVE SAFETY SEMINAR '2020

International Centre for Automotive Technology (ICAT), A division of NATRiP, Govt. of India, is organizing 3<sup>rd</sup> edition of **International Passive Safety Seminar (iPASS-2020)** on **29<sup>th</sup>, 30<sup>th</sup> & 31<sup>st</sup> October' 2020** at ICAT, Manesar, Gurugram (India). This seminar provides common platform for Automotive Industry to share & discuss their experiences, emerging trends, challenges in the field of Passive Safety.

## ABOUT

*iPASS-2020 aims at all professionals from various automotive safety practices as well as safety simulation, virtualization, testing, monitoring and controlling to gather and discuss key topics and latest innovations.*

*From accident statistics and injury-biomechanics, which are decisive parts of accident research, to the crash-rules and regulations that are derived from the latter, and also to consumer information-tests with protection criteria and test procedures, and eventually to crash tests, where the compliance with the compulsory limits is tested and proven in test procedures, the seminar will prove to be a milestone for every participant.*

*This seminar will also provide ample opportunities to OEMs, representatives, suppliers, and consultants to network and engage in interactive panel discussions, and participate in trainings/workshops.*

## WHO SHOULD ATTEND

Decision makers, Engineers, Automotive Designers, Experts and other Professionals dealing with:

- Passive Safety
- Crash test Dummies
- Sensors & Electronics
- Safety & Regulations
- Restraint Systems
