<p>Sealed Envelope should be marked with “AMC of Split Air Conditioners &amp; Ductable Units for ICAT Centre-I”</p> <p>Interested suppliers/service providers who meet our requirements should submit no regret techno commercial proposal along with product catalogue in a sealed envelope latest by 1700 Hrs. on 23<sup>rd</sup> June, 2023 at below given address</p> <p><b>To,</b>  <b>The Purchase Department,</b>  <b>International Centre For Automotive Technology Plot N.</b>  <b>26, Sector-3, HSIIDC, IMT</b>  <b>Manesar Gurgaon 122050 (Haryana)</b>  <b>Contact No. +91 9899973712 &amp; 9818964122</b></p> <p><i>Note: ICAT reserves the right to reject/modify/cancel the tender without assigning any reason thereof.</i></p>	

## Annexure – A

NIT No.: ICAT/T/Maint-1/AMC of Split Air Conditioners and Ductable Units/2023-24/27

### General Conditions of the Tender

1. Techno-commercial bid to be submitted in sealed envelope latest by 23<sup>rd</sup> June, **2023** by **17:00 Hrs** to

**Purchase Department International Centre for Automotive Technology  
Plot No # 26, Sector-3, HSIIDC, IMT Manesar, Gurgaon-122050**

2. **AMC Site:** International Centre For Automotive Technology, Plot No. 26, Sector – 3, Near HSIIDC, IMT Manesar, Gurgaon-122050 (Haryana)

3. Envelope should be marked with **AMC of Air Conditioners Split & Ductable Units**

4. All the quotation should be sent to undersigned and stamped along with Tender document in duly sealed envelope.

5. **AMC Period:** The AMC contract initially for a period of 12 Months from the date of issuance of contract and can be extended for further on mutual consent on the same rates, terms and conditions.

6. **Annual Maintenance Services (Scope of Work):**

**6.1 Three wet services to be conducted in February, June, and October (Once in every 4 months)**

**6.2 Attending breakdown call within 24 Hrs.**

**6.3 Two skilled manpower in refrigeration field is required to be available at ICAT Site on daily basis from Monday to Saturday for 4 Months i. e. From April to July. Additionally, we may require manpower on an as-needed basis for other days.**

6.4 Under the Annual Maintenance Service Contract, the contractor shall maintain all air conditioners units as indicated in “Annexure – A” in good working condition throughout the period of contract.

6.5 Sufficient stock of spare parts for all kinds of machines shall be kept in his stores. The contractor shall ensure that no machine is ideal due to non-availability of spare parts.

6.6 The cost of all the replacement spares such as compressors, fan motors, condensers, supply of refrigerant gas/Nitrogen etc. will be borne by ICAT.

6.7 The scope of work shall include all checks and tests as detailed under routine maintenance services. In addition annual maintenance services shall also include:

- Leakage Detection and Rectification, Cleaning of condenser and evaporator coils with suitable detergent/chemical solution and flushing with high-pressure jet of water.
- Greasing of blower motors and all moving parts.
- The above activities must be carried out within 15 (fifteen) days from the date of award of the contract or before commencement of the summer season (preferably in the month of March).

**7. Payment Terms: Quarterly Payment against submission of service report and invoice.**

**8. Penalty Clause:**

	<b>Period</b>	<b>Penalty</b>
<b>Response Time</b>	<b>Above 24 Hours &amp; Below 48 Hours</b>	<b>Warning without Penalty</b>
	<b>Above 48 Hours &amp; Below 96 Hours</b>	<b>A Penalty of 1% of the Contract Price Per System</b>
	<b>Above 96 Hours</b>	<b>A Penalty of 2% of the Contract Amount Per System</b>

**9. Bidder is advised to visit the AC Installation site before quoting the price.**

**10. Total at present there are 190 Nos. Air Conditioners & Ductable Units covered under this contract located in various departments within the ICAT Premises (ICAT Centre - 1). The details of Air Conditioner Type, Capacity and Numbers Covered under AMC are provided in "Annexure - B". However, the exact quantity may increase or decrease after physical verification of ACs.**

11. The number of AC Units to be covered under AMC may increase or decrease during the period of contract.
12. During the period of contract company will be responsible for proper and consistent functioning of all the air conditioners.
13. In case any machine goes out of order, the repair work should be carried out by the company in the premises of installation. Only such work, which cannot be executed in the premises of installation, will be allowed to be carried out in the workshop of the company with the prior permission of ICAT for which no extra charges like cartage etc. will be paid.
14. **Dismantling/Relocation of Window/Split Air Conditioner shall be considered in the quoted rates of AMC; however, the cost of consumables like refrigerant Gas, Insulate refrigerant piping, interconnection cables and drain pipe will be paid extra on actual at prevalent market rates.** The contractor shall ensure that all air conditioners are in proper work conditions.
15. The Air-Conditioners shall be taken over for AMC contract on as is where in installed basis. The newly purchase ACs shall be considered only after expiry of warranty period.
16. The bidder is advised to acquaint himself with the job involved, examine site conditions, labor, power, water, material availability, transport, communication facility, environmental regulation, laws & bye laws of statutory bodies and collect information that is necessary for preparing the bid and for entering into a contract. The cost of visiting the site and collecting information for the purpose of the bid shall be on bidder's account.

## **Eligibility Criteria**

1. The vendor should be authorized Dealer/Service provider of reputed brand like Voltas/LG/Blue Star/Hitachi/Daikin/Carrier/Mitsubishi/Samsung/Panasonic/Carrier/Carrier-Midea of any 1 Company for the past 1 year (Certificate required).
2. The vendor should have experience of minimum **3 years** or more on maintenance of Split/Window air Conditioners/Water Coolers Duct Able Air Conditioners of various make such as Voltas, Carriers, Hitachi, LG, Blue Star, Daikin, Mitsubishi, Samsung etc.
3. The bidder should have sufficient trained man power to execute the contract and workshop facility/service setup at NCT Region/Noida/Gurgaon/Faridabad.
4. The bidder should have registration under GST with the relevant statutory authority.
5. The Company/Firm should have its registered office in Delhi/NCR.
6. The following documents shall be submitted by bidder in support of eligibility along with technical bid on company's letter head failure of which the offer will be disqualified.
  - Work Completion Certificate/Performance Certificate & Work Orders etc.
    - Authorization documents issued by OEM (Dealers/Distributor/Authorized Service Centre)
  - Company manpower strength/technical manpower.
    - Company profile on the letter head bearing full address and it must contain the following details along with self-attested proof of all the documents:
      - Place of registration
      - GST Registration Certificate
      - Vendor Information Form
      - Dealership/Distributorship/Authorized Service Center Certificate

ICAT reserves the right to accept/reject any or all of the quotation without assigning any reason thereof. Unrealistic prices quoted by the bidder would debar them from being considered for this and future contracts by this office. Applications are liable to be summarily rejected due to incomplete information/incorrect information/non fulfillment of basic criteria. ICAT decision in this shall be final.

## Scope of Services

The scope and nature of services to be provided by the contractor shall include scheduled preventive maintenance services which cover periodic and breakdown servicing.

### **Annual Maintenance Services (Scope of Work):**

- ***Three wet services to be conducted in February, June, and October (Once in every 4 months)***
- ***Attending breakdown call within 24 Hrs.***
- ***Two skilled manpower in refrigeration field is required on daily basis (Monday - Saturday) for 4 Months i.e. From April to July. Additionally, we may require manpower on an as-needed basis for other days***
- Under the Annual Maintenance Service Contract, the contractor shall maintain all Air Conditioners and Ductable Units as indicated in "Annexure - B" in good working condition throughout the period of contract.
- Sufficient stock of spare parts for all kinds of machines shall be kept in his stores. The contractor shall ensure that no machine is ideal due to non-availability of spare parts.
- The cost of all the replacement spares such as compressors, fan motors, condensers, supply of refrigerant gas/Nitrogen etc. will be borne by ICAT.
- The scope of work shall include all checks and tests as detailed under routine maintenance services. In addition annual maintenance services shall also include:
- Leakage Detection and Rectification, Cleaning of condenser and evaporator coils with suitable detergent/chemical solution and flushing with high- pressure jet of water.
- Greasing of blower motors and all moving parts.
- The above activities must be carried out within 15 (fifteen) days from the date of award of the contract or before commencement of the summer season (preferably in the month of March).
