 - a) Rule 144 (xi) of GFR 2017 regarding restriction on procurement from a bidder of a country which shares land border with India will be liable to rejection (refer Office Memorandum of Department of Expenditure dated 23rd July 2020 and as revised from time to time.
<https://doe.gov.in/sites/default/files/OM%20dated%2023.07.2020.pdf>)
 - b) Department of Industrial Policy and Promotion (DIPP) vide No. P-45021/2/2017-PP (BE-II) dated 04.06.2020 and as revised from time to time regarding bidders eligibility and preference to make in India
<https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>)
 - 2.1.4 Tenders with incomplete information, subjective and conditional offers as well as partial offers will be liable for rejection.
 - 2.1.5 In addition to the above rejection criteria, if there is non-compliance of any of the clauses of this Tender Document, the Tenders are liable for rejection.
 - 2.1.6 Additionally, ICAT could reject any Bid not fulfilling the essential parameters listed in the technical conditions of contract, should the supplier fail in justifying that the proposed solution is equivalent or better than the requested performance.

3. Evaluation Parameters

- 3.1 ICAT shall follow the **Segregated bid evaluation** system (No bearing of technical score in the financial bid evaluation and L-1 in the financial bid shall be deemed as successful bidder) to determine the successful bidder.
- 3.2 The bidder must meet the Eligibility requirements as per Annexure II, specified in this tender and the disqualification criteria mentioned at 1.2 of this section in order to qualify for the Technical Evaluation.
- 3.3 The minimum pass marks for Technical Evaluation shall be 75 points (75%) out of 100 points however bidder shall score full points against Sr. No. 1 of Table A.

3.4 The Technical Bids shall be awarded points (Tn) based on the following evaluation criteria.

Table A

S.No.	Item	Detail Description	Parameter Weight
1	Technical Capability	Compliance to Technical Specifications as specified in the “Annexure XIII” of the Bid Document	50
2	Bidder’s Past Experience	Past supplies of Crash deformable barriers of offered make to clients in any Central Govt./State Govt./PSUs/Autonomous Bodies or Reputed Private Firms in India within last 3 FY’s. No prior order – Nil Marks Up to 3 Orders – 15 Marks More than 3 Orders – 25 Marks	25
3	Financial Capability	Financial Capability (Avg. annual turnover of last 3 years – FY 2020-21, 21-22 & 22-23) >50 Lakhs up to 200 Lacs – 15 Marks >200 Lacs up to 500 Lakhs – 20 Marks >500 Lakhs Above – 25 Marks	25
Grand Total			100

- 3.5 ICAT reserves the right to give preference to the local supplier/MSME/Start-up as per prevailing government notifications and as revised from time to time.
- 3.6 The valid Bids shall be evaluated in detail, with ICAT’s sub-evaluation parameters, under each main evaluation parameters as given above, to arrive at the technical score Tn for each of the Bidder and the technically qualified bids shall be determined based on the minimum pass marks obtained. Only the technically qualified bids shall be entertained for financial bid evaluation.
- 3.7 The Evaluation process is performed in 2 steps. In the first step, the minimum requirements fulfilment for each one of the above chapters is evaluated, the negative deviations identified and analysed, and a base mark is given to each supplier fulfilling the minimum requirements. The requirements corresponding to Essential Parameters not fulfilled by the supplier are deeply analysed together with the explanation attached in Form d1) Proposed Deviations (mandatory in case of non-compliance with Minimum Requirements), and in case the Bidder’s proposal fails in demonstrating those Essential Parameters or is equivalent to it, his offer could be rejected or the corresponding chapter evaluation could be severely penalised. In the second step, the positive deviations proposed by the suppliers with regards to the minimum requirements are evaluated and the final result is obtained.
- 3.8 Both steps are evaluated not only on the specifications stated by the supplier, but on the information attached to his offer that demonstrates his capability for achieving them. Test results (Acceptance Test Reports and Calibration reports) obtained in same projects with the same equipment, detailed technical explanation, etc. are taken into account in order to evaluate the technical quality of the proposed item, and the supplier shall include as much information as possible in order to get the higher possible marks.
- 3.9 For the evaluation of the Financial Bids, the eventual Bid prices shall be ascertained after considering all the terms and conditions associated with the Bid price specified in the Financial Bid document. ICAT reserves the right to include or exclude any component of the price quoted by the Bidder and / or load

the bid price as per its discretion to work out the Bid Price for evaluation.

- 3.10 If there is an error in a total, corresponding to the addition or subtraction of sub totals, the subtotals shall prevail and the total shall be corrected; and
- 3.11 If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error.
- 3.12 The amount stated in the Financial Bid Proposal will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, its bid will be rejected, and the EMD (if applicable) shall be forfeited.
- 3.13 In addition the revised bid amount after arithmetic correction as arrived above for the bidder / bidders would be informed to all the technically qualified bidders within reasonable time.
- 3.14 If a discount is offered in a financial proposal, such discount will be applied prorate basis against each item of the financial bid proposal except the price part/s not considered for the " Total price".
- 3.15 The bidder with lowest price bid shall be deemed as the successful bidder.
- 3.16 However ICAT does not undertake to accept the lowest or indeed any bid.

12. **ELECTRICITY, WATER**

12.1 **General arrangements**

12.1.1 The Contractor shall be responsible for making all its arrangements, for and paying all charges in connection with the supply and consumption of electricity and water and the disposal of sewage and other waste as may be necessary for the Execution of the Works up to the date of issue of the Completion Certificate for the Works.

12.1.2 Without absolving in any manner, the responsibility of the Contractor to make arrangements for supply of water and electricity necessary for the Execution of the Works, electricity and water for the purpose of construction, erection, testing and commission may be provided by ICAT at a convenient point within the Project Site to enable the Contractor to carry on its obligations under this Contract without any hindrance, on chargeable basis.

13. **RELATED WORKS**

13.1 **Acknowledgement**

The Contractor acknowledges that Related Works shall be performed and that it is of paramount importance that the Execution of the Works are fully and completely co-ordinated with the Related Works in view of their concurrent and sequential nature and that such coordination is of the utmost importance to the successful integration of the Works with the Related Works and to the timely completion of the Project Facility and the avoidance of unnecessary duplication of efforts. The Contractor agrees that it shall take all necessary steps to coordinate with the Related Works Contractors for the integration of the Works and the Related Works.

13.2 Failure to co-ordinate

In the event that the Execution of the Works and execution of the related works are not being co-ordinated and integrated to the reasonable satisfaction of ICAT, ICAT may issue such instructions as are necessary including, but not limited to:

13.2.1 suspending the progress of the Execution of the Works or any part thereof; and/or

13.2.2 changing the Works including the omission of work from the Contract and its execution by others.

For the avoidance of doubt, where ICAT acting reasonably, determines that an instruction under this Clause 13.2.2 is required as a result of a breach by the Contractor of its obligations under this Clause 13.2.2, the Contractor shall not be entitled to any payment whatsoever in respect of any such instruction or to any extension of time in respect thereof and the costs to ICAT of such instruction including the cost of any such suspension, or removal and execution by others shall, without prejudice to ICAT's other rights under the Contract, be deducted from the Contract Sum.

13.3 Contractor to bear costs

The Contractor shall bear all costs and expenses associated with any Change or remedied work rendered necessary for the Execution of the Works or the work of any Related Works Contractor as a result of any failure on the Contractor's part to comply with the provisions of this Clause. Subject always to this Clause 13.3, if in the opinion of ICAT Representative any cost is or is likely to be incurred as a result partially of a failure by the Contractor and partially as a result of a failure by a Related Works Contractor, then in the event that the Contractor and the Related Works Contractor are unable to agree on the apportionment of such costs between them, the ICAT Representative may instruct the Contractor to make a Change or carry out any repair it deems necessary and, notwithstanding the provisions of Clause 24 in valuing such Change or repair, it shall be entitled to make what it, in its absolute discretion considers a fair reduction, in any payment to the Contractor to reflect its assessment of the Contractor's responsibility for the necessity to make such Change or repair as a result of the Contractor's failure to comply with the requirements of this Clause 13.

13.4 Contractor's indemnities

The Contractor shall indemnify and keep indemnified ICAT against all claims, proceedings, damages, costs, losses, charges and expenses of any nature whatsoever including any consequential losses or damages arising from the Contractor's failure to comply with its obligations under this Clause 13.

14. DELIVERY TO THE PROJECT SITE

14.1 Delivery to the Project Site

14.1.1 The Contractor supplying indigenously manufactured Equipment shall at its own risk and expense, be fully responsible for the proper packing, marking, loading, delivery up to Project Site, insurance, freight costs, , interface management, detailed design, detailing, coordination, value engineering, specialist system procurement, provision, erection and/or installation, testing, commissioning, documentation, training, defects rectification and its related works. However, in case of imported Equipment, the Contractor shall not be responsible for shipment costs, transit insurance charges from FOB port of shipment or Airport upto the Project Site, charges for custom clearances etc., as the same shall be borne by ICAT. All transit insurance charges for transit up to FOB Port of shipment or Airport as well as loading charges

on to the ship/ airplane shall be responsibility of the Contractor supplying imported Equipment.

14.1.2 When marking any Equipment, , the Contractor shall be responsible for ensuring that such Equipment and any part thereof and their transportation containers are properly marked and consigned.

14.2 **Packing List**

A packing list itemising the contents of each case shall be enclosed in each package. A copy of the packing list, together with despatch details shall be provided forthwith by the Contractor upon despatch to the ICAT Representative. The Contractor supplying indigenously manufactured Equipment shall provide all attendance, handling and transport up to and including off-loading into the appropriate Project Site storage area.

14.3 **Importation**

The Contractor shall be responsible at its own cost for obtaining any Applicable Clearances necessary for the export of Equipment, from the country of origin.

14.4 **Customs Clearance**

ICAT will obtain the necessary customs clearance for the Equipment being imported.

14.5 **Documents**

Upon despatch of each shipment of significant items of Equipment, the Contractor shall notify the ICAT Representative by facsimile or email of the description of the Equipment and the point and means of the despatch and the estimated time and point of delivery and the Contractor shall furnish ICAT with all relevant documentation in respect of such Equipment, including without limitation:

14.5.1 ocean bills of lading / Airway bill (these must be a full set of “clean on-board” bill of lading.);

14.5.2 commercial invoices;

14.5.3 packing lists;

14.5.4 certificate of origin;

14.5.5 inspection and pre-acceptance test certificate;

14.5.6 customs declaration details.

15. **OWNERSHIP OF EQUIPMENT AND OTHER PROVISIONS**

15.1 **Passing of property**

15.1.1 Equipment supplied or to be supplied pursuant to and in compliance with the terms of the Contract shall become the property of ICAT at whichever is the earliest of the following times:

(i) when any sum is included in a Certificate of Payment in respect thereof; or

(ii) for Equipment manufactured indigenously when such Equipment is delivered to the Project Site pursuant to the Contract and for imported Equipment, when such Equipment is loaded on to the aircraft or when the Equipment passes over the ship’s rail.

15.1.2 Equipment in which property has passed to ICAT shall be in the care and possession of the Contractor solely for the purposes of the Works and shall not be within the ownership or disposition of the Contractor. Notwithstanding the ownership of the Equipment in accordance with Clause 15.1.1 the responsibility for care and custody together with

the risk of loss or damage of such Equipment remains with the Contractor pursuant to Clause 31.5.1.

15.2 Marking of Equipment

Where the property in Equipment passes to ICAT, the Contractor shall so far as is practicable and it has not done so previously, set the same aside and mark the same as the property of ICAT. The Contractor shall procure that the ICAT Representative at any time upon reasonable notice may inspect any Equipment which have become the property of ICAT and shall grant to the ICAT Representative or procure the grant of access to the Contractor's premises for such purposes or any other premises where such Equipment may be located.

15.3 Exclusion of Lien

Neither the Contractor or a Subcontractor nor any other person shall have a lien on or other property interest in any Equipment which have vested in ICAT under this Clause 15 for any sum due or accepted due to the Contractor, Subcontractor or other person and the Contractor shall take such steps as may be necessary to ensure that the title of ICAT and the exclusion of such lien and other property interest are brought to the express notice of Subcontractors and other persons dealing with or transporting any such Equipment.

15.4 Delivery of Equipment upon Termination

Upon Termination or upon termination of the performance of the whole or any part of the Works before Completion of the whole of the Works, the Contractor shall deliver Equipment to ICAT, the property in which has vested in ICAT by virtue of this Clause 15. If it shall fail to do so ICAT may enter any premises of the Contractor, any Subcontractor or other person or any off site place of manufacture or source of Equipment (and the Contractor hereby grants ICAT the necessary licence to do so and undertakes to procure the same right for ICAT from all Subcontractors and other persons as the case may be) and seize such Equipment and recover the expense involved in so doing from the Contractor.

15.5 Manufacturer's warranties

Without prejudice to the Contractor's obligations and liabilities under the Contract, the Contractor must obtain for ICAT, from the respective manufacturers, legally enforceable warranties for the Equipment which shall ensure to the benefit of ICAT for the entire term of the warranties.

15.5 Contractor's Equipment

15.5.1 All Contractor's Equipment provided by the Contractor or its Subcontractors shall, when brought on to the Project Site, be deemed to become the property of ICAT in the event of Termination of Works on account of default of the Contractor and to be exclusively intended for the Execution of the Works and the Contractor shall not remove the same or any part thereof, except for the purpose of moving it from one part of the Project Site to another, without the consent of the ICAT Representative. Provided that such consent shall not be required for vehicles engaged in transporting any staff, labour, Contractor's Equipment to or from the Project Site.

15.5.2 The Contractor shall upon written request by the ICAT Representative produce to the ICAT Representative all documents evidencing title to or the contractual basis of the Contractor's right to use any item of Contractor's Equipment. In the event of failure to comply with such a request within 7 (seven) days, without prejudice to any other rights or remedies available to ICAT, ICAT may withhold any payments otherwise due to the Contractor in accordance with the Contract.

15.5.3 In case of import of any Contractor's Equipment necessary for the Execution of the Works, the Contractor shall be solely responsible for (without limitation to) its transportation, importation, customs clearances and re-exports.

15.6 ICAT not liable for damage

ICAT shall not at any time be liable for the loss of or damage to any of the Contractor's Equipment.

15.7 Conditions of hire of Contractor's Equipment

15.7.1 With a view to securing, in the event of Termination, the continued availability, for the purpose of Executing the Works, of any hired Contractor's Equipment, the Contractor shall not bring on to the Project Site any hired Contractor's Equipment unless there is an agreement for the hire thereof (which agreement shall be deemed not to include an agreement for hire purchase) which contains a provision that the owner will, on request in writing made by ICAT within [7 (seven)] days after the Termination Date and on ICAT undertaking to pay all hire charges in respect thereof from such date, hire such Contractor's Equipment to ICAT on the same terms in all respects as the same was hired to the Contractor, save that ICAT shall be entitled to permit the use thereof by any other contractor employed by it on occasion of the Contractor's termination.

15.7.2 The Contractor shall upon request made by the ICAT Representative at any time in relation to any item of hired Contractor's Equipment immediately notify to the ICAT Representative in writing the name and address of the owner thereof and shall certify that the contract for the hire thereof contains a provision in accordance with the requirements of Clause 15.7.1. The Contractor shall also upon request as aforesaid give a like notification (but without certification) in regard to any Contractor's Equipment held under a contract of hire purchase thereof.

15.7.3 In the event of ICAT entering into any agreement for the hire of Contractor's Equipment pursuant to Clause 15.7.1 all sums properly paid by ICAT under the provisions of any such agreement and all costs incurred by it (including stamp duties) in entering into such agreement shall be deemed to be part of the costs of Executing the Works.

15.8 Hire purchase payments by ICAT

ICAT, shall in order to avoid seizure by the owner of any Contractor's Equipment held under a contract of hire purchase thereof, be entitled to pay to such owner the amount of any overdue instalment or other sum payable under any contract for hire purchase and in the event of its doing so any amount so paid by ICAT shall be a debt due from the Contractor to ICAT and may be deducted by ICAT from any monies due or that may become due to the Contractor under the Contract or may otherwise be recovered by ICAT from the Contractor.

15.9 Re-export of Contractor's Equipment

In respect of any Contractor's Equipment which the Contractor imports for the purpose of the Execution of the Works, the ICAT Representative may use its reasonable endeavours to assist the Contractor if so requested and to the extent it is able to do so in procuring any Applicable Clearances for the re-export of such Contractor's Equipment by the Contractor upon the removal thereof as aforesaid.

15.10 Approval not implied

The operation of this Clause 15 shall not be deemed to imply any approval by the ICAT Representative of the Contractor's Equipment or any part thereof, or other matters referred to therein nor shall it prevent the ICAT Representative's right to order the removal of any such Contractor's Equipment or part thereof, at any time.

15.11 Incorporation of Clause into Subcontracts

The Contractor shall, where entering into any key or major subcontract for the Execution of any part of the Works, incorporate in such subcontract (by reference or otherwise) the provisions of this Clause 15 in relation to plant, equipment and tools and temporary works brought on to the Project Site by the Subcontractor.

15.12 Revesting and removal of Contractor's Equipment

Upon removal of any Contractor's Equipment which have been deemed to become the property of ICAT under Clause 15.5 with the ICAT Representative's consent, as aforesaid, the property therein shall be deemed to re-vest in the Contractor and upon Completion of the Works the property in the remainder of such Contractor's Equipment as

aforesaid shall, subject to the termination provisions of the Contract, re-vest in the Contractor who shall remove the same. If the Contractor shall fail to remove any Contractor's Equipment as aforesaid within such reasonable time after Completion of the Works as may be allowed by the ICAT Representative or should fail to comply with its obligations under Clause 34.3, ICAT may:

15.12.1 sell any such Contractor's Equipment ; or

15.12.2 return any hired Contractor's Equipment at the Contractor's expense to the person, firm or company from whom such Contractor's Equipment was hired by the Contractor

and after deducting from any proceeds of sale the cost, charges and expenses of and in connection with such sale and in connection with such return as aforesaid, ICAT shall, subject to any right of set-off, pay the balance (if any) to the Contractor but to the extent that the proceeds of any sale or return are insufficient to meet all such costs, charges and expenses the excess shall be a debt due from the Contractor to ICAT and shall be deductible or recoverable by ICAT accordingly as aforesaid.

16. LABOUR AND CONTRACTOR'S PERSONNEL

16.1 Labour Compliances

16.1.1 In the employment of labour for the Execution of the Works the Contractor shall comply and shall require its Subcontractors to comply without limitation, with all requirements of any Applicable Law relating to the employment of workmen or any subsequent modification or re-enactment thereof including but not limited to, matters relating to timely payment of wages and allowances, payment of minimum wages, payment of overtime, grant of leave, payment of workmen's compensation, working hours, safety, maternity benefits, holidays, framing of standing orders, disciplinary action against employees, payment of provident fund contributions, payment of gratuities and payment of bonuses.

16.1.2 Medical Facilities at Project Site:

The Contractor shall, at its own cost, provide first aid and medical facilities, at the Project Site as may be prescribed by the ICAT Representative, on advice of medical authority in relation to the strength of the Contractor's staff and workmen employed on the Works, directly or through petty contractors or Sub-Contractors.

16.2 Contractor to indemnify

The Contractor shall indemnify ICAT against any claim for legal action arising out of the Applicable Laws due to the failure of non-compliance of the provisions of the Applicable Laws which arise out of or in connection with the employment of any labour for the Execution of the Works and penalty or any other amount levied by the authorities from ICAT, shall be recoverable from the payments due to the Contractors or from the security deposit or both, as debt due and payable on demand.

16.3 Engagement of Labour

The Contractor shall make its own arrangements for the engagement of all labour, local and otherwise, skilled, semi-skilled and unskilled, as may be required for the proper and timely Execution of the Works and shall use all diligence in arranging for a sufficient and suitable supply of such labour but all such arrangements in India shall be in accordance with the general local usage and subject to the Applicable Laws.

16.4 Project Site records and returns

The Contractor shall maintain and keep at the Project Site, wage books and time sheets showing the wages paid to and time worked by all labour employed by the Contractor and its Subcontractors in and about the Execution of the Works or any part thereof and all records, forms, declarations, registers, notices, and copies of filings made with labour

authorities as are required to be maintained by the Contractor pursuant to the Applicable Laws and the Contractor shall produce such wages books, time sheets and records for inspection by ICAT Representative.

16.5. Contractor's Personnel

16.5.1 General

The Contractor shall at all times ensure that it has sufficient, suitable and qualified personnel at the Project Site and in sufficient number to undertake the responsibilities imposed upon the Contractor under the Contract and to provide full attention to the Execution of the Works.

16.5.2 The Contractor's Project Organisation Chart

16.5.2.1 The Contractor's Project Organisation Chart to be submitted by the Contractor to the ICAT Representative shall show the proposed organisation to be established by the Contractor for carrying out the Works and shall be consistent with the Contractor's project organisation chart submitted with the Tender submission. The chart shall evidence that the Contractor has the requisite organisation in place and that it has designated and proposed suitable persons as Key Personnel, whose identities and bio-data it shall include with the Contractor's Project Organisation Chart, to supervise the Execution of the Works and to deal with ICAT or the ICAT Representative as appropriate.

16.5.2.2 The Contractor shall promptly notify the ICAT Representative of any proposed revision or alteration of the Contractor's Project Organisation Chart.

16.5.3 Key Personnel

16.5.3.1 The ICAT Representative shall be entitled to interview any or all of the persons designated and proposed as Key Personnel before deciding whether or not to consent to their appointment. If ICAT interviews any of the proposed Key Personnel, ICAT shall be deemed to consent to such Key Personnel if it makes no objection within [3 (three)] days of the interview of the last proposed person to be interviewed. If ICAT objects to any of the proposed Key Personnel within such 3 (three) day period, then the Contractor must nominate a replacement or replacements, as applicable within [7 (seven)] days and this Clause 16.5.3.1 applies to such nomination.

16.5.3.2 The Key Personnel are to be engaged throughout the period of the Contract and shall include suitably qualified and experienced personnel for one or more of the positions as set out in the Special Conditions of Contract.

16.5.4 Technical Assistants

16.5.4.1 The Contractor and, where appropriate any Subcontractor shall provide and employ in connection with the Execution of the Works only such engineers and technical assistants as are skilled and experienced in their respective callings and such engineers, managers, sub-representatives, foremen and leading hands as are competent to give proper supervision to the work they are required to supervise.

16.5.5 Removal of Contractor's employees

The ICAT Representative may object to and require the Contractor to immediately remove from the Works at the Contractor's expense any person employed by the Contractor or its Subcontractors in relation to the Works and such person shall not be employed again upon the Works without the written permission of the ICAT Representative. Any person so removed from the Works shall, unless the ICAT Representative specifies otherwise, be replaced, at the Contractor's expense as soon as possible by a competent substitute approved by the ICAT Representative.

17. TESTING

17.1 General

17.1.1 All materials and workmanship shall be of the respective kinds and standards described in the Contract and in accordance with ICAT Representative's instructions and shall be subjected from time to time to such tests as provided for in the Contract. The Contractor shall provide such assistance, instruments, machines, consumables and artificial loads and labour and materials as are normally required for examining, measuring and testing any work and the quality, weight or quantity of any material used and shall supply samples of materials before incorporation in the Works for testing as set out in the Testing Plans.

17.1.2 The Testing Plans shall be submitted to ICAT Representative in the manner stated in the Contract or as otherwise directed by ICAT Representative.

17.1.3 ICAT Representative or its nominee and any other person designated by ICAT may attend and witness the Equipment at any manufacturing stage.

17.1.4 The Contractor agrees that neither the execution of any test nor the issue of any test certificate releases the Contractor from any of its responsibilities, obligations, or liabilities (including repair or replacement of any Equipment or part of the Works damaged during the carrying out of any Tests) under the Contract.

17.2 Testing Costs

The cost of making any test or inspection under the Contract shall be borne by the Contractor if such test or inspection is intended by or provided for in the Contract or should have reasonably been anticipated by the Contractor as likely to be required including any costs relating to accommodation and travel incurred by the ICAT personnel for such test/inspection..

Save, as aforesaid, where any test is ordered by the ICAT Representative which is neither intended nor provided for by the Contract nor could reasonably have been anticipated by the Contractor, then the cost of such test shall be borne by the Contractor if the test shows any workmanship or Equipment not to be in accordance with the Contract or the ICAT Representative's instructions, or if the test was required as a result of any failure of the Contractor to comply with its obligations under the Contract.

17.3 Pre- Acceptance Tests and Project Site Tests

17.3.1 The Contractor must:

- (i) procure the carrying out of the Pre-acceptance Tests and the Project Site Tests; and
- (ii) not allow an item of Equipment to be transported to the Project Site unless it has successfully completed the Pre-Acceptance Tests .

17.3.2 Within [7 (seven)] days of completion of any Pre- Acceptance Tests or the Project Site Tests, the Contractor must give the ICAT Representative a report of the test results in a form approved by the ICAT Representative.

17.3.3 The ICAT Representative may, within [7 (seven)] days of receipt of a report produced in accordance with Clause 17.3.2, give the Contractor a notice that it considers:

- (i) such report is deficient in any way, and that it directs the Contractor to correct and re-submit the report and the Contractor must re-submit the report;
- (ii) in its reasonable opinion, that the Contractor has failed the test; or
- (iii) that the relevant test has been successfully performed.

17.3.4 If, in the reasonable opinion of the ICAT Representative, the Equipment/ Works fail any Pre-Acceptance Test or

Project Site Test (as applicable), the Contractor must:

- (i) give the ICAT Representative notice of the cause of the failure and the remedial action to be taken;
- (ii) remedy the cause of the failure; and
- (iii) reschedule, re-perform and report on results of the test in accordance with this Clause 17.3.

17.4 **Pre-Acceptance Tests**

The Contractor shall carry out the Pre-Acceptance Tests of each Equipment in the presence of ICAT representative as per the agreed plan prior to the shipment of the Equipment, at the Contractor's site.

17.5 **Acceptance Tests**

The Contractor shall carry out the Acceptance test of each Equipment in presence of ICAT Representative as per the agreed plan with the ICAT Representative after the completion of commissioning of the Equipment, at the Project Site.

18. **TIME FOR COMPLETION**

The Contractor shall Complete the Works within the Time for Completion or such other time as may be determined in accordance with Clause 19.

19. **EXTENSION OF TIME FOR COMPLETION**

19.1 Contractor's notice of event likely to cause delay

The Contractor shall closely monitor the progress of the Works and shall give written notice to ICAT Representative, with a copy to ICAT:

- 19.1.1 as soon as it can foresee any incident, circumstance and/or event of any nature affecting or likely to affect the progress of the Works such that the Completion of the Works will be or is likely to be delayed; or
- 19.1.2 should it have been unable to foresee such a incident, circumstance and/or event, then as soon as it becomes aware of the commencement of the incident, circumstance and/or event which has affected or is likely to affect the progress of the Works such that Completion of the Works will be or is likely to be delayed.

19.2 Reasons for delay and extension of time

It shall be a condition precedent to any extension of time by ICAT under any provision of the Contract, that in respect of each and every incident, circumstance or event identified in the notice given in accordance with Clause 19.1, the Contractor shall, as soon as possible after such notice but in any event not later than [30 (thirty)] days after such notice or such longer period as ICAT Representative may in its absolute discretion determine, notify ICAT Representative in writing of any factors and the relevant Contract provision which it considers may entitle it to claim an extension of time together with a statement, providing details, reasons, explanation and any further substantiation for the delay.

19.3 **Delay Events**

Subject to the other provisions of this Clause 19, the Contractor will only be entitled to an extension of the Time for Completion where a delay to the achievement of Completion is caused by:

- 19.3.1 the Contractor not being given access to the Project Site or any part thereof ; or
- 19.3.2 A Change instructed other than where such Change is instructed as a consequence of any default or breach of the

Contract by the Contractor; or

19.3.3 Any act, omission, default or breach by ICAT; or

19.3.4a Force Majeure Event.

19.4 ICAT Representative to determine extension

Subject always to proper compliance by the Contractor with the provisions of this Clause 19, ICAT Representative shall determine any extension of the Time for Completion and shall notify ICAT and the Contractor accordingly.

19.5 Compliance

19.5.1

(i) The Contractor shall constantly use its reasonable endeavours to prevent and/or minimise delay in the progress of the Works, howsoever caused, and to prevent Completion of the Works being delayed or further delayed beyond the Time for Completion and the Contractor shall not be entitled to an extension of time in respect of any cause of delay nor for any period of delay which by the exercise of reasonable endeavours could be avoided or reduced (to the extent that such could have been reduced). The onus of proving that the Contractor has exercised all reasonable endeavours, and that despite such endeavours, the delay could not be avoided or reduced, shall in all cases rest with the Contractor;

(ii) The Contractor shall not under any circumstances be entitled to an extension of time where the delay or likely delay is, or would be, attributable to the default, breach, negligence, improper conduct or lack of endeavour of the Contractor or any persons for whom it is contractually or otherwise responsible;

(iii) The Contractor shall have kept and maintained such records (including those referred to in the notices under this Clause 17 [Extension of Time for Completion] as may be reasonably necessary to support any claim for an extension of time it may subsequently wish to make;

19.5.2 The ICAT Representative shall not be obliged to take into account any circumstances which are not notified to it in accordance with the periods referred to in this Clause 19 but may upon the written request of the Contractor extend the said periods if it considers the request for such extension reasonable.

20. PROCEDURE FOR CLAIMS

20.1 Notice of claims

If the Contractor considers that it may have grounds to claim any additional payment or any extension of time pursuant to any Clause of the Conditions or otherwise, it shall in addition to compliance with any other procedure or obligation in relation thereto, give notice to the ICAT Representative, with a copy to ICAT, within fourteen [14 (fourteen)] days after the event giving rise to the claim has first arisen. The notification shall include details of the clause under which the claim is made, the circumstances in which the claim arises and details of the records that the Contractor will maintain to substantiate the amount of its claim.

20.2 Substantiation of claims

Within [28 (twenty eight)] days, or such lesser time as may be reasonably required by the ICAT Representative, of giving notice under Clause 20.1, the Contractor shall send to the ICAT Representative an account giving detailed particulars of the amount claimed and the grounds upon which the claim is based. Where the event giving rise to the claim has a continuing effect, such account shall be considered to be an interim account and the Contractor shall, at such intervals as the ICAT Representative may reasonably require, send further interim accounts detailing the aggregate amount of the claim and any further grounds upon which it is based. In cases where interim accounts are sent to the ICAT Representative, the Contractor shall send a final account within [28 (twenty-eight)] days of the end of the effects resulting from the event. The Contractor shall, if required by the ICAT Representative so to do, copy to

ICAT all accounts sent to the ICAT Representative pursuant to this Clause 20.2.

21. LIQUIDATED DAMAGES

21.1 Liquidated Damages

21.1.1 If the Contractor fails to Complete the Works in accordance with the Contract so that the Date of Completion of the Works has not occurred within the Time for Completion or in the event the Contractor defaults or is in breach of any of its obligations under the Contract or the Contractor is non-compliant with or negligent in relation to any condition specified under the Contract, then the Contractor shall pay or allow to ICAT Liquidated Damages for such default/ breach/ delay/ non-compliance which is a genuine pre-estimation of and reasonable compensation for the loss and damage that will be suffered by ICAT, for every day which shall elapse between the Time for Completion and the date stated in the Completion Certificate as being the Date of Completion of the Works or for every day for which such breach or default (if capable of remedy as determined by the ICAT Representative) continues till the date of remedy. Provided always that the aggregate liability of the Contractor for Liquidated Damages under this Clause 21.1 shall not exceed the percentage of the Contract Sum as specified in Special Conditions of Contract.

21.1.2 The payment of Liquidated Damages does not in any way relieve the Contractor from any of its obligations to complete the Works or from any other obligations and liabilities of the Contractor under the Contract.

21.1.3 For the avoidance of doubt and without prejudice to any continuing obligations of the Contractor under the Contract or otherwise, the issue of any Completion Certificate does not relieve the Contractor in respect of Liquidated Damages which have accrued up to the date of such Completion Certificate, but which have not yet been paid by the Contractor.

21.2 Genuine Pre-estimate of Damages

The Parties recognise the expense and inconvenience likely to be incurred from any need to prove the loss and damage that will be suffered by ICAT in the event of a failure by the Contractor to achieve Completion of the Works by the relevant Time for Completion or for breach or omission or non-performance of any obligation/ condition by the Contractor under the Contract. The Parties acknowledge that the Liquidated Damages is a genuine pre-estimation of and reasonable compensation for the loss and damage that will be suffered by ICAT in the event of any such failure on the part of the Contractor.

22. Completion of Works

22.1 The Date of Completion of the Works shall be the date upon which the following criteria have been satisfied or waived in writing by ICAT at its sole discretion:

(i) the Execution of the Works, other than the performance of obligations to be performed during the Warranty Period, has been completed in accordance with the Contract, save in respect of the Punch List Items;

(ii) all outstanding work which ICAT Representative requires to be completed before issue of the Completion Certificate, has been satisfactorily completed;

(iii) the Contractor has been issued the acceptance certificate post the completion of the Acceptance Tests; and

(iv) all the training obligations of the Contractor to be performed during the Execution Period have been satisfactorily completed in accordance with the Contract;

(v) the Contractor has provided to the ICAT Representative any amendment or update of any information and documentation, which is required by the ICAT Representative;

(vi) any Spare Parts and other items which the Contractor is required to supply and deliver to ICAT in accordance with the Contract and which were used or consumed during the any of the tests mentioned in the Contract have been replaced by the Contractor at its own cost.

22.2 The Contractor acknowledges that until the Works are Complete, ICAT shall not be able to commence the Project Facility operations.

22.3 **Application for and issue of the Completion Certificate**

22.3.1 The Contractor shall make a written application to ICAT Representative with a copy to ICAT for a Completion Certificate no later than [2 (two)] days of from the conclusion of the Acceptance Tests. Such application shall be accompanied by an undertaking to finish any outstanding work in accordance with Clause 22.3.2.

22.3.2 ICAT Representative shall, within [7 (seven)] days after receiving the Contractor's application in accordance with Clause 22.3.1 issue the Completion Certificate to the Contractor with a copy to ICAT and ICAT stating the date upon which the Works achieved Completion and specifying any outstanding work, if any, which the Contractor is required to complete and the period or periods within which such work is required to be completed, such work to include:

(a) the Punch List Items; or

(b) any other outstanding work notified to the Contractor by ICAT Representative.

22.4 **Completing Punch List Items and any other outstanding works**

22.4.1 During the Acceptance Tests, the Contractor shall provide in writing to ICAT Representative reasonable notice of its reasonable requirements with respect of access to and use of the Works for the carrying out of:

(i) the outstanding Works including any Punch List Items specified in the Completion Certificate;

(ii) any rectification, repair or replacement of any items in accordance Clause 23.1.

22.4.2 ICAT shall use reasonable endeavours to secure such access for the Contractor. When carrying out such work the Contractor shall comply with all reasonable instructions of ICAT with regard to the safety of the Works and the ongoing performance by ICAT of its obligations and shall complete the work in such manner that, so far as reasonably practicable, does not prevent, hinder or otherwise interfere with the performance of ICAT of its obligations and the exercise of its rights during the Project Facility operations period.

22.4.3 The Contractor shall complete any Punch List Items specified in the Completion Certificate within the time instructed reasonably by ICAT Representative.

23. **Warranty Period**

23.1 The ICAT Representative shall have the right, but not the obligation, to instruct the Contractor in writing to Execute all such work of repair, amendment, replacement of any parts of the Equipment, rectification of defects, imperfections or other faults in the Works and any part thereof, as the case may be, at any time during the Warranty Period.

23.2 All such work instructed under Clause 23.1 shall be carried out by the Contractor at its own expense.

23.1.3 At all times during the Warranty Period ICAT shall be fully entitled to Execute all work of repair, amendment, replacement of any parts of the Equipment, rectification of defects, imperfections or other faults in the Works and any part thereof, as the case may be, by its own workmen or by other contractors and if the necessity thereof shall in the opinion of the ICAT Representative be due to the use of materials or workmanship not in accordance with the Contract or the neglect or failure on the part of the Contractor, ICAT shall be entitled to recover from the Contractor the cost thereof or may deduct the same from any monies due or that become due to the Contractor.

23.2 **Continuing Obligations**

23.2.1 Notwithstanding the expiry of the Warranty Period the Contractor shall remain liable for the fulfilment of any

obligation incurred under the provisions of the Contract prior to the expiry of the Warranty Period which remains unperformed upon the expiry of the Warranty Period and, for the purposes of determining the nature and extent of any such obligation, the Contract shall be deemed to remain in force between the Parties.

23.2.2 Notwithstanding the expiry of the Warranty Period and / or maintenance contract if any, the Contractor shall provide necessary Spare Parts, sales, services and support for the performance of the Equipment on payment basis to be mutually agreed to between the Contractor and ICAT Representative.

23.3 Maintenance Obligations

23.3.1 The Contractor shall take full responsibility for the maintenance and upholding of the permanent structures at the Project Site and the site offices (if any) used by the Contractor during the Warranty Period.

23.3.2 The Contractor shall ensure that its maintenance obligations are performed in such a manner as will permit the proper performance by ICAT in its operation of the Project Facility and so as not to affect the activities of the Project Facility users.

24. CHANGES

24.1 General

24.1.1 The Contractor shall not carry out any Change except as directed by ICAT Representative. The ICAT Representative shall have the power to, from time to time, for the Execution of the Works, to instruct the Contractor, by notice in writing to carry out Changes without prejudice to the Contract.

24.1.2 The Contractor acknowledges and accepts that no Change shall in any way vitiate or invalidate the Contract.

24.1.3 Subject to the terms of this Clause 24, the Contractor will be required to perform any Change howsoever initiated and be bound by the same conditions as far as applicable, as though the said Changes occurred in the Contract.

24.1.4 ICAT Representative reserves the right to increase or decrease the quantities of items under the Contract but without any change in the unit price for such item. Such a Change in the quantity shall not be subjected to any limitations for the individual items but the total Change for all such items shall be limited to the estimate (if any) provided.

24.2 Procedure for Changes

24.2.1 ICAT Representative has the right to initiate a Change at any time by either:

(i) instructing in writing a Change Order in which case the Contractor shall comply with Clause 24.2; or

(ii) issuing a written notice proposing a Change (a "Change Notice").

24.2.2 Within [14 (fourteen)] days of receipt of a Change Notice, the Contractor shall provide to ICAT Representative a written statement setting out detailed particulars of any effect the proposed Change would have on the Works and Related Works and/or on any other provisions of this Contract if the proposed Change is effected (a "Change Notice Response").

24.2.3 Following receipt of a Change Order, the Contractor must immediately implement the Change subject to the following terms:

(i) the Contract Sum will, be amended in accordance with the principles to be mutually agreed between ICAT and the Contractor;

(ii) any extension of time will be determined and ICAT Representative is entitled to take account of the Contractor's

estimate (if any) when determining such extension of time;

(iii) these Conditions (as amended from time to time) will apply to the Change as though it formed part of the Works.

24.2.4 Following receipt of a Contractor's Change Notice Response, ICAT Representative may either:

(i) issue a written Change Order to the Contractor, on such terms and conditions as ICAT Representative may deem appropriate; or

(ii) withdraw the Change Notice.

The Contractor shall not be entitled to any costs or extension of time as a result of preparing a Change Notice Response.

24.2.5 If:

(i) the Contractor fails to comply with its obligation under Clause 24.2; or

(ii) if the ICAT Representative rejects the information provided by the Contractor pursuant to Clause 24.2 ;

ICAT shall be entitled, following notification to the Contractor, to engage a third party to perform the Change, in which case the Contractor shall cooperate fully with any such third party.

24.3 Contractor's Changes

24.3.1 The Contractor may, from time to time during its performance of the Contract, propose to ICAT Representative any Change which the Contractor considers:

(i) necessary for the proper Execution of the Works; or

(ii) which adopted will:

(a) substantially reduce the cost of Executing, maintaining and operating the Works or the Project; or

(b) improve the efficiency or value to ICAT of the Completed Works (including a reduction in the life cycle costs associated with the Project); or

(c) otherwise be of benefit financial or otherwise, to ICAT

and such proposal must be in writing and shall be in the form of and contain such information as required of a Change Notice Response referred to in Clause 24.2.2.

24.3.2 Where Clause 24.3.1(i) applies ICAT Representative may either:

(i) issue a written Change Order to the Contractor and the Contractor shall implement the Change in accordance with Clause 24.2.2; or

(ii) reject the Change proposed by the Contractor.

The Contractor shall not be entitled to any costs or extension of time as a result of preparing a proposal in accordance with Clause 24.3.1.

24.3.3 ICAT Representative may, at its sole discretion, accept or reject the Contractor's proposed Change and failure by ICAT Representative to respond within [14 (fourteen)] days shall be deemed to be a rejection.

24.3.4 If in the opinion of the Contractor, any Change proposed by ICAT Representative prevents or is likely to prevent the Contractor from fulfilling his obligations under the Contract, the Contractor shall notify the ICAT Representative thereof in writing and the ICAT Representative shall decide forthwith whether or not the same shall be carried out by the Contractor. In case the ICAT Representative confirms that the Change shall be carried out, the Contractor's obligations under the Contract shall be modified to an extent as may be mutually agreed to between the Parties.

24.4 Omissions

24.4.1 The Contractor acknowledges that a Change may involve the omission of any part or parts of the Works up to 10% (ten percent) of the total Contract Price and the Contractor acknowledges and agrees that ICAT may engage others to carry out that part or parts so omitted.

24.4.2 On the omitted Works, the Contractor shall be entitled to payment, 10% (ten percent) of the value of omission which shall include Contractor's profits and overheads.

24.5 Valuation of Changes

24.5.1 The valuation of a Change to be paid by ICAT to the Contractor, or by the Contractor to ICAT, as the case may be, shall be calculated as follows:

- (i) the Parties will endeavour to agree to the valuation; and
- (ii) failing agreement under Clause 24.5.1(i) within a reasonable time (but no more than [28 (twenty-eight)] days after the ICAT Representative's direction in accordance with Clause 24.2.4 (i), ICAT will determine the valuation, subject to the following:
 - (a) in the event that the Change involves additional works, the increase to the Contract Price will be no more than the estimate (if any) provided; and
 - (b) in the event that the Change involves the omission of part of the Works or results in a saving to the Contractor, the reduction in the Contract Price will be no less than the estimate (if any);

the following valuation principles shall apply:

1. where the varied work is similar in character to and Executed under similar conditions to work priced as per the Payment Schedule , such work shall be valued at the applicable rates and prices in the Contract;
2. where the varied work is not of a similar character to or not Executed under similar conditions to work priced in the price breakdown then the ICAT Representative shall establish a new rate for such work based upon the rates or prices contained in the Contract insofar as may be reasonable making such allowances thereto by way of additional or deductions as may be necessary to take account of any dissimilarity in the character of the work or the conditions under which the work was Executed;
3. where work is omitted, the rates and prices in the Contract shall be used to value the work omitted provided that if part only of an item of work is omitted their ICAT Representative shall establish a new rate or price by which to value the omitted work which shall be fair and reasonable.
4. where the varied work cannot be properly valued in accordance with the provisions of Clauses 24.5.1(ii) (1), (2) or 3 above, the ICAT Representative shall establish a new rate or price for such work which shall be fair and reasonable.

24.5.2 Without prejudice to Clause 24.2, the ICAT Representative may, in its absolute discretion, instruct a Change Order in circumstances where, in its absolute discretion, the Contractor will fail to meet any of its obligations under the Contract or where it is necessary on account of some default or breach of the Contract by the Contractor or those for whom it is responsible for, in which case the Contractor shall not be entitled to any extension of time or any increase

in the Contract Sum, and any adjustment to the Time for Completion.

ICAT shall be entitled to deduct in accordance with Applicable Law, Income Tax or withholding tax or other deductions (as the case may be), from any payments made to the Contractor, and the amount so deducted shall be deemed to be a payment made to the Contractor. ICAT shall provide a certificate certifying the deduction so made.

28.3 Exemptions and Concessions

- 28.3.1 The benefit of any Tax exemption or concessional rate available when the Contractor purchases Equipment will be passed on to ICAT through a reduction in the Contract Sum.
- 28.3.2 Where ICAT and its contractors (including the Contractor) are entitled to an exemption or concession concerning any Tax to be levied in India in respect of the Equipment and/ or goods supplied under the Contract, ICAT must use reasonable endeavours to enable the Contractor to claim such concession or exemption.

28.4 General

- 28.4.1 The Contractor must provide sufficient information regarding the nature and cost of the Works to enable all the relevant statutory obligations of ICAT that are dependent upon that information to be satisfied.
- 28.4.2 The Contractor shall fully indemnify, save harmless and defend ICAT including its officers, servants, agents and

subsidiaries as well as the ICAT Representative from and against any and all loss and damages arising out of or with respect to failure of the Contractor (a) to comply with Applicable Laws and Applicable Clearances and/or (b) to make payments of Taxes relating to the Contractor's Subcontractors and representatives income or other Taxes required to be paid by the Contractor without reimbursement hereunder and/or (c) to pay amounts due as a result of materials or services furnished to the Contractor or any of its Subcontractors which are payable by the Contractor or any of its Subcontractors or any other person employed or engaged by the Contractor in connection with the Works.

29. OPERATIONS AND MAINTENANCE MANUALS AND TRAINING

29.1 Operation & Maintenance Manual

29.1.1 The Contractor must obtain for ICAT all relevant instruction manuals in respect of the design, installation, erection, supply, extension, repair, operation and maintenance of the Works, any parts thereof and any special directions or recommendations from the relevant manufacturers of any Equipment and must itself provide written instructions where such are not available from such manufacturers.

29.1.2 The Operation & Maintenance Manual must be prepared:

(i) based on all relevant instruction manuals and special directions or recommendations from the relevant manufacturers of any Equipment or parts thereof obtained in accordance with Clause 29.1.1.

(ii) so as to provide ICAT with such detail and information as may be necessary for use by ICAT in order to operate, maintain, dismantle, reassemble, adjust, upkeep and uphold all parts of the Works and the Works as a whole;

(iii) based on a maintenance plan for each part of the Works that is consistent with and intended to ensure that, each part achieves any design life specified in respect thereof in the Contract;

(iv) based on Good Industry Practice;

(v) in full consideration of the experience, level and technical background of ICAT personnel and the Contractor's training-related obligations under the Contract.

29.1.3 During the period of the Acceptance Tests, the Contractor must update and revise the Operation & Maintenance Manual as necessary and as may be required by ICAT Representative, to reflect the completion of all of the Contractor's obligations under the Contract including all defects and warranty obligations.

29.1.4 The Contractor warrants that adherence to the Operation & Maintenance Manual will facilitate and ensure the operation and maintenance of the Project Facility at the levels of capacity, safety, efficiency, reliability and maintainability required by the Contract.

29.1.5 Within 1 (one) month prior to the Warranty Period, the Contractor shall update and revise the Operation & Maintenance Manual as necessary and as may be required by ICAT Representative.

29.2 Training

29.2.1 The Contractor shall provide comprehensive training in the operation and maintenance of the Works to Project Facility operation trainers and Project Facility operations personnel in accordance with the Training Plan mutually formalised or to be formalised between the Contractor and the ICAT Representative ("Training Plan") in order to procure ICAT objective of the timely, efficient, economic and safe operation and maintenance of the Works and the Project Facility.

29.2.2 Without limiting its obligations under the Contract, the Contractor shall adhere to the principles and procedures contained in the approved Training Plan, and any approved amendments or supplements thereto. The Contractor shall revise the Training Plan from time to time as directed by ICAT Representative and as and when further Project Facility operation trainers and Project Facility operations personnel are required by ICAT to be trained, which training shall

be undertaken by the Contractor without the right to any additional payment or an extension of time.

29.2.3 During such period as they may be being so trained or retrained by, or otherwise under the control of the Contractor pursuant to the provisions of the Contract, the Project Facility operation trainers and Project Facility operation personnel shall for the purposes of control and responsibility (but for the avoidance of doubt without any obligation to provide remuneration to such personnel or any responsibility in respect of Taxation and insurance of such personnel) to the extent permitted by the Applicable Laws, be deemed to be the servants of the Contractor.

29.2.4 For the purposes of providing the training pursuant to this Clause 29.2 and so as to enable the Project Facility operation trainers and Project Facility operations personnel to familiarise themselves with the Works, the Contractor shall allow and procure access as necessary to the Project Site, places off the Project Site where Equipment is being manufactured and tested and the Works.

29.2.5 The Contractor represents and warrants that:

(i) the numbers, qualifications and levels of experience specified by the Contractor in its Training Plan shall be such as is required to provide ICAT with Project Facility operation trainers and Project Facility operations personnel in sufficient numbers and of sufficient qualifications and experience properly to operate and maintain the Project Facility in accordance with the Contract and the Operation & Maintenance Manual; and

(ii) the training of adequate numbers of suitably qualified Project Facility operation trainers and Project Facility operations personnel has been or will be fully and properly undertaken under the provisions and in accordance with the terms and conditions of the Contract in order to secure the availability of a sufficient number of skilled and experienced personnel properly to undertake at all times during the Project Facility operations period in a timely, efficient, economic and safe manner, under the supervision of ICAT or otherwise, the day to day operations of the Project Facility and the performance of routine and preventative maintenance thereof.

(iii) The cost and expense of complying with its obligations under this Clause 29.2 shall be deemed to have been included in the Contract Sum by the Contractor provided that the accommodation and travel costs of the Project Facility operation trainers and Project Facility operations personnel incurred in training pursuant to this Clause 29.2 shall be borne by ICAT.

29.3 **Manufacturer's Warranties**

29.3.1 Without prejudice to the Contractor's warranties in the Contract, the Contractor shall obtain for ICAT, the Required Manufacturers Warranties for the Equipment in accordance with Technical Conditions of Contract and must obligate the respective manufacturers at their sole expense to rebuild, remove and replace Equipment which has defects and deficiencies in substantially the same manner and on terms and conditions to those contained in the Contract and, where required by ICAT, must travel to and from and perform such activities at the Project Site.

29.3.2 At the request of ICAT Representative, the Contractor must seek to obtain from the manufacturers of the Equipment referred to in Clause 29.3.1 extended warranty coverage.

29.3.4 The warranty period for any Equipment or any part must be extended for a period equal to the period that such item cannot be operated as a result of a defect and deficiency or as a result of any deficiency or damage caused by another item of Equipment, and in respect of extended warranties, the Contractor must use its best endeavours when requested by ICAT to assist in enforcing such warranties and guarantees.

29.3.5 The installation of any and all Equipment in the Works must be in strict accordance with the manufacturers' requirements and the Contract, and without prejudice to the Contractor's warranties contained in the Contract, in the event that ICAT seeks to enforce a claim based upon a manufacturer's warranty, and if such manufacturer fails to honour its warranty based in whole or in part, on a claim of defective installation, ICAT is entitled to enforce the manufacturer's warranty against the Contractor in accordance with the terms of the warranty, or, at ICAT option, the Contractor must defend and indemnify ICAT from and against any liability in respect of such defect and deficiency, provided however, that a claim of defective installation is not a defence to any warranty claim by ICAT.

30. ICAT

30.1 ICAT obligations

Notwithstanding anything contained in the Contract and in addition to and not in derogation or substitution of any of its other obligations under the Contract, ICAT shall:

(i) use reasonable endeavours to assist the Contractor to obtain from Statutory Authorities all Applicable Clearances other than those which are ICAT responsibility.

(ii) use reasonable endeavours to assist the Contractor in the procurement of the peaceful use of the Project Site by the Contractor under and in accordance with the provisions of the Contract and without any let or hindrance from any Relevant Authority or persons claiming through or under it/them; and

(iii) upon written request from the Contractor, use reasonable endeavours to assist the Contractor with procuring assistance in obtaining access to all necessary infrastructure facilities and utilities, including water, electricity and telecommunication facilities at rates and on terms no less favourable to the Contractor than those generally available to commercial customers receiving substantially equivalent facilities/utilities.

31. CONTRACTOR'S COVENANTS

31.1 Urgent repairs

If, by reason of any accident or failure or an emergency or other event occurring to, in or in connection with the Works or any part thereof during the period of the Contract, any repair shall, in the opinion of ICAT Representative, be urgently necessary and the Contractor is unable or unwilling or not available at once to do such repair, ICAT may by its own or other workmen do such repair as ICAT Representative may consider necessary. If the repair so done by ICAT is work which, in the opinion of the ICAT Representative, the Contractor was liable to do at its own expense under the Contract, all costs and charges properly incurred by ICAT in so doing shall within [14 (fourteen)] days from the date of receipt of the claim be paid by the Contractor to ICAT or may without prejudice to any other method of recovery, be deducted by ICAT from any monies due or which may become due to the Contractor or may be recovered as a debt.

31.2 Improper Equipment

The ICAT Representative, without prejudice to the generality of its powers, shall have the authority to issue instructions (which shall be effected by the Contractor with all reasonable speed and at its sole expense without any right to an extension of time) from time to time for:

31.2.1 the removal from the Project Site, within such time or times as may be specified in the instruction, of any Equipment or any other part of the Works which, in the opinion of the ICAT Representative, are not in accordance with the Contract;

31.2.2 the substitution of proper and suitable Equipment or any other part of the Works;

31.2.3 the removal and proper re-Execution, notwithstanding any previous test thereof or interim payment therefor, of any work which, in respect of any workmanship by the Contractor is not, in the reasonable opinion of the ICAT Representative, in accordance with the Contract; and

31.2.4 such testing, as it may consider necessary or desirable following any instruction issued pursuant to this Clause.

31.3 Illegal gratification

31.3.1 Bribe, commission, gift or advantage: Any bribe, commission, gift or advantage given or offered by the Contractor

directly or through its partner, agent, officer or employee of ICAT, or to any person / institution connected with ICAT, in relation to obtaining or the execution of this or any other Contract with the ICAT Representative or ICAT, shall in addition to any criminal liability which the Contractor may incur, subject the Contractor to termination of the Contract and all other Contracts with ICAT, and liability for payment of any loss or damage to ICAT, resulting from such termination. ICAT shall be entitled to deduct the amounts so payable from any money / moneys due to the Contractor alone, or jointly under the Contract or any other contract with ICAT. The Contractor shall not be due, nor shall be paid any compensation whatsoever for any loss, alleged or actual, suffered by the Contractor when the Contract is so terminated.

31.3.2 Monetary dealing of Contractor with employee of ICAT or ICAT Representative: The Contractor shall not lend or borrow money from, or enter into any monetary dealings or transactions directly or indirectly, with any employee of ICAT Representative or ICAT, and if the Contractor does so, ICAT shall be entitled forth-with to terminate the Contract and all other Contracts with ICAT. The Contractor shall be liable to pay compensation for any loss or damage to ICAT resulting from such termination and ICAT shall be entitled to deduct the amounts so payable from the money(s) due to the Contractor.

31.3.3 Settlement of dispute as to commission of such offence: If any question or dispute as to the commission of any such offence arises under Sub-clauses (bribe, commission, gift or advantage) and (monetary dealer of Contractor with employee of ICAT or ICAT Representative), the same shall be settled by ICAT Representative, in such manner as the ICAT Representative shall consider fit and proper, and such decision shall be final and binding.

31.4 Avoidance of Damage to Roads and Bridges

31.4.1 Contractor to prevent damage to roads and bridges

31.4.1.1 The Contractor shall use every reasonable means to prevent any of the highways, railway or bridges communicating with or on the routes to the Project Site (including access and link roads) from being damaged or injured by any traffic of the Contractor or any of its Subcontractors. In particular the Contractor shall select routes, choose and use vehicles and restrict and distribute loads so that any such extraordinary traffic as will inevitably arise from the moving of plant and materials to and from the Project Site shall be limited as far as reasonably possible and so that no unnecessary damage or injury may be occasioned to such highways, railways and bridges. In case of any damage or injury to the same, the Contractor warrants indemnifying and holding harmless ICAT from and against claims, proceedings, damages, costs, charges or expenses in respect of the said damage.

31.4.1.2 Should it be found necessary for the Contractor to move one or more loads of Contractor's Equipment, machinery or pre-constructed units or part of units of works over part of a highway railway or bridge, the moving whereof is likely to damage any highway, railway or bridge unless special protection or strengthening is carried out, then the Contractor shall before moving the load on to such highway, railway or bridge give notice to the appropriate authority of the load to be moved and obtain the required approval of the said authorities for its proposals for protecting or strengthening the said highway, railway or bridge. The Contractor shall be responsible for the cost and expenses of any necessary work for the protection or strengthening the said highway, railway or bridge.

31.4.2 Access routes

The Contractor shall be deemed to have been satisfied as to the safety, suitability and availability of access routes up to the Project Site. Without prejudice to the generality of the foregoing:

31.4.2.1 ICAT shall not be responsible for any claims which may arise from the use or otherwise of any access route to, from and over the Project Site;

31.4.2.2 ICAT does not guarantee the suitability or availability of particular access routes and all costs due to non-suitability or non-availability, for the use required by the Contractor, of access routes shall (as between the Parties) be borne by the Contractor;

31.4.2.3 the Contractor shall provide such signs or directions along access routes to, from and over the Project Site

as required by the Contract and shall obtain any permission which may be required for the provision of such signs and directions.

31.4.3 Contractor not to interfere

All operations necessary for the Execution of the Works or any part thereof shall, so far as compliance with the requirements of the Contract permits, be carried on so as not to interfere unnecessarily or improperly with any or with the convenience of the public, or the access to, use and occupation of public or private roads or footpaths or any properties (adjoining the Project Site or otherwise) whether in the possession of ICAT or of any other person.

31.4.4 Waterborne traffic

Where the nature of the Works is such as to require the use by the Contractor of waterborne transport the forgoing provisions of this Clause 31.4 shall be construed as though "road" included a lock, dock, sea wall or other structure related to a waterway and "vehicle" included craft, and shall have effect accordingly.

31.5 Care of the Works, Liability for Accidents and Damage

31.5.1 Contractor to take full responsibility for care of the Works

31.5.1.1 The Contractor shall bear full risk in and take full responsibility for the care of the Works and Equipment (and, without limitation for the care of any works carried out on the Project Site by other contractors) from the Commencement Date until [14 (fourteen)] days after the date of issue of the Completion Certificate, when such responsibility for the care of the Works and Equipment shall pass to ICAT as instructed to the Contractor by the ICAT Representative.

Provided that the Contractor shall take full responsibility for (i) the care of any outstanding Works and Equipment for incorporation therein which it undertakes to finish during the Warranty Period until such outstanding Works have been completed pursuant to the Contract and for (ii) the care of the Works or any part thereof which may require repair or remedy during the Warranty Period and for any part of the Works affected thereby, for the period that such Works are under repair or remedy by the Contractor.

31.5.2 Responsibility to rectify loss or damage

31.5.2.1 If any loss or damage happens or occurs to the Works or any part thereof, or to any Equipment during the period for which the Contractor is responsible for their care the Contractor shall rectify the loss or damage at the Contractor's risk and cost, so that the Works and Equipment conform in every respect with the provisions of the Contract and are to the satisfaction of the ICAT Representative.

31.5.3 Damage to persons and property

The Contractor indemnifies and keeps indemnified ICAT against all losses and claims for death, injuries or damage to any person or any property whatsoever which may arise out of or in consequence of the Execution of the Works and the remedying of any defects therein and against all claims demands, proceedings, damages, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

31.6 Clearance of the Project Site

On Completion of the Works, the Contractor shall clear away and remove from the Project Site all equipments, surplus materials, rubbish and temporary works of every kind and leave the whole of the Project Site and the Works clean and in a workmanship condition, tidy and in an aesthetically pleasing appearance to the satisfaction of ICAT and the ICAT Representative. The Contractor shall, unless otherwise instructed in writing by ICAT Representative, remove all signs of temporary construction facilities such as such as haul roads, work areas, structures, foundations of temporary works, stockpiles of excess or waste materials and other vestiges of construction prior to the issue of the Completion Certificate

31A. SUSPENSION OF WORKS

ICAT reserves the right to suspend and re-instate the Execution of the whole or any part of the Works or the delivery of any Equipment, without invalidating the provisions of the Contract. The order for suspension or re-instatement shall be issued by the ICAT Representative to the Contractor in writing vide a suspension order and the same shall be binding on the Contractor. The Contractor shall during any suspension, properly protect and secure the Works and the goods and Equipments and shall not remove any goods or Equipments from the Project Site without the prior consent of the ICAT Representative and the Contractor shall take all reasonable measures to minimise the costs and losses of the suspension to ICAT. The Contractor shall undertake any necessary action instructed by the ICAT Representative to remedy the circumstances that led to the suspension and the Contractor shall notify the ICAT Representative immediately upon completing such action. Upon resumption of the Works, the Contractor shall immediately undertake an examination of the affected parts of the Works and shall make good any deterioration or defect in or loss of the Works, the Equipment or any part thereof that may have occurred during the suspension. The Time for Completion of the Works shall not be extended if the issue such a suspension order was due in any way to the act, default, omission or breach by the Contractor.

32. FORCE MAJEURE

32.1 Force Majeure - Obligations of the Parties

32.1.1 "Force Majeure" shall mean any event beyond the control of ICAT or of the Contractor, as the case may be, and which is unavoidable notwithstanding the reasonable care of the party affected, and which could not have been prevented by exercise of reasonable skill and care and good industry practices and shall include, without limitation, the following:

- (i) War, hostilities, invasion, act of foreign enemy and civil war;
- (ii) Rebellion, revolution, insurrection, mutiny, conspiracy, riot, civil commotion and terrorist acts;
- (iii) Strike, sabotage, unlawful lockout, epidemics, quarantine and plague;
- (iv) Earthquake, fire, flood or cyclone, or other natural disaster.

As soon as reasonably practicable but no more than 48 (forty-eight) hours following the date of commencement of any event of Force Majeure, an Affected Party shall notify the other Party of the event of Force Majeure setting out the date, nature, extent, proof and the damage cause by the Force Majeure event.

32.2 Meetings with ICAT Representative

As soon as reasonably practicable and in any case within [5 (five)] days of notification by the Affected Party in accordance with the preceding Clause 32.1, the Parties shall along with ICAT Representative and others, meet and hold discussions and where necessary conduct physical inspection and/or survey of the Works to assess the impact and formulate mitigation measures for the Force Majeure Event.

32.3 Performance obligations

32.3.1 If the Affected Party is rendered wholly or partially unable to perform any of its obligations under the Contract because of an event of Force Majeure, it shall be excused from performance of such obligations to the extent it is unable to perform provided that in case the Affected Party is the Contractor, the Contractor shall be entitled to an extension of time.

32.3.2 When the Affected Party is able to resume performance of its obligations under the Contract, it shall give to the other Party written notice to that effect forthwith and shall promptly resume performance of its obligations hereunder.

32.3.3 The Affected Party shall continue to perform such of its obligations which are not affected by the event of Force Majeure and which are capable of being performed in accordance with the Contract.

32.4 Liability for other losses, damages etc.

Save and except as expressly provided in this Clause 32 neither Party hereto shall be liable in any manner whatsoever to the other Party in respect of any loss, damage, cost, expense, claims, demands and proceedings relating to or arising out of occurrence or existence of any event of Force Majeure.

32.5 Exceptions to Force Majeure

None of the following events shall be construed to relieve any Party of its obligations hereunder by reason of Clause 32:

- (i) any changes in market conditions including without limitation changes that affect the supply prices of the Goods;
- (ii) commercial impracticability or hardship;
- (iii) a Party's lack of funds.

33. DISPUTE RESOLUTION PROCEDURE

33.1 Amicable Resolution and Mediation

33.1.1 Save where expressly stated to the contrary in the Contract, any dispute, difference or controversy of whatever nature between the Parties, howsoever arising under, out of or in relation to the Contract including disputes, if any, with regard to any acts, decision or opinion of ICAT Representative and so notified in writing by either Party to the other (the "Dispute") shall in the first instance be attempted to be resolved amicably in accordance with the procedure set out in Clause 33.1.2 below.

33.1.2 Either Party may require such Dispute to be referred to a person nominated by each Party, for amicable settlement. Upon such reference, the two shall meet at the earliest mutual convenience and in any event within [15 (fifteen)] days of such reference to discuss and attempt to amicably resolve the Dispute.

33.1.3 In the event that the Dispute in question is not resolved amicably within 15 (fifteen) days of such meeting between the Parties in accordance with Clause 33.1.2 either Party may refer the Dispute to arbitration in accordance with Clause 33.2.

33.2 Arbitration Procedure

Save where expressly stated to the contrary in the Contract, any Dispute shall be finally settled by binding arbitration under the Arbitration and Conciliation Act 1996 Act and in accordance with the UNICTRAL rules (the "Arbitration Rules") by three arbitrators appointed in accordance with the Arbitration Rules.

33.3 Place of Arbitration

The place of arbitration shall be Gurugram.

33.4 English Language

The request for arbitration, the answer to the request, the terms of reference, any written submissions, any orders and awards shall be in English and, if oral hearings take place, English shall be the language to be used in the hearings.

33.5 Enforcement of Award

The Parties agree that the decision or award resulting from arbitration shall be final and binding upon the Parties and shall be enforceable in accordance with the provisions of the Arbitration and Conciliation Act.

33.6 Performance during Arbitration

Pending the submission of and/or decision on a Dispute and until the arbitral award is published, the Parties shall continue to perform their respective obligations under the Contract without prejudice to a final adjustment in accordance with such award.

34. REPRESENTATIONS AND WARRANTIES, DISCLAIMER

34.1 Representations and Warranties of the Contractor

The Contractor represents and warrants to ICAT that:

- 34.1.1 it is duly organised, validly existing and in good standing under the laws of incorporation of companies in India or in the country of its incorporation;
- 34.1.2 it has full power and authority to execute, deliver and perform its obligations under the Contract and to carry out the transactions contemplated hereby;
- 34.1.3 it has taken all necessary corporate and other action under Applicable Laws and its constitutional documents to authorise the Execution, delivery and performance of the Contract;
- 34.1.4 it has the financial standing and capacity to Execute the Works;
- 34.1.5 the Contract constitutes its legal, valid and binding obligation enforceable against it in accordance with the terms hereof;
- 34.1.6 it is subject to the Applicable Laws with respect to the Contract and it hereby expressly and irrevocably waives any immunity in any jurisdiction in respect thereof;
- 33.1.7 it has complied with all Applicable Laws and has not been subject to any fines, penalties, injunctive relief or any other civil or criminal liabilities which in the aggregate have or may have Material Adverse Effect upon the Works;
- 33.1.8 no representation or warranty by the Contractor contained herein or in any other document furnished by it to ICAT in relation to Applicable Clearances contains or will contain any untrue statement of material fact or omits or will omit to state a material fact necessary to make such representation or warranty not misleading; and
- 33.1.9 no bribe or illegal gratification has been paid or will be paid in cash or kind by or on behalf of the Contractor to any person to procure the Contract or any other benefit under the Contract to procure other Contracts in relation to which the Contractor may be a party in relation to the Project.
- 33.1.10 without prejudice to any express provision contained in the Contract, the Contractor acknowledges that prior to the execution of the Contract, the Contractor has after a complete and careful examination made an independent evaluation of the Project Site, the Technical Conditions of Contract and any information provided by or on behalf of ICAT and has made an inspection of the Project Site and has determined to its satisfaction the nature and extent of risks and hazards as are likely to arise or may be faced by the Contractor in the course of performance of its obligations hereunder.

34. TERMINATION

34.1 Termination

- 34.1.1 Subject to the other provisions of the Contract, ICAT shall have the right to serve a notice of termination of the Contract on the Contractor and forthwith terminate the Contract without prejudice to any of its other rights and remedies against the Contractor and without being liable to pay any loss or compensation if:

(i) if any distress or execution is levied upon any of the assets of the Contractor;

(ii) at any time during the currency of the Contract there is a change in the effective control of the Contractor as at the date of the Contract;

(iii) the Contractor fails to complete, test and commission the Contractor's Works/ Project Facility within the Time for Completion or commits any other violation/breach of the terms and conditions of the Contract which is not rectified within [14 (fourteen)] days of the date of receipt of notice from ICAT in this regard.

(iv) any of the following events occurs:

(a) the passing of a resolution by the shareholders of the Contractor for the winding up of the Contractor;

(b) the appointment of a liquidator in a proceeding for the winding up of the Contractor or the Contractor entering into a compromise with its creditors; or

(c) the making by the court of an order winding up the Contractor,

(d) The Contractor either:

(i) Appoints a subcontractor without the prior approval of ICAT, or terminates any of the Subcontractor; or

(ii) having terminated any of the Subcontracts with the consent of ICAT, appoints a replacement Sub-Contractor without the prior approval of ICAT.

(e) the Contractor without the consent of ICAT assigns or transfers all or any of its rights or obligations under the Contract;

(f) the Contractor repudiates the Contract or otherwise evidences an intention not to be bound by the Contract; or

(g) the expropriation, confiscation, compulsory acquisition of the Project Facility;

(h) as a result of Force Majeure, the Contractor is unable to proceed with the Works for a period of [90(ninety)] consecutive days or [180(One Hundred and Eighty)] days in a year (whichever is less);

(i) if the Contractor or any of its servants or agents commit or suffer to be committed or omit or suffer to be omitted any act, deed, matter or thing which in the opinion of ICAT Representative whose decision (without an obligation to give reasons therefor) in this regard will be final, is prejudicial to the interests or reputation of ICAT.

(j) the Contractor offers, gives or promises any payment directly or indirectly to any government, political party, or official thereof, or any candidate for political office, or to ICAT in order to influence any substantive decision of, or induce any party or person to use its influence to offset any substantive decision of any Relevant Authority or Statutory Authority or ICAT in regard to any aspect of the Contract;

(j) the Contractor makes any warranty or representation in or in accordance with the Contract which was materially incorrect when made so as to materially affect ICAT's interests; or

(k) in the event that the Contractor's liability for Liquidated Damages reaches the cap on such damages as set out in Special Conditions of Contract and the Completion Certificate for the whole of the Works has not been issued; or

(l) fails to provide, maintain or renew and/or comply with its obligations in relation to the Performance Security; or

(v) the Contractor has, without valid reason and ICAT's consent, failed to commence the Works promptly, or fails to progress the Works regularly and/or diligently or

(vi) the Contractor has failed to adhere to the Technical Conditions of Contract and in the reasonable estimation of the ICAT Representative, such failure is likely to mean that Completion of the Works is likely to be delayed beyond the relevant Time for Completion; or

(vi) the Contractor's personnel is/are incompetent, have acted in a manner prejudicial to ICAT's best interest or have failed to comply with ICAT's health, safety, environment or other rules or regulations and procedures; or

(viii) the Contractor has failed to achieve two Milestones consecutively.

34.2 Termination Procedure

34.2.1 A notice of termination given pursuant to this Clause 34 (each a "Preliminary Termination Notice") shall specify in reasonable detail the circumstances giving rise to the Preliminary Termination Notice. If, within [21 (twenty one)] days following the service by ICAT of a Preliminary Termination Notice, the Contractor pays all sums which are due and payable to ICAT or remedies the breach to the satisfaction of ICAT existing as at the date of the Preliminary Termination Notice then such Preliminary Termination Notice shall be revoked and all existing rights of termination in favour of ICAT under the Contract shall terminate and the Contractor shall continue to perform its obligations under the Contract in a diligent and proper manner.

34.2.2 Within the period of [21 (twenty one)] days following the receipt of the Preliminary Termination Notice by the Contractor and unless the Parties shall have otherwise agreed or the circumstances giving rise to the Preliminary Termination Notice shall have ceased to exist or shall have not been remedied, ICAT may terminate the Contract by giving written notice (a "Termination Notice") to the Contractor and the Contract shall terminate on the date mentioned in the Termination Notice ("Termination Date").

34.2.3 The termination of the Contract by ICAT for reasons other than breach can be made by a written notice to the Contractor and nothing herein will obligate ICAT to terminate the Contract or be liable for any exercising its right of termination and ICAT may pursue all remedies available in law instead of termination.

34.3 Upon Termination

34.3.1 Upon Termination for any reason whatsoever, the Contractor shall to the extent instructed by the ICAT's Representative:

(i) cease all further work as instructed by the ICAT's Representative in the Termination Notice and the Contractor shall carry out works for the sole purpose of securing, preserving and protecting that part of the Works already Executed and any work required to leave the Project Site and the Works in a clean and safe condition;

(ii) remove all the Contractor's Equipment and temporary works;

(iii) repatriate the Contractor's and Subcontractor's personnel from any part of the Project Site and the Works;

(iv) deliver to ICAT the Works Executed by the Contractor as at the Termination Date;

(v) ensure that it and those it is contractually or otherwise responsible for, vacate the Project Site;

(vi) promptly and in an orderly manner deliver to ICAT all documents relating to the Works which are for the time being under the control of the Contractor;

34.3.2 Without prejudice to Clause 34.3.1 upon Termination:

(i) ICAT may enter the Project Site and the Works thereof and expel the Contractor therefrom and ICAT may complete the Works itself or by employing any third party;

(ii) ICAT may, to the exclusion of any right of the Contractor over the same, take over and have free use, without payment to the Contractor, of any Contractor's Equipment and temporary works of which have been delivered to the Project Site for such period as the ICAT's Representative considers necessary for the Execution of the Works, without being responsible to the Contractor for fair wear and tear thereof and to the exclusion of any right of the Contractor

over the same.

(iii) ICAT may at any time sell any of the said Contractor's Equipment, temporary works and any unused materials and apply the proceeds of sale in or towards for satisfaction of any sums due or which may become due to it from the Contractor under the Contract; and

(iv) ICAT shall have the power and authority to prohibit the Contractor and any person claiming through or under the Contractor from entering the Project Site.

35. MISCELLANEOUS

35.1 Assignment and Charges

35.1.1 Subject to Clauses 35.1, neither Party shall assign the Contract or the rights, benefits and obligations hereunder save and except with prior consent of the other Party.

35.1.2 The Contractor shall not create nor permit to subsist any Encumbrance over or otherwise transfer or dispose of all or any of its rights and benefits under the Contract except with prior consent in writing of ICAT, which consent shall not be unreasonably withheld.

35.2 Interest

Any sum which becomes payable under any of the provisions of the Contract by one Party to the other Party shall, if the same be not paid within the time allowed for payment thereof, shall be deemed to be a debt owed by the Party responsible for payment thereof to the Party entitled to receive the same. Such sum shall until payment thereof carry the Default Interest Rate from the due date for payment thereof until the same is paid to or otherwise realised by the Party entitled to the same.

35.3 Governing Law and Jurisdiction

The Contract shall be governed by the laws of India. In respect of all matters arising out of or relating to the Contract, the Courts at New Delhi, India shall have the jurisdiction to decide the matter.

35.4 Waiver

35.4.1 Waiver by either Party of any default by the other Party in the observance and performance of any provision of or obligations under the Contract:

(i) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions or obligations under the Contract;

(ii) shall not be effective unless it is in writing and executed by a duly authorised representative of such Party; and

(iii) shall not affect the validity or enforceability of the Contract in any manner.

35.4.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of the Contract or any obligation hereunder nor time or other indulgence granted by a Party to the other Party shall be treated or deemed as waiver/breach of any terms, conditions or provisions of the Contract.

35.5 Survival

Termination or expiry of the Contract (i) shall not relieve ICAT or the Contractor of any obligations already incurred hereunder which expressly or by implication survives termination hereof, and (ii) except as otherwise provided in any provision of the Contract expressly limiting the liability of either Party, shall not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of or caused by acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

35.6 Amendments

The Contract constitutes a complete and exclusive understanding of the terms of the Contract between the Parties on the subject hereof and no amendment or modification hereto shall be valid and effective unless agreed to by all the Parties hereto and evidenced in writing.

35.7 Severability

If for any reason whatsoever any provision of the Contract is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties shall negotiate in good faith with a view to agreeing upon one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable. Provided failure to agree upon any such provisions shall not be subject to dispute resolution under this Contract or otherwise.

35.8 No Partnership

Nothing contained in the Contract shall be construed or interpreted as constituting a partnership between the Parties. Neither Party shall have any authority to bind the other in any manner whatsoever. The Contract shall be construed to have been entered on a principal to principal basis.

35.9 Entire Agreement

The Contract constitutes the entire agreement between the Parties and supersedes all prior negotiations, commitments, representations, communications and agreements relating to the Contract either oral or in writing except to the extent they are expressly incorporated herein. The Contractor confirms that it has not relied upon any representation inducing it to enter into the Contract (whether or not such representation has been incorporated as a term of the Contract) and agrees to waive any right which it might otherwise have to bring any action in respect of such representation. The Contractor further confirms that there is not in existence at the date of the Contract any collateral contract or warranty of which the Contractor is the beneficiary which might impose upon ICAT obligations which are in addition to or vary the obligations expressly contained in the Contract and which relate in any way to the subject matter of the Contract. The Contractor's only rights arising out of, or in connection with, any act, matter or thing said, written or done, or omitted to be said, written or done, by or on behalf of ICAT (or any agent, employee or subcontractor of ICAT) in negotiations leading up to the Contract or in the performance or purported performance of the Contract or otherwise in relation to the Contract are the rights to enforce the express obligations of ICAT contained in the Contract and to bring an action for breach thereof. Nothing in this Clause 35.9 is intended to exclude liability of the Contractor for fraud or fraudulent misrepresentation.

35.10 Liability and Indemnity

35.10.1 The Contractor shall indemnify, defend and hold ICAT harmless against any and all proceedings, actions and third party claims arising out of a breach or omission or non-performance by the Contractor of any of its obligations under the Contract except to the extent that any such claim has arisen due to breach by ICAT of any of its obligations under the Contract.

35.10.2 In the event that either Party receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under the Contract (the "Indemnified Party") it shall notify the other Party ("Indemnifying Party") within [7 (seven)] days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, provided that, such approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim it may conduct the proceedings in the name of the Indemnified Party subject to the Indemnified Party being secured against any costs involved to its reasonable satisfaction.

35.10.3 The Indemnified Party shall have the right, but not the obligation, to contest, defend and litigate any claim, action, suit or proceeding by any third party alleged or asserted against such party in respect of, resulting from, related to or arising out of any matter for which it is entitled to be indemnified hereunder and their reasonable costs and expenses

shall be indemnified by the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the person indemnified in respect of loss to the full extent provided by this Clause 35.10, the Indemnifying Party shall be entitled, at its option, to assume and control the defence of such claim, action, suit or other proceedings, liabilities, payments and obligations at its expense and through counsel of its choice provided it gives prompt notice of its intention to do so to the Indemnified Party and reimburses the Indemnified Party for the reasonable cost and expenses incurred by the Indemnified Party prior to the assumption by the Indemnifying Party of such defence. The Indemnifying Party shall not be entitled to settle or compromise any claim, action, suit or proceeding without the prior written consent of the Indemnified Party unless the Indemnifying Party provides such security to the Indemnified Party as shall be reasonably required by the Indemnified Party to secure, the loss to be indemnified hereunder to the extent so compromised or settled.
