In the event the bidder does not comply with the technical specification, he shall be disqualified, and any deviation proposed on technical specification from the bidder end will not be considered at all Disqualified bidders will not be eligible to make any claim. Those bidders who meet our technical requirements will be moved forward for financial evaluation. The order would be awarded to the L1 bidder among the technically qualified bidders.
- Tender form is not transferable.
- Interested bidders must quote compulsorily for all the item's as per "**Annexure B**", else their bid will not be considered for further processing and shall be liable for disqualification without further notice.
- ICAT reserve the right to reject any or all the tenders in part of full without assigning any reason thereof.
- The supply order shall be placed on single bidder for complete item of Annexure "B" the basis of overall L-1 bidder.

- The comparison of the bids shall be on basis of total price (Inclusive of all taxes etc) quoted by the bidder. No comparison of individual item will be made the individual item charge is only for reference purpose of this office.
- All the quotation should be sent to undersigned and stamped along with Tender Document in duly sealed envelope in Proper Manner and Proper mention the Tender Number and Subject.
- It is the responsibility of the bidder to supply the instrument safely to ICAT without any damage. In case of any damage during transit, damaged material will not be accepted.
- In the event of any dispute on this account, the decision of ICAT shall be final and binding on the Contractor/supplier.

Annexure-B

Technical Specification of 12V 180Ah and 12V 125Ah Lead Acid Conventional Batteries with Buy Back Option at ICAT Centre - 2, Manesar (Haryana)."

New Batteries Specification:

| SI No. | Particulars | Unit | Quantity |
|--------|---|------|----------|
| 1. | New Lead Acid Conventional Battery Rating: 180Ah & 12V Dimension: 521(L) X 278(W) X 270(H) In MM | Nos. | 10 |
| 2. | New Lead Acid Conventional Battery Rating: 125Ah & 12V Dimension: 410(L)X176(W)X240(H) In MM | Nos. | 4 |

Buy Back Batteries Details:

| SI No. | Particulars | Unit | Quantity |
|--------|---|------|----------|
| 1. | Lead Acid Conventional Type (Model No. FXPO-XP1800), 12V 180Ah (Make: Exide) | Nos. | 5 Nos. |
| 2. | Lead Acid Conventional Type (Model No. FXPO-XP2000), 12V 200Ah (Make: Exide) | Nos. | 4 Nos. |

Other Terms and Conditions:

- The new battery supplied shall fit into the existing battery rack, else vendor shall provide suitable battery rack along with battery set within the rate quoted. Any deviation from the specified battery dimensions will only be acceptable under the following conditions. The bidder will be disqualified if they do not agree to any of the options given below:

Option I: If the bidder agrees to install batteries in the existing battery bank racks, including the required accessories such as terminal and connectors, at their own expense. ICAT will not cover any expenses for fitting the batteries in the existing battery bank.

Or

Option II: If the bidder's proposed battery dimensions do not fit in the existing battery bank rack, the bidder will be responsible for providing new battery bank rack according to their proposed dimensions, along with all necessary accessories for fitting the batteries, at no cost. ICAT will not cover any costs for the new battery bank rack and accessories.

- The offered battery should be manufactured in India.
- Battery should not be more than 6 Months old at the time of supply.
- The batteries quoted are note “**end-of-life or end-of-sale products**” as of the bid submission date. If the support for the product quoted has been stopped or withdrawn until the time of delivery of Batteries, the same will be changed with the superior product at no extra cost.
- The new battery supplied shall fit into the existing battery rack, else vendor shall provide suitable battery rack along with battery set within the rate quoted.
- Buy Back: The bidder should have a valid license to buy back old batteries or have authorization from OEM's. The bidder will be entirely responsible for the safe disposal of old batteries without affecting the environment in any manner as per prevailing statutory rules and Act/Law of the Land.
- The Battery set shall be installed in the existing battery rack at ICAT Centre - 1, Manesar. The work includes transportation of Battery Set at ICAT Installation Site, release of Old Battery Set, Installation of New Battery Set, buy back of old released battery set. The supplier shall provide the required battery interconnecting cable and fixing material for the installation of the Battery Set.
- **The successful bidder must remove the old goods from the ICAT premises at the time of the supply, installation, and commissioning of fresh batteries. The seller will be entitled to payment only after the removal of old batteries from ICAT premises and after successful supply, installation, testing and commissioning of new batteries in terms of the contract.**
- **The bidder shall provide a comprehensive onsite warranty of 2 Years (12 Months) for the new batteries. The period of comprehensive on-site warranty will start from the date of installation of items but not later than 30 days from the date of supply of items in the ICAT. The bidders shall furnish and undertake from the OEM of the concerned product that they shall supply spares for the quoted product for one year after the warranty period is over.**
- The bidder should quote the products strictly as per the tender specifications. Complete technical details, along with the brand, specification, technical literature, etc., highlighting the specifications, must be supplied along with the technical bid. A Statement of Compliance shall be given against each item in the prescribed format given in the Technical Specification. The compliance statements should be supported by authentic documents. Each page of the bid and cutting/corrections shall be duly signed and stamped by the authorised signatory. Failure to comply with this requirement may result in the bid being rejected.
- **Delivery, Installation, and Commissioning:** The delivery of items, testing, and installation, in all respects, must be completed along with the delivery of warranty documents within **90** days from the receipt of the purchase order.
- Sub-contracting is not allowed.

- **Insurance of Equipment's:** Material must be properly packed against any damage and insured up to the destination. The material should be supplied directly to ICAT, Manesar. All the expenses involved in shipping the equipment to ICAT Manesar shall be borne by the bidder. All aspects of safe delivery shall be the exclusive responsibility of the bidder. ICAT will have the right to reject components or equipment supplied if they do not comply with the specification at any point of installation or inspection. If any equipment or part thereof is lost or rendered defective during transit, the supplier shall immediately arrange for the supply of equipment or part thereof, as the case may be, at no extra cost.
- **Delivery Terms:** FOR ICAT Project Site (Packing, Forwarding, Loading, Transportation, Insurance, and Unloading of Batteries and its Accessories as Per Technical Specifications Up to ICAT Project Site in Bidder Scope).
