1. If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
2. If the bidder is a Startup, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to their meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Preference to Make In India products (For bids < 200 Crore):Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are

not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

OM No.1 4 2021 PPD dated 18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

5. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 OM No.1 4 2021 PPD dated 18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

6. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 20% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

7. Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bid amongst N sellers, then minimum N sellers would be taken to RA round. In case Primary products of only one OEM are left in contention for participation in RA based on lowest 50% bidders qualifying for RA, the number of sellers qualifying for RA would be increased to get at least products of one more OEM (directly participated or through its reseller) if available. Further, if bid(s) of any seller(s) eligible for MSE preference is / are coming within price band of 15% of Non MSE L-1 or if bid of any seller(s) eligible for Make in India preference is / are coming within price band of 20% of non MII L-1, then such MSE / Make in India seller shall also be allowed to participate in the RA process.

Other Technical Conditions:

1. **Bid Submission and Compliance Condition for G-Onboard LED System:** Bidders are required to submit their quotations strictly in accordance with the specifications outlined in the tender document. The following conditions must be adhered to for the technical bid submission:
 - **Complete Technical Details:** Bidders must provide comprehensive technical details for the G-Onboard LED System, including but not limited to, the brand, specifications, and relevant technical literature that clearly highlight the features and specifications of the system. These details must be aligned with the requirements outlined in the tender.
 - **Statement of Compliance:** A Statement of Compliance, formatted in alignment with the Technical Specifications provided in the tender, must be submitted for each item offered. The Statement of Compliance must explicitly indicate whether the system and its components meet the specifications or if there are any deviations. If deviations exist, these must be clearly mentioned and justified.

Additional Terms & Conditions (ATC)

- **Supporting Documentation:** The Statement of Compliance must be supported by authentic, verifiable documentation, such as product brochures, technical data sheets, certificates, or any other relevant documents that substantiate the compliance with the tender specifications.
 - **Signed and Stamped Bid Pages:** Each page of the bid, including any amendments or corrections, must be duly signed and stamped by the authorized signatory of the bidder. This ensures the authenticity and acceptance of the bid content.
 - **Rejection of Non-Compliant Bids:** Failure to comply with the above-mentioned requirements, including the submission of incomplete or non-compliant technical documentation, may result in the rejection of the bid.
 - **Bidders must ensure full compliance with all specifications to avoid disqualification.**
2. **Live Demonstration of G-Onboard LED System:** The successful bidder must provide a live demonstration of the G-Onboard LED System, including all associated components and functionalities, prior to delivery. The demonstration shall be conducted at a location mutually agreed upon by the ICAT and the successful bidder. The purpose of the demonstration is to verify the system's performance, functionality, and compliance with the specifications outlined in the tender.
- The bidder must ensure that all aspects of the system, including installation, operation, and testing procedures, are fully demonstrated. Any deficiencies identified during the demonstration must be addressed and rectified by the bidder at no additional cost to the ICAT.
- The delivery of the system will only be authorized after the successful completion of the live demonstration and the ICAT satisfaction with the system's performance.
3. **Product Availability and Support Condition for G-Onboard LED System:** The product offered must not be classified as "end-of-life" (EOL) or "end-of-sale" (EOS) as of the bid submission date. The bidder must ensure that the quoted product remains available for sale and supported for the entire duration of the contract. In the event that support for the quoted product is discontinued or withdrawn prior to delivery, the bidder shall, at no additional cost to the ICAT, provide a replacement product that is a superior alternative and meets or exceeds the original specifications. The replacement product must be of equivalent or higher quality and functionality, ensuring that it fully satisfies the ICAT requirements without causing any disruption. The bidder is responsible for ensuring that any such replacement is seamlessly integrated into the system, and that all required support, including documentation, warranty, and technical assistance, is provided for the replacement product.
4. **Warranty Condition for G-Onboard LED System:** The G-Onboard LED System, including all associated components and accessories, shall be covered by a comprehensive warranty for a period of 12 months, commencing from the date of successful installation, testing, and commissioning. During the warranty period, the successful bidder shall provide repair or replacement services for any defective parts resulting from manufacturing defects or material failure, at no additional cost to the purchaser.
- **Coverage:** The warranty shall cover all defects in materials, workmanship, and performance issues arising under normal operating conditions. It shall include labour, transportation, and all costs associated with the repair or replacement of defective components.
 - **Exclusions:** The warranty shall not apply to defects caused by misuse, improper handling, unauthorized modifications, or damage resulting from accidents or external factors beyond normal operational use.

Additional Terms & Conditions (ATC)

- **Warranty Declaration:** The successful bidder must provide a warranty declaration on the OEM's letterhead, confirming the 12-month warranty coverage against manufacturing defects.
 - **Replacement:** If any part of the system fails during the warranty period, the bidder shall, at no additional cost to the purchaser, replace the defective part with a new one that meets or exceeds the original specifications.
 - The warranty period will be extended if repairs or replacements are conducted close to the end of the warranty period to ensure that the system remains covered for the full 12-month term.
5. **Delivery, Installation, Testing, Commissioning and Training Clause for G-Onboard LED System:** The successful bidder shall ensure the delivery, installation, testing, commissioning, and training of the G-Onboard LED System within 120 days from the date of the GeM Purchase Order. The following specific requirements shall apply:
- **Delivery:** The G-Onboard LED System and all associated accessories must be delivered to the designated location as per the terms outlined in the GeM Purchase Order, within the stipulated 120-day period. The delivery shall include all necessary items required for the complete setup and operation of the system.
 - **Installation:** Upon delivery, the supplier shall be responsible for the proper installation of the G-Onboard LED System, ensuring that all components are correctly set up as per the manufacturer's guidelines and specifications. Installation must be carried out by qualified personnel to ensure the system functions optimally.
 - **Testing:** After installation, the system shall undergo thorough testing to verify its proper operation. This includes functionality checks of the LED indicators, onboard sensors, and integration with any other related systems. The supplier must demonstrate the system's ability to perform in accordance with the required specifications and intended use.
 - **Commissioning:** Upon successful testing, the system shall be formally commissioned, and the system's performance shall be fully validated to ensure it meets all contractual requirements. The supplier shall provide necessary training to the designated personnel of the purchaser for the operation and maintenance of the system.
 - **Training:** The successful bidder shall deliver comprehensive training to ICAT's designated personnel on the proper operation, maintenance, and troubleshooting of the G-Onboard LED System. The training will encompass all aspects of the system, including installation, configuration, usage, safety procedures, and basic fault diagnosis.
 - **Completion:** The delivery, installation, testing, and commissioning process shall be considered complete when the G-Onboard LED System is fully operational and accepted by the ICAT, and any issues identified during testing or commissioning are resolved to the ICAT satisfaction.
 - Failure to complete the delivery, installation, testing, and commissioning within the specified 120-day period shall result in penalties as per the terms outlined in the tender document.
6. **Performance Bank Guarantee (PBG):** The successful bidder shall submit a **Performance Bank Guarantee (PBG)** as a security for the fulfilment of the contract. The PBG shall be provided as per the following terms:
- **Amount:** The PBG shall be equivalent to 5% of the total contract value and shall be submitted in the form of a bank guarantee issued by a scheduled commercial bank in favour of "International Centre For Automotive Technology".

Additional Terms & Conditions (ATC)

- **Validity:** The PBG shall remain valid for a minimum period of 60 days beyond the warranty period i.e., 12 Months, ensuring coverage for the entire warranty period and any obligations associated with it. The validity period must account for the time required for any warranty claims or post-delivery support.
 - **Purpose:** The PBG shall serve as a guarantee for the bidder's performance, ensuring that the G-Onboard LED System is delivered, installed, tested, and commissioned in accordance with the terms and specifications outlined in the tender. It will also cover the bidder's obligations related to warranty and post-delivery support.
 - **Release of PBG:** The Performance Bank Guarantee shall be released upon successful completion of the warranty period and after the fulfillment of all contractual obligations, including satisfactory installation, testing, commissioning, and acceptance of the system by ICAT.
 - **The PBG shall be forfeited in the case of:**
 - Non-performance or non-compliance with the terms and conditions of the contract.
 - Failure to resolve any issues or defects during the warranty period.
 - Non-delivery, delayed delivery, or failure to meet specifications as outlined in the tender.
 - The bidder shall submit the PBG within **15 days** from the date of the purchase order, and failure to do so may result in the cancellation of the contract.
7. **Insurance of Equipment and Accessories for G-Onboard LED System:** All materials, including the G-Onboard LED System and associated accessories, must be securely packed to prevent any damage during transit. The bidder shall arrange and bear the full cost of shipping and insurance for the equipment, covering the entire value of the goods up to the delivery destination at ICAT, Manesar.
- The bidder is solely responsible for ensuring the safe and timely delivery of the materials directly to ICAT, Manesar, and for the proper handling of all shipping and insurance procedures.
- ICAT reserves the right to reject any components or equipment that do not meet the specified requirements during installation, testing, or inspection.
- In the event that any equipment or part thereof is lost or damaged during transit, the bidder shall, at no additional cost to the purchaser, immediately provide a replacement to ensure the continuity of the project without delay. The replacement must meet or exceed the original specifications and be delivered without impacting the project timeline.
8. **Sub-Contracting Not Allowed for G-Onboard LED System:** Sub-contracting for the Supply, Installation, Testing, and Commissioning (SITC) of the G-Onboard LED System, including all associated components and accessories, is strictly prohibited under this tender. The bidder shall carry out all work related to SITC directly and shall not engage any third party or subcontractor to perform any part of the contract. The successful bidder will be solely responsible for the full performance and compliance with all terms, conditions, and specifications as outlined in the tender. Any attempt to sub-contract any aspect of the SITC process will result in the immediate rejection of the bid or, if the contract has been awarded, may lead to the cancellation of the contract. This condition ensures that the bidder assumes full responsibility for the quality and timely execution of the contract without reliance on third parties.

The bidder must ensure that the quoted product remains available for sale and supported for the entire duration of the contract. In the event that support for the quoted product is discontinued or withdrawn prior to delivery, the bidder shall, at no additional cost to the ICAT, provide a replacement product that is a superior alternative and meets or exceeds the

Additional Terms & Conditions (ATC)

original specifications. The replacement product must be of equivalent or higher quality and functionality, ensuring that it fully satisfies the ICAT requirements without causing any disruption. The bidder is responsible for ensuring that any such replacement is seamlessly integrated into the system, and that all required support, including documentation, warranty, and technical assistance, is provided for the replacement product.

- 14. Insurance of Equipment and Accessories for G-Onboard LED System:** All materials, including the G-Onboard LED System and associated accessories, must be securely packed to prevent any damage during transit. The bidder shall arrange and bear the full cost of shipping and insurance for the equipment, covering the entire value of the goods up to the delivery destination at ICAT, Manesar.

The bidder is solely responsible for ensuring the safe and timely delivery of the materials directly to ICAT, Manesar, and for the proper handling of all shipping and insurance procedures.

ICAT reserves the right to reject any components or equipment that do not meet the specified requirements during installation, testing, or inspection.

In the event that any equipment or part thereof is lost or damaged during transit, the bidder shall, at no additional cost to the purchaser, immediately provide a replacement to ensure the continuity of the project without delay. The replacement must meet or exceed the original specifications and be delivered without impacting on the project timeline.

- 15. Warranty Condition for G-Onboard LED System:** The G-Onboard LED System, including all associated components and accessories, shall be covered by a comprehensive warranty for a period of 12 months, commencing from the date of successful installation, testing, and commissioning. During the warranty period, the successful bidder shall provide repair or replacement services for any defective parts resulting from manufacturing defects or material failure, at no additional cost to the purchaser.

15.1 Coverage: The warranty shall cover all defects in materials, workmanship, and performance issues arising under normal operating conditions. It shall include labour, transportation, and all costs associated with the repair or replacement of defective components.

15.2 Exclusions: The warranty shall not apply to defects caused by misuse, improper handling, unauthorized modifications, or damage resulting from accidents or external factors beyond normal operational use.

Additional Terms & Conditions (ATC)

- 15.3 Warranty Declaration:** The successful bidder must provide a warranty declaration on the OEM's letterhead, confirming the 12-month warranty coverage against manufacturing defects.
- 15.4 Replacement:** If any part of the system fails during the warranty period, the bidder shall, at no additional cost to the purchaser, replace the defective part with a new one that meets or exceeds the original specifications.
- 15.5** The warranty period will be extended if repairs or replacements are conducted close to the end of the warranty period to ensure that the system remains covered for the full 12-month term.
- 16. Unsatisfactory Performance:** The bidder herein agree that ICAT shall have sole and discretionary right to assess the performance(s) of the Bidder Component(s), either primary and or final, and ICAT, without any liability whatsoever, wither direct or indirect, may reject the system(s) component(s) provided by the Bidder, in part or in its entirety, without any explanation to the Bidder, either during the pre and or post test period should the same be unsatisfactory and not to the acceptance of ICAT. Bidder covenants to be bound by the decision of ICAT without any demur in such an eventuality.
- 17. Performance Bank Guarantee (PBG):** The successful bidder shall submit a Performance Bank Guarantee (PBG) as a security for the fulfilment of the contract. The PBG shall be provided as per the following terms:
- **Amount:** The PBG shall be equivalent to 5% of the total contract value and shall be submitted in the form of a bank guarantee issued by a scheduled commercial bank in favour of “**International Centre For Automotive Technology**”.
 - **Validity:** The PBG shall remain valid for a minimum period of 60 days beyond the warranty period i.e., 12 Months, ensuring coverage for the entire warranty period and any obligations associated with it. The validity period must account for the time required for any warranty claims or post-delivery support.
 - **Purpose:** The PBG shall serve as a guarantee for the bidder’s performance, ensuring that the G-Onboard LED System is delivered, installed, tested, and commissioned in accordance with the terms and specifications outlined in the tender. It will also cover the bidder’s obligations related to warranty and post-delivery support.
 - **Release of PBG:** The Performance Bank Guarantee shall be released upon successful completion of the warranty period and after the fulfillment of all contractual obligations,

Additional Terms & Conditions (ATC)

including satisfactory installation, testing, commissioning, and acceptance of the system by ICAT.

- **The PBG shall be forfeited in the case of:**
 - Non-performance or non-compliance with the terms and conditions of the contract.
 - Failure to resolve any issues or defects during the warranty period.
 - Non-delivery, delayed delivery, or failure to meet specifications as outlined in the tender.
- The bidder shall submit the PBG within **15 days** from the date of the purchase order, and failure to do so may result in the cancellation of the contract.
- **No Interest in Performance Bank Guarantee:** ICAT shall not be liable to pay any interest on the amount of the Performance Bank Guarantee (PBG).

18. Please ensure that ATC documents must be signed and stamped on all pages as a token of acceptance of all the terms and conditions.

19. **Termination of Contract:** If the performance of the vendor is not satisfactory in timely delivery of item or quality of product delivered then the same will be informed in writing by ICAT as warning letter and if in spite of issue of warning letter, the items are not delivered or quality of delivered product is not satisfactory as per expectation of ICAT within a fortnight then second warning letter will be issued.

If after issue of the second warning letter also performance doesn't satisfy ICAT expectations, then ICAT reserves the right to terminate the work order by giving one-month notice in writing without assigning any further reason whatsoever.

After the contract becomes null and void the amount deemed payable to the vendor (if any) will sine die without any further payment. No further claim from the vendor will be entertained.

After the contract comes to an end the vendor will withdraw their service/equipment from ICAT premises within a month.

Decision of competent authority of ICAT regarding determining the performance will be final.

20. **Confidential Information:** ICAT and Selected Bidder shall keep confidential and not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of contract.

Additional Terms & Conditions (ATC)

21. **Any Dispute/Difference arising out of or relating to this tender:** Matter regarding any dispute shall be referred for arbitration to any office appointed by the Director of ICAT, whose decision shall be binding and final. Even after arbitration if any questions, disputes and/or difference arise under and out of, or in connection with the work, if concluded, shall be referred to the **High Court of Haryana or any other court in the District of Gurugram (Haryana)**.
22. The tender document is not an offer and is issued with no commitment. ICAT reserves the right to withdraw this notice inviting tender or vary any part thereof at any stage. ICAT further reserves the right to disqualify any bidder, should it be so necessary at any stage. ICAT reserves the right to reject any or all the tenders, wholly or partly without assigning any reason thereof and shall not be bound to accept the lowest tender.
23. Law of the Republic of India are applicable to this tender.
24. **Qualification Criteria:** The bidder whose bid meets the technical specification and evaluation criteria given above would only be considered (As per conditions mentioned in Evaluation Criteria).
25. **System of Award of Contract:** The bidder who satisfies the qualification criteria and offers lowest (L1) would be selected.
26. **Force Majeure:** Force Majeure is herein defined as any cause, which is beyond control of the selected Bidder or the ICAT as the case may be which they could not foresee, or this a reasonable amount of diligence could not have foreseen, and which substantially affect the performance of the Contract, such as:
Natural phenomena, including but not limited to floods, droughts, earthquakes, epidemics; Acts of any Government, including but not limited to war, declared or undeclared, priorities, quarantines, embargoes; Terrorist attacks, public unrest in work are Restriction, Freight Embargo; provided either party shall within ten (10) days from the occurrence of such a cause notify the other in writing of such causes.
