एमएसई खरीद वरीयता/MSE Purchase Preference

1. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price. The buyers are advised to refer to the [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if the credentials of the service provider are validated on-line in GeM profile as well as validated and approved by the Buyer after evaluation of submitted documents.
2. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.
3. Past Experience of Similar Services: The bidder must have successfully executed/completed similar Services over the last three years i.e. the current financial year and the last three financial years(ending month of March prior to the bid opening): -
1. Three similar completed services costing not less than the amount equal to 40% (forty percent) of the estimated cost; or
 2. Two similar completed services costing not less than the amount equal to 50% (fifty percent) of the estimated cost; or
 3. One similar completed service costing not less than the amount equal to 80% (eighty percent) of the estimated cost.
4. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:
- i. If number of technically qualified bidders are only 2 or 3.
 - ii. If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
 - iii. In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
 - iv. If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
 - v. If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

अस्वीकरण/Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Any ATC clause in contravention with GeM GTC Clause 4 (xiii)(h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
16. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
17. In a category based bid, adding additional items, through buyer added additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers / Service Providers are mandated to ensure compliance with all the applicable laws / acts / rules including but not limited to all Labour Laws such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972 etc. Any non-compliance will be treated as breach of contract and Buyer may take suitable actions as per GeM Contract.

This Bid is governed by the [सामान्य नियम और शर्तें/General Terms and Conditions](#), conditions stipulated in Bid and [Service Level Agreement](#) specific to this Service as provided in the Marketplace. However in case if any condition specified in सामान्य नियम और शर्तें/General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement, then it will over ride the conditions in the General Terms and Conditions.

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

Equipment Details for Reconditioning: The scope of work under this tender involves the comprehensive reconditioning of the Inverter and Power Drive Units installed in the VTC-1 Chassis Dynamometer System at ICAT Centre-1, Manesar, Haryana. The bidder shall undertake all necessary activities to restore the equipment to its original operational condition, as per OEM standards.

The technical details of the equipment are provided below for the bidder's reference:

- **Make:** AVL
- **Drive Model:** ACS800-104-0400-5+V991
- **Input Frequency Range:** 48 Hz to 63 Hz
- **Input Voltage:** 380 V to 500 V (Three Phase)
- **Continuous Maximum Current:** 455 A
- **Rated Output Power (No Overload):** 315 kW

ATC – Additional Terms & Conditions

The reconditioning process shall ensure that all functional, safety, control, and calibration parameters of the equipment are restored to OEM-specified performance levels, and the system is fully operational upon completion.

Other Technical Conditions:

1. **Scope of Work:** The scope involves the complete reconditioning of Inverter and Power Drive Units installed in the AVL Make Chassis Dynamometer System, including diagnostics, repair, replacement of faulty parts, calibration, and testing. The bidder shall ensure compatibility and functionality of the system post-repair.
2. **Site Visit:** All interested bidders are required to conduct site visit to the ICAT Centre-1, Manesar, Haryana, to physically inspect the AVL Make Chassis Dyno System, including the installed Inverter and Power Drives, prior to submission of the bid. The purpose of the site visit is to allow bidders to assess the existing installation, understand technical and logistical requirements, evaluate the nature and extent of the reconditioning work, and clarify any technical or operational constraints. Bidders must schedule the visit in advance by contacting the designated ICAT official via email or phone, as specified in the tender notice. Site visits will be permitted only on working days during office hours and must be completed no later than 5 (five) working days prior to the last date of bid submission. All expenses related to the site visit shall be borne by the bidder. ICAT will not be responsible for any logistical or travel arrangements of the bidders.
3. **Technical Requirements**
 - Only genuine or OEM-recommended spare parts/components shall be used.
 - Diagnostic and testing reports must be provided before and after the reconditioning.
 - All reconditioned units must be calibrated and validated to function at par with OEM specifications.
 - The system should be fully integrated and tested post-installation at the ICAT premises.
4. **Delivery and Completion Period**
 - The timeline for the completion of reconditioning, including shipping, reinstallation, and testing, shall not exceed 180 days from the date of issuance of the Purchase Order.
 - Any delay beyond the stipulated period will attract liquidated damages at the rate of 0.5% per week, subject to a maximum of 10% of the contract value.
5. **Liquidated Damages (LD):** The entire reconditioning activity, including removal, repair, reinstallation, and testing of the Inverter and Power Drives of the **AVL Make Chassis Dyno System**, shall be completed strictly within the time period stipulated in the Purchase Order. In the event of delay in completion of the work beyond the specified schedule, the successful bidder shall be liable to pay Liquidated Damages (LD), not as a penalty but as a genuine pre-estimate of loss, at the rate of **0.5% (half percent)** of the total contract value per week of delay or part thereof. The total cumulative LD shall not exceed **10% (ten percent)** of the total contract value. Once the maximum limit is reached, ICAT reserves the right to initiate termination proceedings, risk purchase, or any other action deemed appropriate under the contract. The imposition of LD shall be without prejudice to other remedies available to ICAT under the terms of the contract.
6. **Import Compliance**
 - The bidder shall be responsible for export and import documentation, packaging, customs clearance, and transportation of units both ways (to and from India).
 - Any applicable duties and taxes in the country of origin shall be borne by the supplier.

ATC – Additional Terms & Conditions

7. Warranty & Post-Reconditioning Support

- Minimum 12-month warranty shall be provided for all reconditioned parts/components from the date of acceptance.
- The bidder shall ensure availability of technical support and spares during the warranty period.
- Any failure during the warranty period must be attended to within **2 working days of notification**.

8. Payment Terms

- 80% payment shall be released upon successful delivery and re-installation of the reconditioned units at the site.
- 20% shall be released after successful performance testing and acceptance by ICAT.

9. Performance Guarantee: The successful bidder shall furnish Performance Bank Guarantee (PBG) equivalent to 5% of the contract value, valid for the entire warranty period.

10. Risk Purchase: In case the selected bidder fails to deliver within the stipulated time or as per the specifications, ICAT reserves the right to procure the same services from an alternative source at the cost and risk of the defaulting bidder.

11. The bidder must clearly indicate whether the service involves complete off-site shipment or on-site repair.

12. All shipping-related coordination shall be conducted in consultation with the ICAT logistics team.

13. The supplier shall ensure full data confidentiality and not use any proprietary information or system data for any unauthorized purpose.

14. Sub-Contracting Prohibited: The bidder shall execute the entire scope of work under this tender directly, without engaging any third party or subcontractor. All activities—including removal, repair, reinstallation, calibration, and testing of the Inverter and Power Drives—must be carried out using the bidder's own resources and personnel. The bidder shall remain solely responsible for full performance and compliance with all contractual obligations. Any attempt at sub-contracting shall be treated as a material breach, entitling ICAT to take appropriate legal and contractual action, including termination and forfeiture of security.

15. Liability for Damage, Loss, or Incident: The bidder shall exercise the highest degree of care and diligence in handling, transporting, repairing, and reinstalling the Inverter and Power Drives of the AVL Make Chassis Dyno System. The bidder shall be fully liable for any damage, loss, theft, or incident affecting the equipment during the entire period of reconditioning, including removal, shipment (if applicable), storage, repair, and reinstallation. In the event of any such occurrence, the bidder shall, at its own cost and without any delay, repair or replace the affected equipment to the satisfaction of ICAT, ensuring that the system is restored to its original operational condition as per OEM specifications. This liability shall be absolute and shall not be limited by any insurance coverage, third-party involvement, or force majeure, except as expressly provided under the contract. ICAT shall have the right to recover the full cost of replacement, repair, or restoration, including any consequential damages or operational losses, from the bidder or from any amounts due or performance security held under the contract.

16. Project/Billing Address: International Centre For Automotive Technology (Centre – 1), Plot No. 26, Sector – 3, IMT Manesar, Gurugram – 122051 (GST No. 06AABAN9435G2ZI).

17. Transportation, Handling, and Delivery

- **FOR ICAT Project Site:** The scope of the bidder shall include the complete responsibility for To & Fro logistics of the equipment/material covered under this tender, on a FOR

ATC – Additional Terms & Conditions

(Free on Road/Rail) ICAT Project Site basis, including all incidental costs and arrangements. The following conditions shall apply:

- **Scope of Logistics Responsibility:** The bidder shall be solely responsible for the packing, forwarding, loading, transportation, transit insurance, unloading, and safe delivery of the material/equipment to and from the ICAT Centre – 1, Manesar, Haryana.
- **Packing & Handling:** The bidder shall ensure that the equipment is appropriately packed using industry-standard practices to prevent damage during transit. Special care shall be taken for sensitive electronic and power drive components.
- **Transportation:** All transportation (both outbound and inbound, if equipment is to be sent to an external facility for reconditioning) shall be arranged by the bidder at their own cost and risk. No separate payment shall be made for any transportation, labour, handling, or related activity.
- **Transit Insurance:** Comprehensive transit insurance covering the full value of the equipment shall be arranged by the bidder for both directions of movement. ICAT shall not be liable for any loss, theft, damage, or deterioration of material during transportation or handling.
- **Unloading at Site:** The bidder shall be responsible for the safe unloading of the equipment at ICAT's project site and for any damage caused due to mishandling at any stage.
- **Delivery Terms:** All deliveries shall be deemed complete only upon successful unloading and handover of the equipment at ICAT Centre – 1, Manesar, in good working condition, duly acknowledged by the Engineer-in-Charge.

18. **Disqualification Clause:** Bidders are required to meet all the eligibility, technical, and qualification criteria as specified in this tender document. Failure to comply with any one of the stipulated conditions or criteria shall result in the immediate disqualification of the bid, at any stage of the evaluation process, without any further notice or obligation on the part of the Purchaser. The Purchaser reserves the right to reject such bids without assigning any reason and without entertaining any representation in this regard. The decision of the Purchaser in determining the responsiveness and qualification of bids shall be final, binding, and non-contestable.

Eligibility & Evaluation Criteria

Eligibility Criteria: A bidder participating in the procurement process shall possess the following eligibility criteria: Any bid failing to meet the stated criteria shall be summarily rejected and will not be considered for financial evaluation.

Eligibility Criteria for the Bidders:

1. **Legal Valid Entity:** The bidder shall necessarily be a legal valid entity in the form of a proprietary firm, partnership firm, private limited company, or agency (enclose a copy of the registration or incorporation certificate with the technical bid).

In support of above, the bidder is required to submit the following documents with the technical bid:

- **Proprietary Firm:** A copy of the registration certificate or any relevant document that proves the establishment and legal validity of the proprietary firm.
- **Partnership Firm:** A copy of the Partnership Deed along with the registration certificate issued by the Registrar of Firms, if applicable.
- **Private Limited Company:** A copy of the Certificate of Incorporation issued by the Registrar of Companies (RoC) along with the Memorandum of Association (MOA) and Articles of Association (AOA).
- **Agency:** A copy of the registration certificate or any official document proving the legal validity and registration of the agency under the applicable law (e.g., registration under the Shops and Establishments Act, or other relevant legislation).

These documents should be enclosed along with the technical bid to demonstrate the legal status of the bidder as a valid entity.

2. **The bidder should be either an OEM/OES/OPM or his authorized channel partner**

The bidder must be either:

- a) the **Original Equipment Manufacturer (OEM)**,
- b) the **Original Equipment Supplier (OES)**,
- c) an **Original Parts Manufacturer (OPM)**,
- d) a **subsidiary** of the OEM/OES/OPM, or
- e) an **authorized channel partner** duly appointed by the OEM/OES/OPM.

In cases where the bidder is not the OEM, OES, OPM, or their subsidiary, the bidder shall be required to submit a valid authorization letter or certificate from the respective OEM/OES/OPM, clearly authorizing the bidder to participate in this tender and to carry out the specified scope of work. Failure to submit the required authorization or submission of invalid/expired documentation shall render the bid non-responsive and liable for disqualification.

3. **Technical Experience:** The bidder must have prior experience in executing work related to Chassis Dynamometers or other similar automotive test equipment involving supply of equipment and spares, installation, testing and commissioning, annual maintenance contracts (AMC), or repair and reconditioning services. Specifically, the bidder should have successfully executed such works for a **minimum of two (2) distinct clients** within the **last five (5) years** preceding the bid submission date.

ATC – Additional Terms & Conditions

Documentary Evidence Required: The bidder shall submit **copies of Purchase Orders / Work Orders / Contracts** issued by the respective clients clearly indicating the nature and scope of work, client details, and period of execution, as documentary proof in support of the above requirement. Failure to submit the required documents may lead to rejection of the bid on technical grounds.

4. **Submission of ATC (Additional Terms & Conditions) Document:** Bidders shall mandatorily submit the duly filled, signed, and complete ATC (Additional Terms & Conditions) document, along with all annexures, declarations, and forms enclosed therein, as part of their bid. Failure to submit a properly completed ATC document shall render the bid non-responsive and subject to outright rejection.
5. **Submission of Comprehensive Proposal:** It is a mandatory requirement that all bidders submit a comprehensive and complete proposal covering the entire scope of work and all items as detailed in the tender documents. Any bid found to be incomplete in any respect – including but not limited to omission of pricing, scope, or technical details for any item, component, or activity specified in the tender – shall be treated as non-compliant and will be rejected without further evaluation. Bidders must ensure that their proposals contain valid and complete offers against each, and every requirement listed in the tender schedule.
6. **India-Based Operations:** Only bidders having an established base of operations in India are eligible to participate in this tender. The bidder must be a legal entity registered and operating within India and shall be capable of providing all necessary services, support, and statutory compliances from within the country.
7. Bidders should not have been blacklisted by any departments or ministries of the government of India or of any state government, PSU, or any reputable private firm or institution in India. A declaration must be submitted to this effect with the tender document.
8. Bidder must comply with the provisions of:
 - **Rule 144 (xi) of GFR 2017 (refer Office Memorandum of Department of Expenditure dated 23rd July 2020 and as revised from time to time. <https://doe.gov.in/sites/default/files/OM%20dated%2023.07.2020.pdf>)**
 - **Department of Industrial Policy and Promotion (DIPP) vide No. P-45021/2/2017-PP (BE-II) dated 04.06.2020 and as revised from time to time. (<https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>)**

Note:

Definition of Similar Nature of Work: “Similar Nature of Work” shall mean the execution of any of the following activities related to Chassis Dynamometers or comparable automotive testing equipment:

- Supply of Chassis Dyno systems or similar automotive test equipment.
- Supply of genuine or OEM spares/parts for such systems.
- Installation, testing, and commissioning of Chassis Dyno or similar test systems.
- Preventive or corrective maintenance, annual maintenance contracts (AMC), or calibration services.

ATC – Additional Terms & Conditions

Annexure – C

General Terms & Conditions

1. **Scope of Work:** The scope involves the complete reconditioning of Inverter and Power Drive Units installed in the AVL Make Chassis Dynamometer System, including diagnostics, repair, replacement of faulty parts, calibration, and testing. The bidder shall ensure compatibility and functionality of the system post-repair.
2. **Site Visit:** All interested bidders are required to conduct site visit to the ICAT Centre-1, Manesar, Haryana, to physically inspect the AVL Make Chassis Dyno System, including the installed Inverter and Power Drives, prior to submission of the bid. The purpose of the site visit is to allow bidders to assess the existing installation, understand technical and logistical requirements, evaluate the nature and extent of the reconditioning work, and clarify any technical or operational constraints. Bidders must schedule the visit in advance by contacting the designated ICAT official via email or phone, as specified in the tender notice. Site visits will be permitted only on working days during office hours and must be completed no later than 5 (five) working days prior to the last date of bid submission. All expenses related to the site visit shall be borne by the bidder. ICAT will not be responsible for any logistical or travel arrangements of the bidders.
3. **Technical Requirements**
 - Only genuine or OEM-recommended spare parts/components shall be used.
 - Diagnostic and testing reports must be provided before and after the reconditioning.
 - All reconditioned units must be calibrated and validated to function at par with OEM specifications.
 - The system should be fully integrated and tested post-installation at the ICAT premises.
4. **Delivery and Completion Period**
 - The timeline for the completion of reconditioning, including shipping, reinstallation, and testing, shall not exceed 180 days from the date of issuance of the Purchase Order.
 - Any delay beyond the stipulated period will attract liquidated damages at the rate of 0.5% per week, subject to a maximum of 10% of the contract value.
5. **Liquidated Damages (LD):** The entire reconditioning activity, including removal, repair, reinstallation, and testing of the Inverter and Power Drives of the **AVL Make Chassis Dyno System**, shall be completed strictly within the time period stipulated in the Purchase Order. In the event of delay in completion of the work beyond the specified schedule, the successful bidder shall be liable to pay Liquidated Damages (LD), not as a penalty but as a genuine pre-estimate of loss, at the rate of **0.5% (half percent)** of the total contract value per week of delay or part thereof. The total cumulative LD shall not exceed **10% (ten percent)** of the total contract value. Once the maximum limit is reached, ICAT reserves the right to initiate termination proceedings, risk purchase, or any other action deemed appropriate under the contract. The imposition of LD shall be without prejudice to other remedies available to ICAT under the terms of the contract.
6. **Import Compliance**
 - The bidder shall be responsible for export and import documentation, packaging, customs clearance, and transportation of units both ways (to and from India).
 - Any applicable duties and taxes in the country of origin shall be borne by the supplier.

ATC – Additional Terms & Conditions

7. Warranty & Post-Reconditioning Support

- Minimum 12-month warranty shall be provided for all reconditioned parts/components from the date of acceptance.
- The bidder shall ensure availability of technical support and spares during the warranty period.
- Any failure during the warranty period must be attended to within **2 working days of notification**.

8. Payment Terms

- 80% payment shall be released upon successful delivery and re-installation of the reconditioned units at the site.
- 20% shall be released after successful performance testing and acceptance by ICAT.

9. Performance Guarantee: The successful bidder shall furnish Performance Bank Guarantee (PBG) equivalent to 5% of the contract value, valid for the entire warranty period.

10. Risk Purchase: In case the selected bidder fails to deliver within the stipulated time or as per the specifications, ICAT reserves the right to procure the same services from an alternative source at the cost and risk of the defaulting bidder.

11. The bidder must clearly indicate whether the service involves complete off-site shipment or on-site repair.

12. All shipping-related coordination shall be conducted in consultation with the ICAT logistics team.

13. The supplier shall ensure full data confidentiality and not use any proprietary information or system data for any unauthorized purpose.

14. Sub-Contracting Prohibited: The bidder shall execute the entire scope of work under this tender directly, without engaging any third party or subcontractor. All activities—including removal, repair, reinstallation, calibration, and testing of the Inverter and Power Drives—must be carried out using the bidder’s own resources and personnel. The bidder shall remain solely responsible for full performance and compliance with all contractual obligations. Any attempt at sub-contracting shall be treated as a material breach, entitling ICAT to take appropriate legal and contractual action, including termination and forfeiture of security.

15. Liability for Damage, Loss, or Incident: The bidder shall exercise the highest degree of care and diligence in handling, transporting, repairing, and reinstalling the Inverter and Power Drives of the AVL Make Chassis Dyno System. The bidder shall be fully liable for any damage, loss, theft, or incident affecting the equipment during the entire period of reconditioning, including removal, shipment (if applicable), storage, repair, and reinstallation. In the event of any such occurrence, the bidder shall, at its own cost and without any delay, repair or replace the affected equipment to the satisfaction of ICAT, ensuring that the system is restored to its original operational condition as per OEM specifications. This liability shall be absolute and shall not be limited by any insurance coverage, third-party involvement, or force majeure, except as expressly provided under the contract. ICAT shall have the right to recover the full cost of replacement, repair, or restoration, including any consequential damages or operational losses, from the bidder or from any amounts due or performance security held under the contract.

ATC – Additional Terms & Conditions

16. **Project/Billing Address:** International Centre For Automotive Technology (Centre – 1), Plot No. 26, Sector – 3, IMT Manesar, Gurugram – 122051 (GST No. 06AABAN9435G2ZI).
17. **Transportation, Handling, and Delivery**
- **FOR ICAT Project Site:** The scope of the bidder shall include the complete responsibility for To & Fro logistics of the equipment/material covered under this tender, on a FOR (Free on Road/Rail) ICAT Project Site basis, including all incidental costs and arrangements. The following conditions shall apply:
 - **Scope of Logistics Responsibility:** The bidder shall be solely responsible for the packing, forwarding, loading, transportation, transit insurance, unloading, and safe delivery of the material/equipment to and from the ICAT Centre – 1, Manesar, Haryana.
 - **Packing & Handling:** The bidder shall ensure that the equipment is appropriately packed using industry-standard practices to prevent damage during transit. Special care shall be taken for sensitive electronic and power drive components.
 - **Transportation:** All transportation (both outbound and inbound, if equipment is to be sent to an external facility for reconditioning) shall be arranged by the bidder at their own cost and risk. No separate payment shall be made for any transportation, labour, handling, or related activity.
 - **Transit Insurance:** Comprehensive transit insurance covering the full value of the equipment shall be arranged by the bidder for both directions of movement. ICAT shall not be liable for any loss, theft, damage, or deterioration of material during transportation or handling.
 - **Unloading at Site:** The bidder shall be responsible for the safe unloading of the equipment at ICAT's project site and for any damage caused due to mishandling at any stage.
 - **Delivery Terms:** All deliveries shall be deemed complete only upon successful unloading and handover of the equipment at ICAT Centre – 1, Manesar, in good working condition, duly acknowledged by the Engineer-in-Charge.
18. **Disqualification Clause:** Bidders are required to meet all the eligibility, technical, and qualification criteria as specified in this tender document. Failure to comply with any one of the stipulated conditions or criteria shall result in the immediate disqualification of the bid, at any stage of the evaluation process, without any further notice or obligation on the part of the Purchaser. The Purchaser reserves the right to reject such bids without assigning any reason and without entertaining any representation in this regard. The decision of the Purchaser in determining the responsiveness and qualification of bids shall be final, binding, and non-contestable.
19. **Pricing and Discrepancies:** Prices must be quoted in INR and in figures only. In case of a discrepancy between the unit price and the total price calculated by multiplying the unit price and quantity, the unit price will prevail, and the total price will be corrected.
20. **Offer Validity:** Bids should remain valid for at least **180 days** from the date of opening the Technical Bid. Bids with a shorter validity period will be rejected. ICAT reserves the right to request an extension of the validity period, if required.
21. **Confidential Information:** Both ICAT and the selected bidder shall maintain the confidentiality of all documents, data, and information related to the contract. This information shall not be disclosed to any third party without prior written consent.

ATC – Additional Terms & Conditions

22. **Unsatisfactory Performance:** ICAT reserves the right to assess the performance of the bidder's work and may reject any system or component that does not meet the required standards. If the performance is unsatisfactory, ICAT may reject the system, either partially or fully, and the bidder will be bound by ICAT's decision.
23. **Contract Termination:** If the vendor's performance is unsatisfactory regarding timely delivery or product quality, ICAT will issue a warning letter. If the issues persist after a second warning, ICAT reserves the right to terminate the contract with 30 days' written notice without further explanation. Any amounts due to the vendor will be paid or forfeited as per the contract terms, and the vendor must withdraw their materials from ICAT premises within a month.
24. **Dispute Resolution:** Any dispute arising out of this tender shall be referred to arbitration, with the decision of the arbitrator appointed by the Director of ICAT being binding. If disputes persist, the matter will be referred to the High Court of Haryana or another appropriate court in Gurugram (Haryana).
25. **Amendment or Withdrawal of Tender:** ICAT reserves the right to amend or withdraw the tender at any stage without any obligation to notify the bidders. ICAT also reserves the right to disqualify any bidder at any stage, and to reject any or all bids without assigning reasons.
26. **Force Majeure:** Force Majeure refers to any event beyond the control of either ICAT or the bidder that prevents the fulfilment of contractual obligations. Such events include natural disasters, government actions, wars, strikes, or epidemics. In case of Force Majeure, the affected party shall notify the other party within 10 days and will not be held liable for delays resulting from such causes.
27. **Submission of Modifications or Improvements to Conditions of Contract:** Bidders are permitted to propose and justify any modifications or improvements to the Conditions of Contract that, in their opinion, would serve the best interest of the International Centre for Automotive Technology (ICAT). Such proposals must be clear, concise, and directly relevant to the tender scope.

If bidder does not propose any modifications or improvements to the Conditions of Contract, the bidder shall explicitly declare this by stating *"No Deviation Suggested" in the prescribed "Deviations or Modifications Suggested Form – XI"*. Failure to submit this declaration may be construed as non-compliance with the tender submission requirements.

All proposed modifications or improvements must be submitted no later than seventy-two (72) hours prior to the official bid submission deadline. Any submissions received after this period shall be summarily disregarded.

ICAT reserves the exclusive and unconditional right to accept or reject, wholly or partially, any such proposed modifications or improvements at its sole discretion. If any proposals are accepted, ICAT will issue a corrigendum detailing the approved changes. Consequently, the bid submission deadline may be extended to allow all prospective bidders sufficient time to consider the issued corrigendum and revise their submissions accordingly.

Failure to submit any proposed changes within the stipulated timeframe shall be deemed unconditional acceptance of all terms and conditions stated in the original tender document.

No modifications, deviations, or conditional submissions will be accepted after the bid submission deadline. Any such conditional or non-compliant bids shall be rejected outright without further correspondence or clarification.

ATC – Additional Terms & Conditions

28. Please ensure that ATC documents must be signed and stamped on all pages as a token of acceptance of all the terms and conditions.
29. Law of the Republic of India are applicable to this tender.
30. Qualification Criteria: The bidder whose bid meets the technical specification and evaluation criteria given above would only be considered (As per conditions mentioned in Evaluation Criteria).
31. System of Award of Contract: The bidder who satisfies the qualification criteria and offers lowest (L1) would be selected.
32. **Fraud and Corruption:** The bidders, suppliers and contractors shall observe the highest standard of ethics during bidding and during performance of the contract. For the purposes of this provision, the following acts shall be considered as corrupt and/or fraudulent practices.
- **“Corrupt Practice”** means offering, giving, receiving, or soliciting directly or indirectly, of anything of value to influence the action of an official in the procurement process or in contract execution.
 - **“Fraudulent Practice”** means misrepresentation or omission of facts in order to execution of contract.
 - **“Collusive Practice”** means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, non-competitive level.
 - **“Coercive Practice”** means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or in execution of a contract.
 - During the process of evaluation of a bid or proposal for award of a contract, if it is detected that a bidder directly or through agent has engaged in corrupt, fraudulent, collusive or coercive practice in competing for the contract in question, then **a) the bid shall be rejected and b) declare the firm ineligible for a specific period or indefinitely to participate in a bidding process.**
 - Bidders may note that GeM is capturing and showing the IP addresses used by the Buyer and Bidder(s)/Seller(s). Bids submitted from IP addresses that are identical to or shared with other Bidders/Sellers shall be deemed invalid and automatically disqualified from further evaluation.
33. **Collusive Bidding or Bid Rigging or Cartelization:** The Bidder(s) acknowledges and agrees that any form of bid rigging, cartelization, or coordination among bidders, aimed at manipulating the bidding process or prices, is strictly prohibited. In the event of any evidence or suspicion of collusion, bid rigging, or cartel behavior, the Tendering Authority reserves the right to reject the bid(s) and take appropriate legal action, including but not limited to debarment from future tenders and reporting to relevant authorities. Bidders are required to submit their bids independently, without any undue influence or agreement with other participants in the tender process.
34. **MSME Exemption Applicability:** If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical

ATC – Additional Terms & Conditions

specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.

- 35. Preference to Make In India products (For bids < 200 Crore):** Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than INR 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate. In case Buyer has selected Purchase preference to Micro and Small Enterprises clause in the bid, the same will get precedence over this clause.
- 36. Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference, the bidder must be the manufacturer of the offered product in case of bid for supply of goods. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service. If L-1 is not an MSE and MSE Seller (s) has/have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total Quantity.
