1. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

2. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

3. Preference to Make in India products (For bids < 200 Crore):Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM_No.1_4_2021_PPD_dated_18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

4. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and

its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

5. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 30% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

6. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:

- If number of technically qualified bidders are only 2 or 3.
- If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
- In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
- If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
- If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

Chapter - 2

Instructions To Bidders

- 1. Submission of Quotation and Technical Documentation:** The Bidder shall submit a complete and comprehensive quotation in strict conformity with the detailed technical specifications of "*Hybrid-III 5th Percentile Female Dummy*" as specified in "*Chapter - 1*" of the *Additional Terms and Conditions (ATC) document*. The submission must encompass both the technical and financial proposals, duly separated and prepared in accordance with the requirements and formats prescribed in the tender documents. The technical bid shall include all requisite technical documentation, specifications, detailed drawings, product literature, and any other supporting information necessary to demonstrate full compliance with the tender specifications. Non-compliance with the stipulated submission requirements or failure to provide the requisite technical and financial details may result in rejection of the bid at the sole discretion of the Purchaser.
- 2. Proposal Submission Compliance and Documentation Requirements:** The Bidder is required to submit their proposal in strict compliance with all terms, conditions, and requirements outlined in this tender document. The technical bid must include comprehensive details of the proposed solution, including the products, services, specifications, and relevant technical literature clearly demonstrating conformance to the specified requirements. Failure to adhere to any of the above requirements may render the bid liable for rejection at the sole discretion of the Purchaser.
- 3. Submission of Signed Tender Documents and Supporting Documentation:** The Bidder shall submit, as part of their proposal, a duly signed and stamped copy of the entire tender document, including all corrigenda, amendments, and annexures issued, as a token of unconditional acceptance of all terms, conditions, and specifications contained therein.
Additionally, all forms, declarations, schedules, and annexures enclosed with the tender/bid document must be duly filled, signed, and stamped by the authorized signatory of the Bidder and submitted in accordance with the instructions provided.
The Bidder shall also furnish all supporting documents as specified in the tender, including those required under the eligibility criteria, technical specifications, and any other qualifying requirements. Failure to submit any of the required documents, or submission of incomplete, unsigned, or unstamped documents, may result in rejection of the bid at the sole discretion of the Purchaser.
It is the sole responsibility of the Bidder to ensure that the submitted bid is complete in all respects and compliant with the tender requirements. No claim shall be entertained on account of incomplete submission or non-compliance with the stated instructions.
- 4. Clarifications, Deviations, and Conditional Bids:** Bidders are strictly advised to submit their bids in full compliance with all terms, conditions, technical specifications, and requirements stipulated in this tender document. Conditional bids or bids containing deviations, exceptions, assumptions, or qualifications shall be summarily rejected without further reference or clarification, at the sole discretion of the Purchaser.
Any suggestions, clarifications, or concerns regarding the tender terms and conditions must be formally raised by the Bidders only during the Pre-Bid Meeting. The Purchaser shall review such requests and reserves the absolute right to accept, modify, or reject any suggestion or concern, wholly or in part, without assigning any reason, and solely in the best interest of the Purchaser.
All clarifications, amendments, or modifications arising out of the Pre-Bid Meeting shall be published either as a Corrigendum and/or as the Minutes of the *Pre-Bid Meeting (MoM)* on the Purchaser's official website (www.icat.in) and on the *GeM Portal*. These shall form an integral part of the tender and shall be binding on all Bidders. No request for changes or deviations shall be entertained after the Pre-Bid stage.

Eligibility & Technical Evaluation Criteria

Part - I (Pre-Qualification/Minimum Eligibility Criteria)

Eligibility Criteria: The following mentions the pre-qualification criteria. A bidder participating in the procurement process shall possess the following pre-qualification/minimum eligibility criteria: Any bid failing to meet the stated criteria shall be summarily rejected and will not be considered for technical evaluation.

Pre-qualification/Minimum Eligibility Criteria for the Bidders:

1. **Legal Valid Entity:** The Bidder must be a legally recognized entity under applicable Indian laws and shall be eligible to participate in the tender in any of the following forms: Proprietorship Firm, Partnership Firm, Private Limited Company, or Registered Agency.

To establish legal status and eligibility, the Bidder shall mandatorily submit documentary evidence of their legal constitution along with the Technical Bid, as specified below:

- **Proprietorship Firm:** A copy of the valid registration certificate, trade license, or any equivalent document issued by a competent authority clearly indicating the establishment and legal existence of the firm.
- **Partnership Firm:** A copy of the duly executed Partnership Deed along with the firm's registration certificate issued by the Registrar of Firms (if applicable under the Partnership Act, 1932).
- **Private Limited Company:** A copy of the Certificate of Incorporation issued by the Registrar of Companies (RoC), along with the Memorandum of Association (MoA) and Articles of Association (AoA), duly certified by an authorized signatory.
- **Agency:** A copy of the registration certificate or any valid statutory license or document evidencing the agency's legal status under the relevant law (e.g., registration under the Shops and Establishments Act or equivalent legislation).

Failure to submit any of the above documents as applicable to the nature of the bidding entity may render the bid liable for rejection at the sole discretion of the Purchaser. All documents shall be self-attested and submitted as part of the Technical Bid.

2. **Mandatory Submission of Comprehensive Proposal:** It shall be a mandatory pre-qualification requirement that all Bidders submit a complete and comprehensive proposal covering the entire scope of supply, services, and deliverables as specified in the Tender Documents, including but not limited to all items, components, and associated works listed in the Bill of Quantity (BoQ), Scope of Work (SoW), Technical Specifications, and Additional Terms and Conditions (ATC).

Submission of an incomplete or partial bid, including but not limited to omission of any item, sub-item, or service from the proposal, shall be treated as non-compliance with the tender specifications and shall result in outright rejection of the bid without further consideration or evaluation.

Bidders are advised to thoroughly review all tender documentation and ensure that their technical and financial proposals fully comply with the requirements stated therein. No relaxation, clarification, or opportunity for rectification shall be provided in cases of non-compliance with this condition.

3. **Bidder Eligibility**

The Bidder must be either:

- Original Equipment Manufacturer (OEM) of the offered Hybrid-III 5th Percentile Female Dummy, or Original Equipment Supplier (OES) or a subsidiary of the OEM

Additional Terms & Conditions (ATC)

- An Authorized Channel Partner duly appointed by the OEM for the purposes of participation in this tender.

3.1 In case the Bidder is an Authorized Channel Partner/OES/Subsidiary

- The Bidder shall submit a valid and current Authorization Certificate issued by the OEM, explicitly authorizing the Bidder to quote, supply, install, and provide after-sales support for the quoted equipment under this tender.
- The Authorization Certificate shall be submitted in the prescribed format annexed as **"Form VII"** in the tender document and must be duly signed and stamped by an authorized signatory of the OEM.
- Bids submitted without the required Authorization Certificate in the specified format shall be considered non-compliant and shall be rejected without further evaluation.

3.2 In case the Bidder is the OEM

- The Bidder shall submit a self-declaration or certificate confirming their status as the Original Equipment Manufacturer (OEM) of the quoted product.
- This declaration must be furnished on the OEM's official letterhead and signed by an authorized representative of the organization.
- Failure to submit the applicable certification or declaration as outlined above shall render the bid technically non-responsive, and such bids shall be summarily rejected.

4. **Financial Eligibility - Average Annual Turnover:** The Bidder must have achieved an average annual turnover of not less than **INR 5 Crores (Rupees Five Crore Only)** during the **last three (3) consecutive financial years**, namely **FY 2022-23, FY 2023-24, and FY 2024-25**.

Documentary Evidence Required: To substantiate the above, the Bidder shall submit any of the following documents as part of the Technical Bid.

- A certificate from a Chartered Accountant (**Form XVI**), clearly certifying the annual turnover for each of the above-mentioned financial years, **or**
- A copy of the Audited Balance Sheet and Profit & Loss Account for each of the three financial years, duly certified by a Chartered Accountant or Statutory Auditor

Mandatory Disclosures:

- Full contact details of the Chartered Accountant or Statutory Auditor who has certified the document, including Name, Designation, Firm Name, Email ID, Contact Number.
- The UDIN (Unique Document Identification Number), as issued by the Institute of Chartered Accountants of India (ICAI), must be clearly visible on all CA-certified documents and balance sheets.

Non-Compliance: Failure to submit the required financial documentation in the prescribed format, or failure to mention the CA/Auditor's contact details and UDIN, shall render the bid technically non-responsive and liable for rejection without any further evaluation.

5. **Technical Experience - Minimum Work Experience Requirement:** The Bidder, or the Original Equipment Manufacturer (OEM) represented by the Bidder, must have a minimum of **three (3) years of experience** as on the date of bid submission in executing **work of same/similar nature**, as defined below.
6. **Prior Experience - Eligible Clients:** Within the preceding **three (3) years** from the date of bid submission, the **Bidder or the Original Equipment Manufacturer (OEM)** represented by the Bidder must have successfully **supplied, installed, and commissioned at least three (3) Crash Dummies** of a similar nature or any other type of **Crash Test Dummy under three (3) separate projects/contracts**. The reference project(s) shall demonstrate the Bidder's/OEM's capability to successfully execute contracts of **similar nature and**

Additional Terms & Conditions (ATC)

Evaluation Criteria and Preference Policy:

1. Technical Evaluation Threshold - Mandatory Compliance

- Bidders must secure a *minimum of 55 out of 55 points* in the **Technical Specifications Evaluation** section. This is a **mandatory qualifying criterion**; failure to achieve the full technical specification score will result in **immediate disqualification**, irrespective of the total overall score.

2. Overall Evaluation Threshold: To qualify for financial bid opening, bidders must obtain a minimum of **80 out of 100 points (80%)** in the overall evaluation. This includes scores from technical specifications, company credentials, past performance, and other evaluation parameters as outlined in the tender document.

3. Preference to Local Suppliers under Public Procurement Policy

- ICAT reserves the right to extend **purchase preference to local suppliers** in accordance with the provisions of the **Public Procurement (Preference to Make in India), Order 2017**, issued by the **Department for Promotion of Industry and Internal Trade (DPIIT)**, Ministry of Commerce and Industry, Government of India, vide Order No. **P-45021/2/2017-PP (BE-II)** dated **04.06.2020**, and any subsequent amendments thereto.
- For detailed guidelines, bidders may refer to the DPIIT policy document available at: <https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>
- Bidders seeking such preference must submit the requisite **self-declaration and certification** documents as per the DPIIT guidelines along with their Technical Bid.

4. Purchase Preference for MSEs and Startups: In accordance with the provisions of the Public Procurement Policy for Micro and Small Enterprises (MSE's), 2012 and the relevant guidelines issued by the Ministry of Micro, Small and Medium Enterprises (MSE's), as well as Startup India Policy.

- **Preference as per Government Policy:** ICAT reserves the right to extend preference to Local Suppliers, Micro and Small Enterprises (MSE's), and Startups, in accordance with the applicable guidelines, circulars, and notifications issued by the Government of India, as amended from time to time. Such preference shall be accorded only upon submission of valid, relevant, and verifiable supporting documents along with the bid. Failure to provide the required documentation shall result in ineligibility for any preferential treatment.
- **Applicability of MSE Public Procurement Policy:** In accordance with the Public Procurement Policy for Micro and Small Enterprises (MSE's) Order, 2012, as amended, the benefits under this policy shall apply exclusively to goods manufactured or services rendered by registered MSE's. Entities operating solely as traders, distributors, marketing agents, or engaged under works contracts are expressly excluded from the scope and benefits of this policy.
- **Relaxation of Prior Turnover and Experience Requirements:** ICAT, at its sole discretion, may relax the requirements of prior turnover and prior experience for start-up enterprises recognized by the Department for Promotion of Industry and Internal Trade (DPIIT), provided that such entities fully comply with all quality standards, technical specifications, and performance criteria as specified in the tender documents. Such start-ups may be MSMEs or otherwise. Only registered Micro and Small Enterprises (MSEs) and DPIIT-recognized start-ups shall be considered for relaxation under this provision. Any such relaxation shall be strictly conditional upon the enterprise's demonstrated capability to meet all functional, operational, and contractual requirements of the tender. This relaxation shall be applied in accordance with the provisions of applicable government policies and shall not compromise adherence to the tender's prescribed technical, quality, or performance requirements. ICAT's decision in this regard shall be final and binding.

Additional Terms & Conditions (ATC)

- **Purchase Preference:** If an MSE or eligible Startup bidder quotes within L1 + 15% price range and agrees to match the L1 price, the order for up to 25% of the total tendered quantity may be awarded to such MSE/Startup, as per the policy provisions.

Bid Rejection Criteria

Bids submitted in response to this tender shall be liable for outright rejection and shall not be considered for further evaluation under any of the following circumstances:

1. Non-Compliance with Bid Security Requirements

- Submission of bid without the required Earnest Money Deposit (EMD), or
- Non-submission of the Bid Security Declaration Form (**Form IV**), or
- Non-submission of valid Udyam Registration Certificate (for MSEs) or a DPIIT recognition certificate (for Startups) along with the bid.

2. Financial Turnover Below Threshold: Bidders must have an average annual turnover of not less than **INR 5 Crores** during the three most recent financial years (**FY 2022–23, 2023–24, and 2024–25**). Failure to submit audited financial statements or turnover certificates certified by a Chartered Accountant (CA) for these years shall result in disqualification.

3. Not demonstrating technical capability/ expertise in the field of our requirement as per tender.

4. Non-Submission of Statutory Registrations: Bidders failing to submit valid copies of **their GST registration certificate and Permanent Account Number (PAN)** shall be deemed non-compliant.

5. Unsatisfactory Client References: If even one reference provided by the bidder is found to be unsatisfactory, the bidder shall be disqualified. Internal references obtained from **NAB or its associated centres** may also be considered valid for disqualification purposes, regardless of whether they are formally submitted with the bid.

6. Conditional or Deviated Bids: Any bid containing deviations, conditions, or modifications to the tender terms and conditions shall be summarily rejected.

7. Non-Submission of duly signed and stamped ATC document including duly filled forms on letter head with signed and stamped.

8. Incomplete Bid Submission: It is a mandatory requirement that bidders submit comprehensive proposals covering all items listed in the tender. Any incomplete bid, including failure to quote for any item or component, shall be treated as non-compliant. Such bids shall be rejected without further correspondence, and the bidder shall be disqualified from the evaluation process.

9. Segregated Bidding Process and Rejection of Non-Compliant Submissions: Bids under this Tender shall be submitted through the GeM Portal under a Segregated Bidding Process, comprising separate Technical and Financial Bids, as prescribed in the Tender Document and as per GeM guidelines. The Technical Bid shall contain only technical information and supporting documentation, with no reference to prices or commercial terms. Submission of any price details, financial information, or commercial quotation within the Technical Bid, either directly or indirectly, on the GeM Portal shall constitute a material deviation and result in summary rejection of the bid without further evaluation. Such non-compliance shall render the bidder ineligible for consideration under this Tender, and the decision of the Procuring Entity/ Evaluation Committee in this regard shall be final, conclusive, and binding, with no correspondence entertained thereafter.

10. Non-Compliance with Pre-Qualification/Minimum Eligibility Criteria: Failure to satisfy any single condition under the “Pre-qualification / Minimum Eligibility Criteria” section shall result in the immediate disqualification of the bid from the tender process.

Additional Terms & Conditions (ATC)

- 11. IP Address Duplication on GeM Portal:** The Government e-Marketplace (GeM) portal tracks and displays the IP addresses used by Buyers and Bidders/Sellers. Bids submitted from identical or shared IP addresses across different bidders/sellers shall be considered suspicious and will be automatically disqualified from further evaluation.
- 12. Bid Rigging and Conflict of Interest:** The Purchaser reserves the right to reject any bid or disqualify any bidder from the tendering process at any stage if, in the opinion of the Purchaser, there is sufficient evidence to conclude that:
- **Bid Rigging:** The Bidder has engaged in any form of collusive bidding, bid rigging, cartel formation, or anti-competitive practices, whether directly or indirectly, with other bidders in order to influence the outcome of the bidding process. Such practices shall include but are not limited to: Sharing of bid prices or commercial terms prior to bid submission or Agreement among bidders not to compete or to submit complementary bids or Coordinated bid withdrawals or bid rotation schemes.
 - **Conflict of Interest: A Conflict of Interest exists or is reasonably deemed to exist if**
 - The Bidder or any of its associated entities, subsidiaries, or affiliates has a direct or indirect relationship with another bidder participating in the same tender, which could compromise the integrity or fairness of the procurement process.
 - The Bidder has a relationship with any official, employee, or representative of the Purchaser who is directly or indirectly involved in the tender evaluation or award process.
 - The Bidder uses resources, infrastructure, or personnel that are also engaged in preparing or influencing another competing bid in this tender.
 - **Declaration of Integrity:** All Bidders shall submit a duly signed Declaration of Non-Collusion and Conflict of Interest in the format prescribed in the tender. Any failure to submit this declaration or submission of a false declaration shall lead to immediate disqualification and may result in blacklisting or legal action, as deemed appropriate by the Purchaser.
- 13. Declaration of Integrity:** All Bidders shall submit a duly signed Declaration of Non-Collusion and Conflict of Interest in the format prescribed in the tender. Any failure to submit this declaration or submission of a false declaration shall lead to immediate disqualification and may result in blacklisting or legal action, as deemed appropriate by the Purchaser.
- 14. Purchaser's Rights:** The Purchaser shall have the sole discretion to determine whether a bid is non-compliant due to the reasons outlined above. In such cases, the Purchaser shall be under no obligation to inform the bidder of the grounds for disqualification or provide any further clarification. The decision of the Purchaser shall be final, binding, and non-contestable.

Additional Terms & Conditions (ATC)

Chapter - 6

General Terms & Conditions

1. **Scope of Supply/Work:** Supply, Installation, Testing, Commissioning and Training of *Hybrid-III 5th Percentile Female Dummy along with Calibration Jigs & Fixtures (As per technical specification and scope of work defined in "Chapter - 1")* at ICAT Centre - 2, Manesar (Haryana).

2. **Notification of Buyer's Responsibilities:** The Successful Bidder shall, within *Thirty (30) Calendar Days or earlier from the date of issuance of the Purchase Order (PO)*, be obligated to provide timely and advance written notification to the Purchaser specifying any requirements, materials, services, or facilities necessary for the installation, testing, and commissioning of the *Hybrid-III 5th Percentile Female Dummy along with Calibration Jigs & Fixtures* that fall outside the scope of the Successful Bidder's contractual obligations and are to be arranged by the Purchaser.

Such notification shall be made with sufficient lead time to enable the Purchaser to make the necessary arrangements without causing any delay to the project schedule. Failure to provide such timely notification shall not relieve the Successful Bidder of responsibility for any resultant delays or additional costs arising from such oversight.

3. Delivery and Installation & Commissioning (I&C) Schedule

➤ **Delivery:** The successful bidder shall deliver the complete equipment along with all associated components to the premises of the International Centre for Automotive Technology (ICAT) within a period of *Two Hundred Ten (210) Calendar Days* from the date of issuance of the GeM Contract/Purchase Order (PO).

➤ **Installation, Testing, Commissioning & Final Acceptance:** The Successful Bidder shall complete all activities related to installation and commissioning of the equipment within *Sixty (60) Calendar Days* from the date of formal handover of the site by ICAT.

Upon successful completion of the installation, testing, and commissioning, the *Final Acceptance Test (FAT)* shall be conducted in the presence of ICAT's authorized representatives. The *Final Acceptance Test (FAT)* shall be carried out strictly in accordance with the parameters and performance criteria outlined in "*Chapter - 8*" of the tender documents.

The Final Acceptance shall be deemed completed only upon the satisfactory demonstration of the equipment's performance as per the prescribed standards and the formal issuance of the Final Acceptance Certificate by ICAT. No part of the equipment or services shall be considered accepted unless and until the Final Acceptance Certificate is duly issued by the Purchaser.

The date of issuance of the Final Acceptance Certificate shall be treated as the official date of final acceptance of the equipment and related services under the contract, from which the warranty and any applicable post-installation obligations shall commence.

Failure to complete the Installation, Commissioning, and Final Acceptance within the stipulated timeframe shall attract penalties or Liquidated Damages (LD), as defined elsewhere in the contract.

➤ **Indicative/Tentative Timelines:** The Delivery and Installation & Commissioning (I&C) timelines indicated herein are tentative and indicative in nature, intended solely for planning and coordination purposes. Notwithstanding the indicative timelines, the Successful Bidder shall be solely responsible for ensuring completion of the entire scope of work, including delivery, installation, testing, commissioning, and final acceptance, within an overall period of *Two Hundred Seventy (270) Calendar Days* from the date of award of the GeM Contract/issuance of the Purchase Order (PO), whichever is earlier.

➤ **Site Handover:** The timeline for installation and commissioning shall commence only upon the formal handover of the site by ICAT to the successful bidder, which shall be duly documented.

Additional Terms & Conditions (ATC)

- **Time of Essence:** Time is the essence of this contract. The successful bidder shall strictly adhere to the above-mentioned schedule. Any delay beyond the stipulated timelines shall render the bidder liable for penalties, liquidated damages, or other remedies as specified under the terms and conditions of the contract.

4. Liquidated Damages (LD)

- 4.1 Delay in Delivery and/or Installation, Testing, and Commissioning:** The Supplier shall strictly adhere to the delivery schedule, installation, testing, and commissioning timelines as specified in the Purchase Order/Contract. In the event of any delay attributable to the Supplier, ICAT reserves the right to recover **Liquidated Damages (LD)** without prejudice to any other rights or remedies available under the contract or law.
- 4.2 Rate of Liquidated Damages (LD):** Liquidated Damages shall be levied at the rate of **0.5%** of the total contract value per week of delay attributable to the Supplier, subject to a maximum ceiling of **10% of the total contract value**.
- 4.3 Applicability:** Liquidated Damages shall apply in the event of any delay attributable to the Supplier, including but not limited to delay in delivery of the equipment at ICAT premises, delay in completion of installation and commissioning, or delay in rectification of defects or deficiencies identified during the Pre-Delivery Inspection (PDI) or final acceptance tests.
- 4.4 Waiver of LD due to Force Majeure:** No Liquidated Damages shall be levied for delays directly caused by events of Force Majeure, including, without limitation, acts of God, natural disasters, war, civil unrest, epidemics or pandemics, government restrictions, or any other circumstances beyond the reasonable control of the Supplier. To qualify for this waiver, the Supplier shall notify ICAT in writing *within 7 days* of the occurrence of such event and provide adequate evidence demonstrating that the delay was solely due to the Force Majeure event and could not have been avoided despite exercising reasonable care and diligence.
- 4.5 Recovery:** ICAT shall have the right to deduct the LD amount from payments due to the Supplier, invoke Performance Bank Guarantee (PBG), or recover it through any other legal means, subject to the provisions of Force Majeure.
- 4.6 Cumulative Remedies:** Recovery of LD shall be without prejudice to ICAT's other rights and remedies, including but not limited to termination of contract, withholding payments, or claiming damages for loss incurred due to delay.

5. Warranty Conditions

- 5.1 Warranty Period:** The Supplier/Bidder shall provide a warranty against manufacturing defects only for the *Hybrid-III 5th Percentile Female Dummy along with Calibration Jigs & Fixtures, for a period of twelve (12) months from the date of successful installation, commissioning, and acceptance by ICAT.*
- 5.2 Scope of Warranty:** As the Crash Test Dummy is intended for use in destructive testing applications, the Bidder shall clearly specify in its bid the detailed inclusions and exclusions applicable under the warranty for all items offered. During the warranty period, the Supplier shall, at no additional cost to ICAT, be responsible for the repair, replacement, or rectification of defects attributable solely to manufacturing defects, defective design, material, workmanship, or non-conformity with the specified technical and performance requirements. Any parts replaced under warranty shall be new, genuine, and of equivalent or higher quality than the original components.
- 5.3 Response and Resolution Time:** The Supplier shall acknowledge and respond to any warranty claim within *forty-eight (48) hours* of notification by ICAT. The reported issue shall be rectified within a reasonable period not exceeding *ten (10) days* from the date of such notification. In the event of **repeated failures, non-response, or undue delay**, ICAT reserves the right to undertake repair or

Additional Terms & Conditions (ATC)

rectification through an **alternative agency/vendor at the risk and cost of the Supplier**, without prejudice to any other rights or remedies available to ICAT under the Contract.

- 5.4 **Warranty Exclusions:** The warranty shall not cover defects or damages arising from normal wear and tear due to destructive testing, misuse, mishandling, unauthorized modification, improper storage or operation, accidents, natural calamities, or any circumstances beyond the reasonable control of the Supplier.
- 5.5 **Warranty Support Obligations:** The Supplier shall ensure availability of adequate spare parts, technical documentation, and qualified technical personnel necessary to provide effective warranty support during the warranty period. ICAT reserves the right to inspect and verify any repaired or replaced components to ensure compliance with the technical specifications and contractual requirements.
- 5.6 **Non-Compliance with Warranty Obligations:** Failure of the Supplier to fulfil the warranty obligations specified herein may result in imposition of penalties, invocation of Performance Security/Performance Bank Guarantee, or any other remedies available to ICAT as per the terms and conditions of the tender/contract.
- 5.7 **Without Prejudice:** The warranty provisions specified herein shall be in addition to and without prejudice to any other rights or remedies available to ICAT under the Contract, applicable laws, or established principles governing public procurement.

6. Delivery, Packaging, and Insurance Instructions

- 6.1 **Delivery Terms:** The delivery of the equipment shall be on FOR (Free on Road) basis to the premises of the International Centre for Automotive Technology (ICAT, Centre-II), Manesar, Haryana. The successful bidder shall bear all risks, responsibilities, and costs associated with the transportation of the *Hybrid-III 5th Percentile Female Dummy along with Calibration Jigs & Fixtures* and all related components up to the designated delivery location at the ICAT project site.
- 6.2 **Loading, Transportation, and Unloading:** The successful bidder shall be solely responsible for the loading, transportation, unloading, and safe handling of the equipment at the ICAT project site. All necessary manpower, tools, handling equipment, and resources required for these operations shall be arranged and borne by the bidder at no additional cost to ICAT.
- 6.3 **Packaging:** The equipment shall be securely and adequately packed to prevent any damage, deterioration, or loss during transit, handling, and storage. Packaging shall conform to internationally accepted standards and best practices for heavy, sensitive, and precision equipment of this nature. Packing materials shall provide protection against moisture, dust, corrosion, mechanical shocks, and any other potential hazards associated with long-distance transportation. Packaging shall also be designed to facilitate safe and efficient handling during unloading and installation.
- 6.4 **Marking and Labelling:** Each package shall be clearly and permanently marked with Consignee details, Purchase order/reference number, Package number, Handling instructions, and any other information necessary to ensure safe, accurate, and compliant transportation, handling, and storage.
- 6.5 **Insurance:** The successful bidder shall arrange, maintain, and bear the full cost of comprehensive insurance coverage for the equipment, including all components and accessories, against loss or damage during transit, storage, and until final acceptance at ICAT premises. The insurance policy shall remain valid from the time of dispatch until the equipment is duly received, inspected, at the ICAT site.
- 6.6 **Claims and Liability:** In the event of any loss, damage, or shortage during transit or unloading, the bidder shall be solely responsible for lodging claims with the carrier or insurance provider and for ensuring replacement of the damaged equipment at no additional cost to ICAT. ICAT shall not be liable for any such loss or damage occurring prior to formal acceptance of the equipment.
- 6.7 **Documentation:** The bidder shall provide all necessary documentation for shipment, packing, and insurance, including but not limited to Packing list, Insurance certificate, Bill of lading/airway bill,

Additional Terms & Conditions (ATC)

and any other documents required for smooth transportation, customs clearance, handling, and delivery at ICAT premises.

7. Assignment and Sub-Contracting

- The Successful Bidder shall not, without the prior written consent of the Procuring Entity, sublet, assign, transfer, delegate, or otherwise dispose of the Contract or any part thereof, or any rights, interests, benefits, or obligations arising therefrom, in any manner whatsoever.
- The Successful Bidder shall provide the Procuring Entity with prompt written notification of all subcontracts awarded under this Contract that were not disclosed in the original bid or contract documentation. Such notification shall not relieve or discharge the Successful Bidder from any liability, obligation, or responsibility under this Contract.
- Subcontracting shall be permitted solely for the procurement of bought-out items and incidental works or services directly related to the execution of the Contract. All subcontracted work shall be subject to the Successful Bidder's full responsibility and compliance with the terms, conditions, and obligations of this Contract. Subcontracting shall not be used to circumvent or diminish the Successful Bidder's contractual responsibilities or performance obligations.
- Any assignment, subletting, or transfer of the Contract, or any part thereof, without the prior written approval of the Procuring Entity, shall be deemed a material breach of Contract. In the event of such unauthorized assignment or subcontracting, the Procuring Entity reserves the right to invoke any or all remedies available under the Contract and/or applicable law, including but not limited to termination of the Contract, forfeiture of performance guarantees, and claims for damages.

8. Pre-Delivery Inspection (PDI)

- 8.1 **Arrangement of PDI:** Prior to the delivery of the *Hybrid-III 5th Percentile Female Dummy along with Calibration Jigs & Fixtures*, the Successful Bidder shall arrange for a Pre-Delivery Inspection (PDI) to be conducted either at the Successful Bidder's site or at a mutually agreed location or can be conducted virtually by online platforms (with recording) as agreed by the purchaser. The PDI shall be conducted strictly in accordance with the checklist provided in "*Chapter - 7*" attached to the tender documents.
- 8.2 **Notice for PDI:** The Successful Bidder shall provide the Purchaser with a written notice of at least *thirty (30) calendar days* prior to the scheduled date of the PDI to facilitate the participation of the Purchaser's authorized representatives.
- 8.3 **Inspection and Testing:** During the PDI, the Purchaser or its authorized representatives shall have the right to inspect, test, and verify the performance and functionality of the Hybrid-III 5th Percentile Female Dummy along with calibration jigs & fixtures. Should any discrepancies, defects, or non-conformities be identified, the Successful Bidder shall be obligated to rectify the same at its own cost and within a reasonable time frame prior to shipment.
- 8.4 **Approval for Dispatch:** Dispatch of equipment shall be undertaken only after completion of PDI and receipt of written dispatch clearance from ICAT. Such clearance shall not be construed as final acceptance under the Contract.
- 8.5 **Postponement or Non-Attendance of PDI by Purchaser:** ICAT may Postpone PDI by up to *Fifteen (15) Calendar Days*, provided written intimation is given at least *Fifteen (15) Calendar Days* prior to the scheduled PDI date or Waive participation in PDI. Where ICAT postpones PDI, no penalties or Liquidated Damages shall be levied on the Successful Bidder on account of such postponement. If ICAT waives participation or does not attend the rescheduled PDI, the Successful Bidder may proceed with inspection in accordance with the prescribed checklist and submit the relevant inspection reports and Certificate of Conformity.
- 8.6 **Effect of Non-Attendance:** In the event of ICAT's non-attendance, the inspection documents duly certified by the Successful Bidder's authorized Quality Assurance representative shall be accepted for the limited purpose of permitting dispatch. However, such certification shall not constitute final

Additional Terms & Conditions (ATC)

acceptance, limit ICAT's right to conduct verification at site, prejudice ICAT's right to reject defective or non-conforming equipment, or relieve the Successful Bidder of its warranty, performance, or defect liability obligations under the Contract.

8.7 Costs and Expenses: All costs related to conduct of PDI shall be borne by the Successful Bidder. Travel, lodging, boarding, and daily allowance expenses of ICAT's representatives, if deputed, shall be borne by ICAT.

9. Training Requirement Clause: As an integral part of the scope of work for the *Hybrid-III 5th Percentile Female Dummy Along With Calibration Jigs & Fixtures*, the Successful Bidder shall be responsible for providing comprehensive training to designated personnel of the International Centre for Automotive Technology (ICAT), including the Technical and Maintenance teams, during the acceptance and commissioning phase of the equipment.

The training shall be conducted exclusively at the Purchaser's facility and shall comprehensively cover the following areas, without limitation:

- **Installation Procedures:** The Successful Bidder shall provide detailed and practical training to ICAT's Maintenance Team on the proper installation methodologies, protocols, and safety practices.
- **Commissioning:** The Successful Bidder shall train both the Technical and Maintenance teams on the commissioning process to ensure the equipment's operational readiness, adherence to performance specifications, and compliance with applicable standards.
- **Operational Training:** The Successful Bidder shall impart hands-on training to the Operational Team on the effective and safe operation of the **Hybrid-III 5th percentile female dummy along with calibration jigs & fixtures**, encompassing all relevant functionalities and operational safety protocols.
- **Maintenance Training:** The Successful Bidder shall provide detailed training to the Maintenance Team on routine, preventive maintenance, fault diagnosis, troubleshooting, and overall upkeep to ensure sustained performance and reliability of the equipment.

The Successful Bidder shall supply all requisite training materials, including manuals, technical documents, and operational guidelines in the English language. Such documentation shall be furnished in both printed and digital formats, as deemed appropriate, to facilitate effective knowledge transfer and future reference.

10. ICAT's Rights

- 10.1 Right to Inspect and Verify:** The International Centre for Automotive Technology (ICAT) reserves the right to inspect, test, and verify the *Hybrid-III 5th Percentile Female Dummy Along With Calibration Jigs & Fixtures* and all related components at any stage during manufacturing, pre-delivery, installation, commissioning, and operational phases to ensure strict compliance with the tender specifications, contractual terms, and applicable standards.
- 10.2 Right to Reject:** ICAT shall have the right to reject any equipment, parts, or services that do not conform to the prescribed technical specifications, quality requirements, or contractual obligations without prejudice to its rights under the contract. Rejected goods or services shall be replaced or rectified by the Successful Bidder at no additional cost to ICAT within the stipulated time frame.
- 10.3 Right to Seek Clarifications and Modifications:** ICAT reserves the right to seek clarifications, request additional information, or require modifications to the equipment or services at any point during the contract period to ensure alignment with its operational requirements and safety standards.
- 10.4 Right to Audit and Access Records:** ICAT shall have the right to audit, access, and review all relevant documentation, quality records, test reports, and certifications related to the *Hybrid-III 5th percentile female dummy along with calibration jigs & fixtures* supplied under this contract.
- 10.5 Right to Enforce Contractual Remedies:** In the event of breach, delay, or non-performance by the Successful Bidder, ICAT reserves the right to invoke any and all remedies available under the contract, including but not limited to penalties, liquidated damages, withholding of payments, or termination of the contract.

Additional Terms & Conditions (ATC)

- 10.6 Right to Final Acceptance:** The final acceptance of the *Hybrid-III 5th Percentile Female Dummy Along With Calibration Jigs & Fixtures* shall rest solely with ICAT and shall be contingent upon satisfactory fulfilment of all technical, operational, and contractual requirements as determined by ICAT's authorized representatives.
- 10.7 Right to Reject, Modify, or Cancel Tender:** ICAT expressly reserves the right to reject, modify, or cancel the tender process, in whole or in part, at any stage without assigning any reason thereof and without incurring any liability whatsoever to any bidder or party.
- 11. Payment Terms:** The total contract value shall be payable to the Successful Bidder in accordance with the following milestone-based payment schedule, subject to fulfillment of the contractual obligations related to the *Supply, Installation, Integration, Commissioning, Training and Acceptance of the Hybrid-III 5th Percentile Female Dummy Along With Calibration Jigs & Fixtures*.

12. Performance Security

12.1 Submission of Performance Security: The Successful Bidder shall furnish a Performance Security for an amount equivalent to **five percent (5%)** of the total contract value, within fifteen (15) days from the date of award of contract on the GeM portal.

12.2 Form and Validity: The successful Bidder shall submit the **Performance Security** in the form of an **Unconditional Bank Guarantee (PBG) or Fixed Deposit Receipt (FDR)** issued by any **Scheduled Commercial Bank in India**, in favour of **“International Centre for Automotive Technology (ICAT)”**, payable at **Manesar/Gurugram, Haryana**.

The Performance Security shall remain valid for a period covering the **entire warranty period of twelve (12) months**, calculated from the date of **successful installation, commissioning, and final acceptance of the equipment by ICAT**.

In case the Performance Security is submitted in the form of a **Performance Bank Guarantee (PBG)**, the same shall be **irrevocable, unconditional, and payable on demand**, and shall secure the **due performance and fulfilment of all contractual obligations** by the Supplier under the Contract.

The **Performance Bank Guarantee shall remain valid for the entire Contract/Warranty period** and shall also contain a **provision for a claim settlement period of ninety (90) days beyond the date of expiry of the Performance Bank Guarantee**, during which ICAT shall have the right to **invoke the guarantee for settlement of any claims arising out of or in connection with the Contract**.

12.3 Purpose and Invocation: The Performance Security shall serve as a safeguard against any failure of the Successful Bidder to perform its obligations under the contract. ICAT reserves the right to invoke the Performance Security, in part or in full, without notice, in the event of any breach of contract, non-performance, delay, or defect in performance during the warranty period.

Additional Terms & Conditions (ATC)

12.4 Release of Performance Security: Subject to satisfactory performance and fulfilment of all contractual obligations by the Successful Bidder, the Performance Security shall be released upon expiry of the warranty period and successful completion of the claim period, against a written request by the bidder and submission of a No Dues Certificate from the concerned ICAT department.

12.5 Failure to Submit Performance Security: Failure on the part of the successful bidder to submit the required Performance Security within the stipulated time period shall be treated as a material breach of contractual obligations. In such an event, the Purchaser (ICAT) reserves the right to take any or all of the following actions, without prejudice to any other rights available under the contract or applicable law

- Cancellation of the contract in part or in full; or
- Forfeiture of any payments/advances made to the bidder, including any Earnest Money Deposit (EMD) or other securities submitted; or
- Blacklisting or debarment of the bidder from participation in future tenders of ICAT; or
- Initiation of legal proceedings or recovery actions for losses, if any, suffered by ICAT due to non-compliance; and/or
- **ICAT reserves the right to retain an amount equivalent to five percent (5%) of the total Contract Value from the final invoice/payment as Performance Security.** Such retained amount shall be **held by ICAT without any interest** and shall be **released after the successful completion of the warranty period**, subject to satisfactory performance and fulfilment of all contractual obligations by the Supplier; or
- Any other action as may be deemed appropriate by ICAT in accordance with the terms of the contract and applicable Government of India procurement policies.

The decision of ICAT in this regard shall be final and binding on the bidder.

13. Billing Address: International Centre for Automotive Technology (Centre - 1), Plot No. 26, Sector - 3, IMT Manesar, Gurugram - 122051 (GST No. 06AABAN9435G2ZI)

14. Offer Validity: Offers should be valid for a minimum of *One Hundred Eighty (180) Days* from the date of opening the Technical Bid. A bid, valid for a shorter period, is liable to be rejected. ICAT and Manesar may ask the bidders to extend the period of validity, if required.

15. Price: The prices are to be quoted in INR in figures only. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected.

16. The tender document is not an offer and is issued with no commitment. ICAT reserves the right to withdraw this notice inviting tender or vary any part thereof at any stage. ICAT further reserves the right to disqualify any bidder, should it be so necessary at any stage. ICAT reserves the right to reject any or all the tenders, wholly or partly, without assigning any reason thereof and shall not be bound to accept the lowest tender.

17. Qualification Criteria: The bidder whose bid meets the technical specification and evaluation criteria given above would only be considered (As per conditions mentioned in Evaluation Criteria).

18. System of Award of Contract: The bidder who satisfies the qualification criteria and offers lowest (L1) would be selected.

19. Applicability of ATC and GeM General Terms and Conditions: All provisions, stipulations, obligations, and requirements set forth in the Additional Terms and Conditions (ATC) shall be strictly binding and enforceable upon all bidders, without exception. In respect of any matter, condition, or contingency that is not expressly covered, specified, or regulated under the ATC, the GeM General Terms and Conditions shall

Additional Terms & Conditions (ATC)

ipso facto govern such aspects and shall be deemed to be incorporated into, and to form an integral part of, this tender document with full force and effect.

20. Please ensure that ATC documents must be signed and stamped on all pages as a token of acceptance of all the terms and conditions.
21. Once submitted in e-Procurement, Bidder cannot view or modify his bid since it is locked by encryption. However, resubmission of the bid by the bidders for any number of times superseding earlier bid(s) before the date and time of submission is allowed. Resubmission of a bid shall require uploading of all documents, including financial bid afresh. The system shall consider only the last bid submitted as the valid bid. The bidder may withdraw his bid before the bid submission deadline, and it shall be marked as withdrawn and shall not get opened during the Bid opening. No bid should be withdrawn after the deadline for the bid submission and before the expiry of the bid validity period.
22. **Corrigenda to the tender document:** Before the deadline for submitting bids, the Buyer may update, amend, modify, or supplement the information, assessment or assumptions contained in the Tender Document by issuing a corrigendum. The corrigenda shall be published in the same manner as the original Tender Document through GeM portal. Without any liability or obligation, the Portal may send intimation of such corrigenda to bidders who have downloaded the document under their login. However, the bidders' responsibility is to check the portal for any corrigenda. Bidders are therefore requested to regularly visit GeM portal for updates. Any corrigendum thus issued shall be considered a part of the Tender Document. To give reasonable time to the prospective bidders to take such corrigendum into account in preparing their bids, the Buyer may suitably extend the deadline for the bid submission, as necessary. After the Buyer makes such modifications, any Bidder who has submitted his bid in response to the original invitation shall have the opportunity to either withdraw his bid or re-submit his bid superseding the original bid within the extended time of submission.
23. This Enquiry is a two-part tender. Against **Part - I bid**, bidders must submit only documents required against **"Technical Specifications, Pre-Qualification & Technical Evaluation Criteria - Chapter - 4 and ATC"**. Bidders must not divulge price of tendered item in technical bid. Violation of the same may lead to rejection of the bid. Bidders must quote prices in **Part - II bid (price bid)** only.
24. **Eligibility Criteria:** Subject to provisions in the Tender Document as per enclosed **"Technical Specifications and Pre-Qualification & Technical Evaluation Criteria - Chapter - 4"** of the tendered item, participation in this Tender Process is open to all bidders who fulfil the 'Qualification' criteria Bidders are required to submit all documents as per the Pre-Qualification & Technical Evaluation Criteria along with Part 1 bid, to ensure the eligibility of their offer. Failure to submit any of the certificates/ documents specified in the Bid Document or any subsequent Corrigendum to the tender, within the stipulated time, can result in rejection of the offer.
25. **Submission of Modifications, Deviations or Improvements to the Conditions of Contract**
 - i. **Permissibility and Stage of Submission:** Bidders may, only up to and including the Pre-Bid Meeting stage, propose deviations, modifications, or improvements to the Conditions of Contract, if considered necessary. Such proposals shall be limited in scope, shall be fully justified, and shall be directly relevant to the scope, objectives, and deliverables of the Tender, and demonstrably in the best interest of the International Centre for Automotive Technology (ICAT). Under no circumstances shall any proposed deviation, modification, or improvement alter the fundamental nature, scope, technical requirements, commercial framework, or objectives of this Tender.
 - ii. **Manner, Format, and Deadline for Submission:** All proposed deviations, modifications, or improvements shall be submitted strictly in the prescribed format, namely **"Form XII - Deviations or Modifications Suggested"** and shall be uploaded through the Government e-Marketplace (GeM) portal

Additional Terms & Conditions (ATC)

or submitted to the designated email address(es) as specified in the Tender Document. Any proposal submitted after the Pre-Bid Meeting, or after the stipulated deadline, shall not be accepted, considered, or entertained under any circumstances and shall be summarily disregarded.

- iii. **Declaration of No Deviation:** Bidders who do not intend to propose any deviations, modifications, or improvements shall submit an explicit declaration to that effect by indicating ***“No Deviation Suggested” in Form XI. Failure to submit either Form XI or Form XII*** within the prescribed time shall be deemed to constitute the Bidder’s unconditional, irrevocable, and unqualified acceptance of all terms, conditions, and provisions of the Tender Document, without any exception, reservation, or qualification whatsoever.
 - iv. **Finality and Prohibition of Post Pre-Bid Deviations:** No deviations, modifications, clarifications, conditional terms, or alternative proposals shall be accepted after the Pre-Bid Meeting, at the time of bid submission, or at any subsequent stage of the tender process. Any bid containing conditional terms, unauthorized deviations, late submissions, or non-compliant proposals shall be liable to rejection outright, without any obligation on ICAT to seek clarifications, conduct correspondence, or provide any opportunity for rectification.
 - v. **Discretion of ICAT:** ICAT reserves the sole, absolute, and unfettered discretion to accept or reject, in whole or in part, any deviation, modification, or improvement proposed within the permitted timeframe. Acceptance of any such proposal, if considered appropriate, shall be communicated only through a formal corrigendum issued to the Tender Document. ICAT may, at its discretion, revise the bid submission schedule to enable prospective bidders to respond to such corrigendum. The decision of ICAT in this regard shall be final, conclusive, and binding on all Bidders.
- 26. Unsatisfactory Performance:** The successful bidder hereby agrees and acknowledges that the International Centre for Automotive Technology (ICAT) shall have the sole and absolute discretion to evaluate and determine the suitability, quality, and performance of any component(s), subsystem(s), or complete system(s) supplied under this contract, whether during the pre-dispatch, inspection, testing, installation, commissioning, or post-commissioning phases.
- If any component, equipment, or system – whether in part or in full – is found to be **deficient, substandard, non-compliant with specifications**, or otherwise **unsatisfactory** in the opinion of ICAT, ICAT reserves the unequivocal right to **reject such component(s) or system(s)** without incurring any liability, financial or otherwise, and **without any obligation to provide justification** or explanation for such rejection.
- The **bidder expressly undertakes** to abide by and accept ICAT’s decision in this regard as **final and binding**, and **waives all rights to contest, dispute, or seek redressal** in respect of such decision. No claim for costs, compensation, or consequential damages shall be entertained by ICAT under such circumstances.
- 27. Termination of Contract:** If the performance of the successful bidder (hereinafter referred to as the “Vendor”) is found to be unsatisfactory – whether in terms of timely delivery, quality of the goods supplied, or non-compliance with the contractual obligations – ICAT shall issue a written notice to the Vendor, treating the same as a formal warning.
- If, notwithstanding the first warning, the Vendor fails to rectify the deficiencies or does not take corrective measures within **fifteen (15) days** from the date of the first notice, a **second and final warning** shall be issued. Should the Vendor continue to remain non-compliant or fail to meet the required performance standards even after issuance of the second warning, **ICAT reserves the right to terminate the contract/work order**, in whole or in part, **by giving one (1) month’s written notice**, without assigning any further reason and without any liability whatsoever on the part of ICAT.

Upon termination:

Additional Terms & Conditions (ATC)

- The contract shall become **null and void** from the date of expiry of the notice period.
- Any pending payment deemed payable to the Vendor, if any, shall be **withheld or forfeited** at the discretion of ICAT.
- **No further claims, liabilities, or compensations** of any kind shall be entertained by ICAT.
- The Vendor shall be required to **withdraw all deployed personnel, equipment, and material** from ICAT premises within **thirty (30) days** from the termination date.
- **Failure to vacate the premises** may lead to ICAT taking appropriate legal and administrative measures.

The **decision of the Competent Authority of ICAT** regarding the performance of the Vendor and termination of the contract shall be **final and binding**.

28. Confidential Information: ICAT and Selected Bidder shall keep confidential and not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of contract.

29. Intellectual Property Rights (IPR)

- **Ownership of Existing Intellectual Property:** All Intellectual Property Rights in the equipment, including patents, designs, trademarks and proprietary technologies, shall remain vested with the Original Equipment Manufacturer (OEM) or the Bidder, as applicable.
- **Right to Use Equipment and Documents:** ICAT shall have the unrestricted right to use the equipment supplied under the Contract for official purposes. The operation, maintenance and user manuals supplied along with the equipment may be copied, stored and shared internally by ICAT for training, operation and maintenance purposes.
- **Embedded Software/Firmware (if any):** Where the equipment includes embedded software or firmware, ICAT shall have a perpetual, royalty-free and non-exclusive license to use the same solely for the operation, maintenance and servicing of the equipment. No separate license fee shall be payable.
- **Non-Infringement Assurance:** The Bidder shall ensure that the supply, installation and use of the equipment by ICAT do not infringe any Intellectual Property Rights of any third party.
- **Indemnity:** The Bidder shall indemnify and hold harmless ICAT from and against any loss, claim, demand, cost or expense arising out of any alleged or actual infringement of Intellectual Property Rights in relation to the supplied equipment.
- **Use of ICAT Name and Logo:** The Bidder shall not use the name, logo, emblem or any official identification of ICAT for publicity, advertisement or commercial purposes without prior written approval of ICAT.
- **Survival:** The provisions of this clause shall survive the completion, expiry or termination of the Contract.

30. Indemnity: The Successful Bidder/Vendor shall defend, indemnify and hold harmless ICAT, its officers, employees and representatives, from and against any and all actions, causes of action, claims, demands, liabilities, suits, proceedings, judgments, liens, awards, damages, losses, costs and expenses, including costs of litigation and legal fees, to the extent such claims arise out of or are attributable to

- Any infringement or alleged infringement of Intellectual Property Rights, including patents, copyrights, trademarks or designs.
- Any wrongful use or unauthorized disclosure of trade secrets or confidential information; or
- Any act, omission or negligence on the part of the Successful Bidder/Vendor or its personnel, in connection with the performance of the Contract or the supply, installation, use or operation of the goods and/or services provided thereunder.

Additional Terms & Conditions (ATC)

31. Dispute Resolution (Arbitration): In the event of any dispute or difference arising between the International Centre for Automotive Technology (ICAT) and the Contractor/Supplier in connection with or arising out of this Contract, including any matter relating to the interpretation or performance of its terms, the parties shall endeavor to resolve such disputes amicably through mutual discussion and consultation.

If the dispute remains unresolved after thirty (30) days of such mutual discussions, the matter shall, subject to the provisions herein, be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996, and any amendments thereto.

Subject to the guidelines issued by the *Department of Expenditure, Ministry of Finance, vide OM No. F.1/2/2024-PPD dated 03.06.2024*, arbitration shall be an available method of dispute resolution only where the value of the dispute is less than ₹10 crores (Rupees Ten Crore). This threshold refers to the value of the dispute and not the overall value of the contract. For disputes where the value exceeds ₹10 crores, the parties shall resolve the matter through appropriate judicial forums and arbitration shall not be applicable. Where arbitration is permissible, a Sole Arbitrator shall be appointed by the Director (ICAT), with the mutual concurrence of both parties. The decision of the Sole Arbitrator shall be final and binding on both parties.

The arbitration proceedings shall be conducted in the English language, and the venue of arbitration shall be Gurugram, Haryana. The parties agree that they shall not approach any court of law for the resolution of disputes unless the arbitration mechanism provided herein is exhausted, where applicable.

Subject to the above, the courts at Gurugram, Haryana, shall have exclusive jurisdiction over all matters arising under this contract.

32. Law of the Republic of India are applicable to this tender.

33. Force Majeure: For this Contract, "Force Majeure" shall mean any event or circumstance beyond the reasonable control of either party (the Successful Bidder or ICAT) which was not reasonably foreseeable, or which, with the exercise of due diligence, could not have been foreseen or prevented, and which materially and adversely affects the performance of obligations under this Contract.

Events qualifying as Force Majeure shall include, but not be limited to, the following:

- Natural calamities such as floods, droughts, earthquakes, hurricanes, cyclones, lightning, or other acts of God.
- Pandemics or epidemics, or any public health emergency declared by competent authorities.
- Acts of war (declared or undeclared), hostilities, invasion, armed conflict, terrorism, civil unrest, riots, or sabotage.
- Acts or orders of Government authorities, including but not limited to quarantine restrictions, embargoes, prohibitions, or trade restrictions imposed by any competent government authority.
- Freight embargoes, restrictions on transportation, or any unforeseen change in law or government policy materially impacting contract performance.

Obligations during Force Majeure: The party affected by a Force Majeure event shall, within **Seven (7) calendar days** of the occurrence of such event, **notify the other party in writing**, providing sufficient details and evidence of the Force Majeure circumstances and its anticipated impact on the performance of contractual obligations.

Neither party shall be held liable for any **delay or failure** in the performance of its contractual obligations arising directly from such Force Majeure event, provided that:

- The obligations affected are directly related to the Force Majeure event.
- The affected party takes all reasonable steps to mitigate the effect of the Force Majeure on the performance of the contract.
- The performance is resumed as soon as reasonably practicable after the Force Majeure event ceases.

Additional Terms & Conditions (ATC)

If the period of delay due to Force Majeure extends beyond **sixty (60) days**, either party shall have the right to **terminate the contract** by giving **fifteen (15) days' written notice**, without any financial repercussion or liability on either side, subject to settlement of dues already accrued prior to such termination.

The decision of ICAT regarding the existence, duration, and impact of Force Majeure shall be **final and binding** on the successful bidder.

- 34. Conflict of Interest:** The bidder must not have a conflict of interest, which substantially affects fair competition. The prices quoted should be competitive and without adopting any unfair/unethical/ anti-competitive means. Pre-Acceptance Criteria

Acceptance Criteria: All items to be supplied under the Contract, including the principal technical specifications, drawings, documents, and related details, shall be submitted by the Supplier to ICAT for review and approval prior to final acceptance. The acceptance of the equipment and associated deliverables shall be subject to verification and written approval by ICAT confirming that the supplied items conform to the technical specifications, performance requirements, and contractual provisions specified in the Tender/Contract. If ICAT requires any amendments, clarifications, or modifications to the submitted documents or technical details, the Supplier shall promptly revise and resubmit the same in accordance with the observations of ICAT. Such revisions shall be carried out within the time frame specified by ICAT and at no additional cost to ICAT. All such amendments, revisions, or modifications communicated by ICAT shall be binding on the Supplier and shall be deemed to form an integral part of the Supplier's contractual obligations under the Contract.

Pre-Acceptance

- 1. General Requirements:** Prior to delivery, ICAT's duly authorized representatives shall conduct a comprehensive inspection and pre-acceptance testing of the fully assembled equipment to be supplied. The purpose of this inspection and testing is to enable the Supplier to demonstrate complete BOQ list with all the calibration jigs/fixture and certificates, compliance with all technical requirements set forth in the tender documents.
- 2. Non-Compliance and Remedial Actions:** Any defects, deficiencies, or instances of non-compliance identified during the pre-acceptance process shall be rectified by the supplier at its sole cost and expense. All corrective actions shall be carried out to the satisfaction of ICAT and within the timeframe specified by ICAT. No additional charges, extensions, or claims shall be permitted in relation to such remedial work.
- 3. Duration and Limitations:** The pre-acceptance tests shall have a duration of days which satisfies the purpose of the pre acceptance and is acceptable to the ICAT technical team. Completion of the off-site inspections and calibration shall not constitute, nor be construed as, final acceptance of the equipment. Pre-acceptance does not waive ICAT's right to reject the equipment at a later stage should any non-conformity with the tender specifications be discovered.
- 4. Scope of Pre-Acceptance for Specific Equipment:** The pre-acceptance activities shall include, but not be limited to, the verification of the *Hybrid-III 5th Percentile Female Dummy Along with Calibration Jigs & Fixtures*, as referenced in the Scope of Supply.
- 5. Pre-Acceptance Activities:** The pre-acceptance visit shall comprise, at a minimum, the following activities
 - **Visual Inspection** of the actual equipment and all supplied components.

Final Acceptance Test (FAT) Criteria

1. **Initial Verification Procedures:** Upon delivery and installation of the equipment on-site, the following inspections and verifications shall be carried out by ICAT's authorized representatives, in the presence of the Supplier

- **Calibration Verification:** Review and confirmation that the calibration certificates correspond to the serial numbers of the equipment delivered. All calibration values shall be verified to ensure they fall within admissible tolerances.
- **On-Site Recalibration:** A complete recalibration of dummy (assembly/calibration) equipment shall be performed on-site in accordance with the applicable standards and manufacturer procedures.
- **Sensor Validation:** Verification of all sensors, including but not limited to bridges, connectors, and identification features.
- **Software Validation:** Verification of the correct operation of all software components, including the ability to execute required functions and to export, transfer, or dump data in the prescribed formats.
- **System Validation:** Functional validation of all subsystems to ensure they operate in accordance with the technical requirements.
- **Calibration Plan Verification:** Review and validation of the Supplier's proposed calibration plan applicable during the warranty period.
- **Documentation Verification:** Verification of all documentation delivered, including manuals, certificates, technical drawings, software licenses, and maintenance procedures.
- **Operational Inspections with Samples:** Execution of inspections or tests using multiple sample types to demonstrate that the equipment's operation and outputs satisfy all requirements specified in this tender.

2. **Subsequent System Testing:** Upon successful and complete achievement of all initial checks described above, the following tests shall be conducted.

- **Comprehensive Subsystem Evaluation:** The Supplier shall conduct a complete system evaluation and shall demonstrate to the full satisfaction of ICAT the correct and compliant operation of all subsystems and auxiliary devices. The Supplier shall provide evidence that all auxiliary devices meet or exceed the performance, accuracy, and operational requirements specified in the tender documents.

Supplier shall further verify & demonstrate that the equipment interfaces correctly/safely with all required utilities, infrastructure & safety systems, in accordance with all applicable standards and tender specifications.

Any defects, malfunctions, deficiencies, or instances of non-conformity identified at this stage—whether such issues were detected during pre-delivery inspection shall be remedied by the Supplier promptly, at its sole cost and expense, and without any entitlement to additional payment or extension of time.

Additional Terms & Conditions (ATC)

- 3. Acceptance Testing of Auxiliary Devices:** ICAT reserves the right to conduct, or require the Supplier to conduct, any tests referenced in the technical specifications to evaluate the performance of the test, control systems, and all calibration devices. The Supplier shall demonstrate to ICAT's satisfaction that all performance, accuracy, and operational requirements have been fully met.

Additional Terms & Conditions (ATC)

SI No.	Additional Requirements
1.	All calibration equipments, jigs and fixtures for all load cells except upper neck to be provided for Hybrid-III 5th percentile female dummy. H-point tool set (LH & RH) for Hybrid-III 5 th and 50 th percentile dummy to be provided.
2.	Required Hybrid-III 5th percentile female dummy should confirm to US department of transportation, Code of Federal Regulations Part 572 Subpart O, except for modifications and additions stated later. Regulations Part 572 Subpart O, except for modifications and additions stated later.
3.	The parts of the dummy should be following the latest agreed brand harmonized design.
4.	The "Denton" lower leg cavity must be fitted to the driver and passenger for Hybrid-III 5th percentile female dummy is required.
5.	The transduces in the Hybrid-III 5 th percentile female dummy, should comply mounting and sign convention according to the procedure laid out in SAE J211 (1995).
6.	Neoprene neck shields, with part number ABA-211-DN, must be fitted to the driver and rear passenger for Hybrid-III 5th percentile female dummy is required.
7.	The harmonized jacket, according to SAE J2921, must be fitted to the driver and rear passenger for Hybrid-III 5th percentile female dummy is required.
8.	All transducer data channels should have 7-pin lemo (1-B FGG) connector.
9.	Transducer bridge excitation should be compatible with 2V DC, 5V DC and 10V DC.
10.	Cable length of all transducers should be 7meter minimum.
11.	Resistance between sensing bridge to transducer body should be greater than 100Mohm.
12.	Sensor ID module/chip shall be present in all transducers of Hybrid III 5th percentile female dummy.
13.	All the cables of the transducers should be separate detachable cables, shielded and should be specified with details such as pin out and color coding.
14.	Transducer sensing element should be electrically isolated from the mounting surface.
15.	End connector of the transducer lemo suitable for ICAT (Kistler make) KiDAU (model- K3881 KiDAU Classic).
17.	Transducer type should be stain-gauge based /piezo-resistive with full bridge operation.
18.	Operating Temperature range should be between 18-26deg.celcius. with humidity range between 10% RH to 80% RH.
19.	Specify temperature effects on transducer outputs and on transducer body.
20.	All transducer of the Hybrid III 5th percentile female dummy non-linearity should be $\leq \pm 1\%$ of full-scale output.
21.	All transducer of the Hybrid III 5th percentile female dummy hysteresis should be $\leq \pm 1\%$ of full-scale output.
22.	Cross talk value of loadcell less than $< 5\%$ of the capacity.
23.	Overall Dimension, Weight, Footprint/Working Area, Seated Height & manufacturer should comply with the requirement aligned with AIS-197 (Rev1.0).
24.	Bridge input and output impedance of all the transducers should be equal and that should be specified in the calibration certificate.
25.	The chest shall be certified according to the frequency above and should meet both the low-speed thorax test as prescribed by SAE J2878, as well as the full certification test detailed in CFR572. Additionally, chest potentiometer calibration and polynomial post processing shall also be performed as detailed in SAE J2517 for both driver and passenger Hybrid III 5th percentile female dummy is required.
26.	Dummy will be clothed with formfitting cotton stretch garments with short sleeves and bottoms which should not cove the dummy's knees for Hybrid-III 5th percentile female dummy is required.
27.	Latest version of dummy calibration software or updating the existing version of the software required.
