एमएसई खरीद वरीयता/MSE Purchase Preference	Yes
सूक्ष्म और लघु उद्यम मूल उपकरण निर्माताओं को खरीद में प्राथमिकता, यदि उनका मूल्य $L1+X\%$ तक की सीमा में हो / Purchase Preference to MSE OEMs available upto price within $L1+X\%$	15

1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

2. Years of Past Experience required: The bidder must have experience for number of years as indicated above in bid document (ending month of March prior to the bid opening) of providing similar type of services to any Central / State Govt Organization / PSU. Copies of relevant contracts / orders to be uploaded along with bid in support of having provided services during each of the Financial year.

3. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned

Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price. The buyers are advised to refer to the [OM No.1\\_4\\_2021\\_PPD\\_dated\\_18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if the credentials of the service provider are validated on-line in GeM profile as well as validated and approved by the Buyer after evaluation of submitted documents.

4. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price.

5. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

6. Past Experience of Similar Services: The bidder must have successfully executed/completed similar Services over the last three years i.e. the current financial year and the last three financial years(ending month of March prior to the bid opening): -

1. Three similar completed services costing not less than the amount equal to 40% (forty percent) of the estimated cost; or
2. Two similar completed services costing not less than the amount equal to 50% (fifty percent) of the estimated cost; or
3. One similar completed service costing not less than the amount equal to 80% (eighty percent) of the estimated cost.

7. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:

- i. If number of technically qualified bidders are only 2 or 3.
- ii. If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
- iii. In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
- iv. If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
- v. If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

## अस्वीकरण/Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer, is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid. All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM. If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid & resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by the applicable GeM GTC.
13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

**All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws,**

including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and
- All operative provisions of the erstwhile Labour Laws until their complete substitution.

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

**Subsequent Equivalent:** "Subsequent Equivalent" shall refer to materials of equivalent quality, specifications, and performance parameters from alternative brands or manufacturers, which may be proposed by the contractor and shall be subject to prior written approval of the Engineer-in-Charge, specifically in cases where the originally specified brand or material is not available.

**Other Terms & Conditions**

- 1. Site Visit Condition:** Prospective bidders are advised to undertake a site visit to the Test Track area and Pump Room prior to submission of their bids in order to fully acquaint themselves with the existing system configuration, technical requirements, site conditions, access constraints, and other operational parameters relevant to execution of the subject work. The purpose of such visit is to enable bidders to properly assess the scope of work and submit a complete, responsive, and technically compliant offer. The site visit is **optional but strongly recommended**. Bidders shall be deemed to have satisfied themselves regarding all site conditions and execution requirements prior to submission of their bids. All costs, expenses, risks, and liabilities associated with the site visit, including but not limited to travel, accommodation, transportation, logistics, and incidental expenditures, shall be borne entirely by the bidder. ICAT shall not be responsible or liable for, nor entertain any claim whatsoever in this regard.
- 2. Transportation, Handling and Storage:** The Contractor shall be fully responsible for safe packaging, transportation, unloading, handling, and storage of all materials up to site destination. All materials shall be properly protected against damage during transit and storage. Any loss, deterioration, or damage shall be replaced/rectified by the Contractor at its own cost without any liability on ICAT.
- 3. Quality of Materials and Approval:** All materials shall be brand new, unused, and strictly conforming to tender specifications and applicable standards. Prior approval of samples, makes, and technical data sheets from the Engineer-in-Charge shall be obtained before procurement. Non-approved or substandard materials shall be summarily rejected and removed at Contractor's cost.
- 4. Execution of Works:** Execution shall strictly conform to approved drawings, specifications, BOQ, and instructions of ICAT. Any deviation shall require prior written approval of the Engineer-in-Charge. The Contractor shall ensure minimal disruption to ongoing operations at the site.

### Additional Terms & Conditions (ATC)

5. **Product Availability and Substitution:** All offered products shall be current, not declared end-of-life/end-of-sale. In case of unavailability, replacement shall be made with equal or superior specifications at no additional cost, subject to written approval of ICAT.
6. **Technical Compliance:** Full compliance with technical specifications is mandatory. Bidder shall submit a Statement of Compliance along with supporting technical literature. Any deviation may lead to rejection of the bid.
7. **Site Conditions and Risk Assessment:** The Contractor shall be deemed to have accounted for all site-related factors including statutory requirements, taxes, labour conditions, access constraints, disposal requirements, and logistics. No additional claims shall be admissible.
8. **Scope Compliance and Unauthorized Work:** Only works within approved scope, drawings, and written instructions shall be measured and paid. Any unauthorized work shall be deemed non-payable unless expressly approved in writing.
9. **Incidental Civil and Structural Works:** Any civil, structural, or foundation-related works required for the proper execution, installation, testing, and commissioning of the project shall be deemed to be incidental and integral to the scope of the Contract. The Bidder/Contractor shall execute all such works at its own cost, risk, and responsibility, without any additional financial implication to the Employer. Such incidental works shall not be construed as extra or substituted items and shall not entitle the Bidder/Contractor to any claim for additional payment, compensation, or extension of time under any circumstances.
10. **Execution Based on Employer's Written Instructions:** Any modification, strengthening, retrofitting, alteration, or restoration of existing civil, structural, or foundation infrastructure shall be carried out strictly only upon prior written instructions issued by the Employer (ICAT) and only to the extent explicitly approved therein. Unless specifically and expressly included in such written instructions, such works shall be deemed to be outside the base scope of work and shall not be undertaken by the Contractor on its own accord.
11. **Contractor's Liability and Non-Admissibility of Claims:** The Bidder/Contractor shall be solely responsible for the adequacy of its site assessment, design considerations, engineering methodology, and execution practices. Any delay, defect, deficiency, damage, safety hazard, or performance failure arising out of improper assessment of site conditions, incorrect assumptions, or misuse/inadequacy of existing infrastructure shall be entirely to the Contractor's account. No claim of whatsoever nature, including but not limited to claims for additional payment, idle charges, damages, or extension of time, shall be entertained by the Employer on these grounds.
12. **Defects Liability Period (DLP):** The Contractor shall be responsible for rectification of defects arising from material, workmanship, or design deficiencies for a period of **12 Months** from virtual completion and acceptance. In case of failure, ICAT may carry out rectification at Contractor's risk and cost.
13. **Completion Period and Monitoring:** The entire work shall be completed within 120 Calendar Days from GeM Contract Date. Time is the essence of contract. Extension may be granted only under force majeure or written approval of ICAT. Contractor shall submit a detailed work schedule and progress reports.
14. **Payment Terms:** 100% Payment shall be released strictly after the successful completion of **"Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works at Track Area at ICAT Centre - 2, Manesar (Haryana)"**, and upon fulfilment of all contractual obligations by the Contractor.

**The Contractor shall be eligible for payment only after:**

- Complete execution of all works in accordance with the specifications, drawings, and terms & conditions stipulated in the Tender Document/ Agreement.

### Additional Terms & Conditions (ATC)

- Successful testing, commissioning, and handing over of the entire system to the satisfaction of the Engineer-in-Charge.
- Certification of work completion and bill verification by the Engineer-in-Charge.

No advance payment shall be made unless specifically provided elsewhere in the Contract. All payments shall be subject to statutory deductions as applicable under prevailing laws. The Employer reserves the right to withhold or adjust payments in case of any defects, deficiencies, or non-compliance with contractual provisions. Final payment shall be released only after issuance of Completion Certificate and acceptance of the works, and after due adjustment of all recoveries, penalties (if any), and statutory liabilities.

**15. Performance Security:** The Contractor shall submit a Performance Bank Guarantee (PBG) equivalent to 10% of contract value, valid throughout contract period including DLP. In case of non-submission, equivalent retention shall be deducted from final Invoice.

**16. No Interest Clause:** No interest shall be payable on delayed payments or withheld amounts under any circumstances.

**17. Damage, Defects and Rectification:** The Contractor shall be fully responsible for any damage to property or executed works. Defective or substandard work shall be rectified/replaced at Contractor's cost, irrespective of prior approval or payment.

**18. Urgent Works:** In case of urgency affecting safety or operations, ICAT reserves the right to execute work through other agencies at Contractor's risk and cost if Contractor fails to act promptly.

**19. Contractual Responsibility:** The Contractor shall remain fully responsible for the works from commencement till completion and handover in satisfactory working condition.

**20. Integration, Tools, and Resources:** The Bidder/Contractor shall be solely responsible for the complete integration of all components, subsystems, and associated works required for the successful execution of the Project, including but not limited to supply, installation, testing, and commissioning of the water pipeline system and allied infrastructure. The scope shall include ensuring compatibility, interoperability, and seamless functioning of all equipment and systems, whether explicitly specified or reasonably implied for achieving the intended performance.

The Contractor shall, at its own cost and responsibility, arrange all necessary tools, tackles, plants and machinery, testing equipment, consumables, temporary works, utilities, skilled/unskilled manpower, supervision, and other resources required for the timely and satisfactory completion of the work. **No tools, equipment, or resources shall be provided by the Buyer unless expressly stated otherwise in this Tender Document.** No additional payment shall be admissible on account of deployment, mobilization, or use of such resources.

All tools, equipment, and testing instruments deployed at site shall be in good working condition, properly calibrated (wherever applicable), and compliant with relevant standards and statutory requirements. The Contractor shall maintain adequate redundancy of critical resources to avoid any disruption to the project schedule.

The Contractor shall also be responsible for coordination and interface management with other agencies, contractors, or stakeholders involved at site, if any, to ensure smooth integration and execution of the works without hindrance or delay.

Any deficiency in integration, inadequacy of tools and resources, or failure to ensure proper coordination shall be deemed as non-performance under the Contract, and no claim for additional cost or extension of time shall be entertained on this account.

**21. Excepted Risks:** In case of force majeure events, Contractor shall remove damaged work as directed and complete balance works. No compensation shall be payable for failure due to non-performance or negligence.

### Additional Terms & Conditions (ATC)

22. **Indemnity:** The Contractor shall indemnify ICAT against all third-party claims arising out of execution of works, except those arising solely due to force majeure events.
23. **Insurance Requirements:** Contractor shall maintain valid Contractor's All Risk (CAR) and Third-Party Liability Insurance throughout contract period and furnish proof of renewal as required. Valid insurance documents and premium receipts shall be submitted on demand by ICAT.
24. **Statutory Compliance:** The Contractor shall comply with all applicable labour laws and statutory provisions and indemnify ICAT against any liability arising from non-compliance.
25. **Statutory Deductions:** All applicable statutory deductions including TDS, GST, labour cess, etc. shall be made from Contractor's payments.
26. **Site Cleanliness and Waste Disposal:** The Contractor shall maintain site cleanliness and remove all debris and surplus materials at its own cost. Failure shall entitle ICAT to undertake clearance at Contractor's risk and cost.
27. **Labour Welfare and Transportation:** Contractor shall be responsible for labour transportation and compliance with all welfare provisions under applicable laws at no extra cost to ICAT.
28. **Project Site:** International Centre for Automotive Technology (ICAT Centre - 2), Plot No. 1, Sector - M11, Near Maruti Gate No. 4, IMT Manesar, Gurugram - 122051, Haryana.
29. **Billing Address:** International Centre for Automotive Technology (ICAT), Plot No. 26, Sector-3, IMT Manesar, Gurugram - 122051, Haryana, GSTIN: 06AABAN9435G2ZI

## Additional Terms & Conditions (ATC)

### Chapter - 2

#### Instructions To Bidders

1. **Submission of Quotation and Technical Documentation:** The Bidder shall submit a complete and comprehensive quotation in strict conformity with the detailed Scope of Work and Services as specified in "**Chapter - 1**" of the *Additional Terms and Conditions (ATC) document*. The submission must encompass both the technical and financial proposals, duly separated and prepared in accordance with the requirements and formats prescribed in the tender documents. The technical bid shall include all requisite technical documentation, specifications, detailed drawings, product literature, and any other supporting information necessary to demonstrate full compliance with the tender specifications. Non-compliance with the stipulated submission requirements or failure to provide the requisite technical and financial details may result in rejection of the bid at the sole discretion of the Purchaser.
2. **Proposal Submission Compliance and Documentation Requirements:** The Bidder is required to submit their proposal in strict compliance with all terms, conditions, and requirements outlined in this tender document. The technical bid must include comprehensive details of the proposed solution, including the products, services, specifications, and relevant technical literature clearly demonstrating conformance to the specified requirements. Failure to adhere to any of the above requirements may render the bid liable for rejection at the sole discretion of the Purchaser.
3. **Submission of Signed Tender Documents and Supporting Documentation:** The Bidder shall submit, as part of their proposal, a duly signed and stamped copy of the entire tender document, including all corrigenda, amendments, and annexures issued, as a token of unconditional acceptance of all terms, conditions, and specifications contained therein.  
Additionally, all forms, declarations, schedules, and annexures enclosed with the tender/bid document must be duly filled, signed, and stamped by the authorized signatory of the Bidder and submitted in accordance with the instructions provided.  
The Bidder shall also furnish all supporting documents as specified in the tender, including those required under the eligibility criteria, technical specifications, and any other qualifying requirements. Failure to submit any of the required documents, or submission of incomplete, unsigned, or unstamped documents, may result in rejection of the bid at the sole discretion of the Purchaser.  
It is the sole responsibility of the Bidder to ensure that the submitted bid is complete in all respects and compliant with the tender requirements. No claim shall be entertained on account of incomplete submission or non-compliance with the stated instructions.
4. **Site Visit**
  - 4.1 **Site Visit Requirement:** Prospective bidders are strongly advised to undertake a site visit prior to submission of their bids. The purpose of the site visit is to enable bidders to familiarize themselves with the existing infrastructure, installation constraints, technical requirements, environmental conditions, and any other relevant aspects that may impact the execution of the contract. This will assist bidders in preparing a complete, accurate, and fully compliant bid.
  - 4.2 **Schedule for Site Visit:** The site visit shall be permitted strictly during the period from **15<sup>th</sup> May' 2026 to 2<sup>nd</sup> June' 2026, during ICAT's office hours, i.e., 08:30 Hrs to 17:00 Hrs.** Bidders shall submit a written request to ICAT at least **two (2) working days** prior to the intended date of visit to facilitate necessary coordination and access arrangements. No unscheduled or walk-in visits shall be permitted.
  - 4.3 **Costs and Expenses:** All costs and expenses associated with the site visit, including but not limited to travel, boarding, lodging, and any other incidental charges, shall be borne entirely by the bidder. ICAT shall have no financial obligation in this regard.
  - 4.4 **Disclaimer and Acknowledgment:** Failure to undertake the site visit within the specified timeline shall not constitute a valid ground for seeking any clarification, extension of the bid submission deadline, or raising any claim, dispute, or grievance at any stage of the tendering process or during

### Additional Terms & Conditions (ATC)

execution of the contract. By submitting a bid, the bidder shall be deemed to have fully acquainted themselves with all site conditions, constraints, and requirements, and to have prepared and submitted their proposal in complete conformity with the specifications, terms, and conditions stipulated in the bid document issued by ICAT.

4.5 **Site Visit Request and Contact Details:** All requests for site visits shall be made by contacting the undersigned representative of the ICAT

**Contact Person: Mr. Shalender – PE C2 Department**

**Contact No.:** +91-9625174059

**Email ID:** [shalender.pe@icat.in](mailto:shalender.pe@icat.in)

5 **Clarifications, Deviations, and Conditional Bids:** Bidders are strictly advised to submit their bids in full compliance with all terms, conditions, technical specifications, and requirements stipulated in this tender document. Conditional bids or bids containing deviations, exceptions, assumptions, or qualifications shall be summarily rejected without further reference or clarification, at the sole discretion of the Purchaser.

Any suggestions, clarifications, or concerns regarding the tender terms and conditions must be formally raised by the Bidders only during the Pre-Bid Meeting. The Purchaser shall review such requests and reserves the absolute right to accept, modify, or reject any suggestion or concern, wholly or in part, without assigning any reason, and solely in the best interest of the Purchaser.

All clarifications, amendments, or modifications arising out of the Pre-Bid Meeting shall be published either as a Corrigendum and/or as the Minutes of the **Pre-Bid Meeting (MoM)** on the Purchaser's official website ([www.icat.in](http://www.icat.in)) and on the **GeM Portal/ CPP Portal**. These shall form an integral part of the tender and shall be binding on all Bidders. No request for changes or deviations shall be entertained after the Pre-Bid stage.

### 6 Pre-Bid Meeting Conditions

6.1 **Pre-Bid Meeting** shall be held to address queries and provide clarifications regarding the scope of work, technical requirements, and the bid submission process.

- **Date:** 25<sup>th</sup> May' 2026
- **Time:** 1400 Hrs.
- **Venue:** PE-C2 Meeting Room, International Centre for Automotive Technology (ICAT), Plot No. 1, Sector – M11, Near Maruti Gate No. 4, IMT Manesar, Gurugram – 122051, Haryana
- **Mode:** Physical Meeting or Virtual

All interested bidders are encouraged to attend the pre-bid meeting to seek necessary clarifications before submission of their bids.

### 6.2 Submission of Pre-Bid Queries

- Bidders are required to submit their queries, if any, in writing to [shalender.pe@icat.in](mailto:shalender.pe@icat.in), [deepak.yadav@icat.in](mailto:deepak.yadav@icat.in), [vikas.sharma@icat.in](mailto:vikas.sharma@icat.in) & [javed.rahi@icat.in](mailto:javed.rahi@icat.in) by 23<sup>rd</sup> May' 2026 up to 1700 Hrs.
- Queries should be submitted in the following format (**Format XII**):

Sl. No.	Clause No.	Existing Provision	Query/Suggestion

### 6.3 Clarifications and Amendments

- Clarifications and responses to the pre-bid queries shall be issued in the form of a Corrigendum/Addendum and uploaded on the **GeM Portal & ICAT Website**.

## Additional Terms & Conditions (ATC)

- The corrigendum shall form an integral part of the tender document and must be duly considered while submitting the final bid.

### 6.4 No Individual Communication

- No individual responses will be provided to bidders. All clarifications shall be shared only through official corrigenda.

### 6.5 Binding Clarifications Only Through Corrigendum

- Only clarifications provided through officially issued corrigenda shall be considered binding. Any verbal discussions or informal exchanges during the pre-bid meeting shall not be treated as official unless formally incorporated.

### 6.6 No Suggestions or Deviations Post Submission Deadline

- No suggestions, deviations, modifications, or requests for clarification shall be entertained after the bid submission deadline. Bidders are therefore advised to seek all necessary clarifications and raise concerns during the pre-bid period.

## 7 Earnest Money Deposit (EMD)

**7.1 EMD Amount:** Bidders are required to submit an ***Earnest Money Deposit (EMD) of INR 52,000/- (Rupees Fifty-two thousand Only)*** along with their bid. The EMD shall be submitted through the mode specified in the GeM portal or as otherwise prescribed in the tender document.

### 7.2 Bid Rejection in Absence of EMD/Declaration

- Bids submitted without the requisite EMD or duly signed Declaration/Undertaking in lieu of EMD in the prescribed format ***"Form-IV"*** shall be summarily rejected as non-responsive.

### 7.3 Forfeiture of EMD: The EMD shall be liable to forfeiture in the following cases

- If the bidder withdraws or modifies the bid during the bid validity period.
- In case of any false declaration or non-compliance with tender terms.
- If the successful bidder fails to sign the contract or submit the required Performance Security within the stipulated time.

**7.4 Refund of EMD:** EMD's of unsuccessful bidders shall be refunded without interest after finalization of the contract. For the successful bidder, EMD may be adjusted against the Performance Security, if applicable.

## 8 Submission of Bids

Bidders are required to submit their bids in two separate parts as detailed below:

- **Part I - Technical Bid:** This shall include all relevant documents and information demonstrating the bidder's compliance with the technical requirements and eligibility criteria as outlined in the ***Tender/ATC document***. ***Bidders must not divulge price of tendered item in technical bid. Violation of the same may lead to rejection of the bid.***
- **Part II - Financial Bid:** This shall contain the price proposal strictly in the format prescribed in the tender document.

Both parts must be submitted in separate as specified in the e-tendering or GeM platform.

## 9 Evaluation Process

- **Stage 1 - Technical Evaluation:** The Technical Bids shall be opened and evaluated first. Only those bidders who meet all mandatory requirements and obtain the minimum qualifying marks, including full marks in technical capability (as applicable), shall be deemed technically qualified.

### Additional Terms & Conditions (ATC)

- **Stage 2 - Financial Evaluation:** The Financial Bids of only the technically qualified bidders will be opened and considered for further evaluation. Financial Bids of bidders who fail to qualify in the technical stage shall be returned unopened or disqualified from further consideration.

- 10 **Availability of Tender Documents and Corrigendum:** Prospective Bidders are advised to regularly visit the official website of the International Centre for Automotive Technology (ICAT) at [www.icat.in](http://www.icat.in) and/or the *Government e-Marketplace (GeM), CPP Portal* for downloading the complete Tender Document, including all instructions, terms, specifications, and any corrigendum, amendment, clarification, or notification issued in connection with this Tender.

It shall be the sole responsibility of the Bidder to ensure that they have the latest version of the Tender Document and are fully aware of all updates, revisions, or corrigenda issued prior to the bid submission deadline. ICAT shall bear no responsibility or liability for any oversight or failure on the part of the Bidder to obtain such information from the aforementioned platforms.

**Documentary Evidence Required:** To substantiate the above, the Bidder shall submit any of the following documents as part of the Technical Bid.

- A certificate from a Chartered Accountant (**Form XV**), clearly certifying the annual turnover for each of the above-mentioned financial years with UDIN number and CA attestation, **or**

### Additional Terms & Conditions (ATC)

- A copy of the Audited Balance Sheet and Profit & Loss Account for each of the three financial years, duly certified by a Chartered Accountant or Statutory Auditor with UDIN number, **or**
- An attested certificate from a Government Department/Client confirming the turnover, provided it is backed by audited financial statements.

#### **Mandatory Disclosures:**

- Full contact details of the Chartered Accountant or Statutory Auditor who has certified the document, including Name, Designation, Firm Name, Email ID, Contact Number.
- The UDIN (Unique Document Identification Number), as issued by the Institute of Chartered Accountants of India (ICAI), must be clearly visible on all CA-certified documents and balance sheets.

**Non-Compliance:** Failure to submit the required financial documentation in the prescribed format, or failure to mention the CA/Auditor's contact details and UDIN, shall render the bid technically non-responsive and liable for rejection without any further evaluation.

4. **Technical Experience - Minimum Work Experience Requirement:** The Bidder shall possess adequate technical experience in execution of works of similar nature. In this regard, the Bidder must have a minimum of three (3) years' experience as on the last date of submission of bid, in executing works defined as **"Supply, Installation, Testing & Commissioning (SITC) of utility pipeline systems such as water supply, chilled water, firefighting or similar services, including GI/MS pipeline laying, installation of pumps, valves, fittings, supports, and allied mechanical works."**

The Bidder shall have successfully completed and commissioned at least three (3) such works during the last three (3) years preceding the bid submission date, each having a minimum executed value of INR 5.00 Lakhs (Rupees Five Lakhs only), under separate contracts with three (03) different clients.

Such works must have been executed for Central Government / State Government Departments, Public Sector Undertakings (PSUs), Autonomous Bodies, or reputed private organizations within India.

#### **The Bidder shall provide the following documents in support of meeting this criterion:**

1. Copies of Purchase Orders/Work Orders issued by Government Departments, PSUs, Research Institutions, or reputed Private Sector Organizations clearly indicating the scope of work, nature of equipment supplied, and year of execution.
2. Corresponding Completion Certificates or Client Performance Certificates issued by the end-user.
3. A detailed statement summarizing past projects executed in the last 3 years, including:
  - Name of Client
  - Equipment Supplied
  - Year of Completion
  - Contact Details of Client (for verification, if required)

**Failure to demonstrate relevant experience of at least Three (3) Years in similar nature of work shall render the bid technically non-responsive and liable for rejection.**

5. **Local Presence:** The Bidder must be an entity based and registered in India, possessing a valid legal status under applicable Indian laws and regulations.
6. **Blacklisting Declaration:** The Bidder shall not be currently blacklisted, debarred, or suspended by any Ministry or Department of the Government of India, any State Government, Public Sector Undertaking (PSU), or any reputed private organization or institution within India. A self-declaration to this effect, duly signed by the authorized signatory on the Bidder's official letterhead, must be submitted along with the tender documents. Any concealment or misrepresentation of such information shall result in disqualification and potential legal action as per applicable laws.

#### **Bidders to Comply with:**

7. Rule 144(xi) of GFR 2017 regarding restrictions on procurement from a bidder of a country that shares a land border with India will be liable to rejection (refer to the to the Office Memorandum of the

### Part - B (Technical Bid Evaluation Parameters)

**Bid Evaluation - Eligibility for Technical Assessment:** The Bidder shall mandatorily comply with all the *Pre-Qualification/Minimum Eligibility Criteria* as specified in "**Chapter - 4**" of this tender document. Only those Bidders who are found to be fully compliant with the *Pre-Qualification/Minimum Eligibility Criteria*, upon detailed scrutiny of the submitted documentation, shall be considered eligible for Technical Bid Evaluation.

Any Bidder failing to meet the stipulated criteria in "**Chapter - 4**" shall be disqualified from further evaluation, and their Financial Bids shall not be opened or considered under any circumstances. The decision of the Purchaser in this regard shall be final and binding, without any obligation to provide justification or entertain representations.

#### Technical Bid Evaluation Parameters

1.1 ICAT shall follow segregated bid submission evaluation system. The minimum pass mark in technical bid shall be **80 Points (80%)** out of **100 Points**. Bidders, who gets cut-off marks, will be qualified for next part of evaluation i.e. financial part.

1.2 The Technical Bids shall be awarded points based on the following evaluation criteria:

#### Evaluation Criteria and Preference Policy:

1. **Technical Evaluation Threshold - Mandatory Compliance**

➤ Bidders must secure a **minimum of 40 out of 40 points** in the **Technical Specifications Evaluation** section. This is a **mandatory qualifying criterion**; failure to achieve the full technical specification score will result in **immediate disqualification**, irrespective of the total overall score.

2. **Overall Evaluation Threshold:** To qualify for financial bid opening, bidders must obtain a minimum of **80 out of 100 points (80%)** in the overall evaluation. This includes scores from technical specifications, company credentials, past performance, and other evaluation parameters as outlined in the tender document.

### Additional Terms & Conditions (ATC)

#### 3. Preference to Local Suppliers under Public Procurement Policy

- ICAT reserves the right to extend purchase preference to local suppliers in accordance with the provisions of the **Public Procurement (Preference to Make in India), Order 2017**, issued by the **Department for Promotion of Industry and Internal Trade (DPIIT)**, Ministry of Commerce and Industry, Government of India, vide Order No. **P-45021/2/2017-PP (BE-II)** dated **04.06.2020**, and any subsequent amendments thereto.
- For detailed guidelines, bidders may refer to the DPIIT policy document available at: <https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>
- Bidders seeking such preference must submit the requisite **self-declaration and certification** documents as per the DPIIT guidelines along with their Technical Bid.

**Applicability of GFR Provisions and MSE/Startup Benefits:** In accordance with the provisions of Rule 130 of the General Financial Rules (GFR), 2017, which defines "Works" as activities involving construction, fabrication, repair, maintenance, renovation, or alteration of immovable property, including incorporation of materials and labour, the present scope of work, "Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works," is classified as a Works Contract.

The subject Tender involves execution of composite works comprising both supply of materials and deployment of labour for creation, modification, and integration of infrastructure associated with immovable property. Accordingly, the procurement shall be governed by the provisions applicable to works contracts and shall not be treated as procurement of goods or standalone services.

In line with the applicable provisions of GFR, 2017 and prevailing Government of India procurement policies, the benefits and exemptions generally extended to Micro and Small Enterprises (MSEs) and Startups recognized by DPIIT – such as exemption from payment of Earnest Money Deposit (EMD), Tender Fee, and relaxation in prior experience and turnover criteria – are not applicable to this Tender, as the same are admissible only in cases of procurement of goods and certain services, and not for works contracts.

Accordingly, all bidders, including those registered as MSEs or recognized Startups, shall be required to comply fully with all eligibility criteria, qualification requirements, and tender conditions, including submission of EMD, payment of Tender Fee (if applicable), and meeting the prescribed experience and turnover criteria.

Bidders are advised to take due cognizance of the above provisions while preparing and submitting their bids. Any bid submitted without adherence to these requirements is liable to be rejected.

### Chapter - 5

#### Bid Rejection Criteria

Bids submitted in response to this tender shall be liable for outright rejection and shall not be considered for further evaluation under any of the following circumstances:

**1. Non-Compliance with Bid Security Requirements**

- Submission of bid without the required Earnest Money Deposit (EMD), or
- Non-submission of the Bid Security Declaration Form (**Form IV**), or
- Non-submission of valid Udyam Registration Certificate (for MSEs) or a DPIIT recognition certificate (for Startups) along with the bid.

**2. Financial Turnover Below Threshold:** Bidders must have an average annual turnover of not less than **INR 40 Lakh** during the three most recent **financial years (FY 2022-23, 2023-24, and 2024-25)**. Failure to submit audited financial statements or turnover certificates certified by a Chartered Accountant (CA) for these years shall result in disqualification.

**3. Non-Submission of Statutory Registrations:** Bidders failing to submit valid copies of their GST registration certificate and Permanent Account Number (PAN) shall be deemed non-compliant.

**4. Unsatisfactory Client References:** If even one reference provided by the bidder is found to be unsatisfactory, the bidder shall be disqualified. Internal references obtained from NAB or its associated centres may also be considered valid for disqualification purposes, regardless of whether they are formally submitted with the bid.

**5. Conditional or Deviated Bids:** Any bid containing deviations, conditions, or modifications to the tender terms and conditions shall be summarily rejected.

**6. Incomplete Bid Submission:** It is a mandatory requirement that bidders submit comprehensive proposals covering all items listed in the tender. Any incomplete bid, including failure to quote for any item or component, shall be treated as non-compliant. Such bids shall be rejected without further correspondence, and the bidder shall be disqualified from the evaluation process.

**7. Segregated Bidding Process and Rejection of Non-Compliant Submissions:** Bids under this Tender shall be submitted through the GeM Portal under a Segregated Bidding Process, comprising separate Technical and Financial Bids, as prescribed in the Tender Document and as per GeM guidelines. The Technical Bid shall contain only technical information and supporting documentation, with no reference to prices or commercial terms. Submission of any price details, financial information, or commercial quotation within the Technical Bid, either directly or indirectly, on the GeM Portal shall constitute a material deviation and result in summary rejection of the bid without further evaluation. Such non-compliance shall render the bidder ineligible for consideration under this Tender, and the decision of the Procuring Entity / Evaluation Committee in this regard shall be final, conclusive, and binding, with no correspondence entertained thereafter.

**8. Non-Compliance with Pre-Qualification/Minimum Eligibility Criteria:** Failure to satisfy any single condition under the "Pre-qualification / Minimum Eligibility Criteria" section shall result in the immediate disqualification of the bid from the tender process.

**9. IP Address Duplication on GeM Portal:** The Government e-Marketplace (GeM) portal tracks and displays the IP addresses used by Buyers and Bidders/Sellers. Bids submitted from identical or shared IP addresses across different bidders/sellers shall be considered suspicious and will be automatically disqualified from further evaluation.

### Additional Terms & Conditions (ATC)

10. **Bid Rigging and Conflict of Interest:** The Purchaser reserves the right to reject any bid or disqualify any bidder from the tendering process at any stage if, in the opinion of the Purchaser, there is sufficient evidence to conclude that:
- **Bid Rigging:** The Bidder has engaged in any form of collusive bidding, bid rigging, cartel formation, or anti-competitive practices, whether directly or indirectly, with other bidders to influence the outcome of the bidding process. Such practices shall include but are not limited to: Sharing of bid prices or commercial terms prior to bid submission or Agreement among bidders not to compete or to submit complementary bids or coordinated bid withdrawals or bid rotation schemes.
  - **Conflict of Interest: A Conflict of Interest exists or is reasonably deemed to exist if**
    - The Bidder or any of its associated entities, subsidiaries, or affiliates has a direct or indirect relationship with another bidder participating in the same tender, which could compromise the integrity or fairness of the procurement process.
    - The Bidder has a relationship with any official, employee, or representative of the Purchaser who is directly or indirectly involved in the tender evaluation or award process.
    - The Bidder uses resources, infrastructure, or personnel that are also engaged in preparing or influencing another competing bid in this tender.
11. **Declaration of Integrity:** All Bidders shall submit a duly signed Declaration of Non-Collusion and Conflict of Interest in the format prescribed in the tender. Any failure to submit this declaration or submission of a false declaration shall lead to immediate disqualification and may result in blacklisting or legal action, as deemed appropriate by the Purchaser.
12. **Purchaser's Rights:** The Purchaser shall have the sole discretion to determine whether a bid is non-compliant due to the reasons outlined above. In such cases, the Purchaser shall be under no obligation to inform the bidder of the grounds for disqualification or provide any further clarification. The decision of the Purchaser shall be final, binding, and non-contestable.

## Additional Terms & Conditions (ATC)

### Chapter – 6

#### General Terms & Conditions

1. **Scope of Supply/Work:** Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works at Track Area at ICAT Centre – 2, Manesar (Haryana) (As per technical specification and scope of work defined in “Chapter – 1”).
2. **Site Inspection by Tenderer:** The Tenderers are strongly advised to undertake a detailed site visit prior to submission of their tender to familiarize themselves with the site conditions, scope of work, transportation facilities, local labor conditions, storage provisions, access restrictions, and removal of debris, as well as any police or regulatory requirements governing transport and site operations. The Tenderer shall factor in the cost of carriage, freight, local taxes, duties, and all other incidental expenses in their quoted rates. No claim for compensation shall be entertained on account of any difficulty encountered or losses suffered due to pre-existing site conditions, whether explicitly stated or reasonably inferable at the time of bidding.
3. **Submission and Validity of Tenders:** All pages of the Tender Documents issued by the Employer must be initialed by the Tenderer and the final page must be signed in full, indicating the Tenderer’s acceptance of the terms and conditions therein. No modification, alteration, or interpolation shall be made by the Tenderer in the original tender documents. Any additional comments, alternative proposals, or qualifications shall be submitted in a separate covering letter or annexure, duly signed and attached with the tender submission.

**The Employer reserves the unfettered right to:**

- Reject the lowest or any tender,
- Cancel the entire tender process or parts thereof without assigning any reason,
- Distribute or split up any portion of the work among multiple agencies at its sole discretion.

This is a rate-based tender, and the Tenderer is expected to quote accurate, viable, and self-sustaining rates for each item in the Priced Schedule of Quantities. Upon request by the Employer, the Tenderer shall provide a detailed rate analysis for any or all items, although the Employer shall not be bound to accept the same.

Unless explicitly stated otherwise, the work shall be executed and measured as item-rate work, and payments shall be made based on actual quantities of work executed at the quoted rates. Lump-sum items, if any, shall be paid at the quoted lump-sum price only for the extent of work executed and accepted by the Employer, based on its assessment.

The Employer reserves the right to add, omit, or modify any portion of the work as specified in the tender documents or Schedule of Quantities, and such alterations shall be communicated in writing. Any variation or modification carried out by the Tenderer without written authorization shall be deemed unauthorized and shall render the work liable to rejection or non-payment.

The Tenderer should note that the tender shall remain valid for a period of 180 (One Hundred Eighty) calendar days from the date of opening of the price bid. During this period, no modification in the offer shall be permitted.

4. **Adherence To Specifications:** The entire scope of work shall be carried out to the full satisfaction of the Employer (ICAT) and in strict accordance with the technical specifications, drawings, and other Contract documents, as well as any further written instructions or directions issued from time to time by the Employer or its authorized representative. No claims for additional payment shall be entertained for work executed beyond the scope, unless such work was explicitly ordered in writing by the Employer and mutually agreed upon in accordance with the terms of the Contract.
5. **Sufficiency of Tender:** The Tenderer shall be deemed to have examined the Contract documents and the site, and to have fully satisfied himself as to the correctness and completeness of the rates and prices quoted in the Schedule of Quantities. The quoted rates shall be deemed to include all costs, overheads,

### Additional Terms & Conditions (ATC)

obligations, liabilities, taxes, duties, materials, labor, plant, equipment, and contingencies necessary for the due performance and completion of the works in accordance with the Contract. No claims for additional payment on account of lack of understanding of the scope or site conditions shall be entertained at any stage.

6. **Errors in Schedule of Quantities:** In the event of any error, omission, or discrepancy in the Schedule of Quantities, other than errors in the Tenderer's rates or arithmetic calculations, such error shall be corrected and treated as a variation to the Contract. The resulting adjustment in cost, whether an addition or deduction, shall be processed as an authorized variation in accordance with the terms of the Contract. Such rectification shall not invalidate or vitiate the Contract in any manner.
7. **Statutory Notices and Compliance:** The Tenderer shall be solely responsible for issuing all statutory notices and for the payment of all applicable fees, levies, royalties, or charges as may be required by law or regulations of the Central Government, State Government, or local authorities, in connection with the execution of the Contract Works. The Tenderer shall comply with all applicable legislation, rules, and regulations necessary for the execution and completion of the works and shall indemnify the Employer against any claims, penalties, or liabilities arising out of such non-compliance.
8. **Permits and Licenses:** All permits, clearances, and licenses required for the procurement, transport, or use of controlled or regulated materials shall be obtained by the Tenderer at his own cost. The Employer shall provide necessary assistance, including issuance of supporting letters or endorsements, where required by statutory authorities. However, no claim for delay, compensation, or escalation shall be entertained on account of non-availability or delayed availability of such materials. The Employer may, at its discretion, grant a reasonable extension of time for delays caused due to such reasons.
9. **Compliance with Government and Local Laws:** The Tenderer shall strictly comply with all applicable laws, regulations, byelaws, and statutory obligations of the Central, State, and Local Government authorities relating to the execution of works under this Contract. The Tenderer shall obtain all approvals, permits, and clearances required from statutory bodies for the execution of the work at his own cost and responsibility. The Tenderer shall indemnify and hold harmless the Employer from and against any liability, loss, claim, or legal proceedings arising due to violation of such laws or failure to comply with statutory obligations.
10. **Taxes and Duties:** The prices quoted by the Tenderer shall be inclusive of all applicable taxes, duties, levies, royalties, cess, GST or any other statutory charges as prevailing on the date of submission of the tender. No additional claims shall be entertained by the Employer on account of any tax or duty liability arising subsequently. The Tenderer shall maintain proper records and books of accounts as required by law and shall make them available for inspection by the Employer or its authorized representative, as and when requested.
11. **Quantity of Work to Be Executed:** The quantities indicated in the Schedule of Quantities are indicative and approximate, intended to cover the entire scope of work. The Employer reserves the right to increase or reduce the scope or quantum of work without assigning any reason, and the Tenderer shall be bound to execute such varied quantities at the same quoted rates. No claim shall be entertained for any profit, loss, or damages on account of reduction in scope, provided that the overall Contract value is not increased beyond the accepted tender value, except as per the provisions of the Contract.
12. **Engagement of Other Agencies:** The Employer reserves the right to engage other contractors, agencies, or individuals to carry out any part of the work not included in the scope of this Contract, or even portions that fall within its scope if deemed necessary. The Tenderer shall cooperate fully with such external agencies and allow reasonable access to the site, as well as the use of temporary facilities, scaffolding, or utilities, to ensure smooth and unhindered progress of work. Any refusal, obstruction, or delay caused by the Tenderer in this regard shall be viewed as a breach of Contract and may lead to appropriate action.

### Additional Terms & Conditions (ATC)

13. **Issuance of "Notice to Proceed":** After the acceptance of the LOA/Purchase Order from the successful bidder, ICAT shall issue the 'Notice to proceed', to the contractor authorizing him to take possession of the project site along with relevant technical inputs/GFC drawings etc. wherever applicable.
14. **Transportation, Handling, and Storage:** The contractor shall be solely responsible for all logistics including packaging, loading, transportation, unloading, and storage of all materials at site. All materials must be transported in secure, damage-free packaging and stored safely at the designated site. Any damage, breakage, or loss incurred during transit or handling shall be rectified or replaced by the contractor at their own cost, without any liability on the part of ICAT.
15. **Quality of Materials and Approvals:** All materials to be used in the works shall be brand new, conforming to the specifications laid out in the tender, and free from any defects. Prior to procurement and delivery at site, all materials and finishes shall be submitted to the Engineer-in-Charge for review and written approval. Materials not conforming to approved samples shall be rejected and removed from site at the contractor's cost.
16. **Execution of Work:** The work shall be carried out strictly as per the drawings, specifications, and written instructions issued by ICAT or its authorized representative. Any deviation from the approved drawings or specifications must receive prior written consent from the Engineer-in-Charge. The contractor shall ensure minimal disruption to ongoing operations at the facility during execution.
17. **Product Availability and Substitution:** Brands and products proposed in the bid must not be declared "end-of-life" or "end-of-sale" at the time of bid submission. In the event that the approved brand becomes unavailable, the contractor shall provide a superior or equivalent substitute of matching specification and performance, at no additional cost, subject to the written approval of the Engineer-in-Charge.
18. **Compliance with Technical Specifications:** Bidders must ensure that all materials and equipment comply exactly with the tendered specifications. Each item shall be accompanied by a duly filled Statement of Compliance and supporting technical literature. All bid pages, including amendments or corrections, must be signed and stamped by an authorized signatory. Failure to comply may lead to disqualification.
19. **Adherence to Site Conditions:** The bidder shall account for all factors, including statutory restrictions, local taxes, debris disposal, labour availability, and site access in their quote. No claim for additional compensation shall be entertained on the grounds of ignorance of prevailing site conditions.
20. **Performance of Work:** The works shall be completed in accordance with all contractual documents, including specifications, BOQ, approved drawings, and written directions of ICAT. Any unauthorized work outside the contractual scope shall not be entertained for additional payment unless explicitly approved in writing.
21. **Defects Liability Period (DLP Clause):** The contractor shall be responsible for rectification of any defects, deficiencies, or faults due to poor workmanship, material failure, or design inadequacy for a period of **Twelve (12) Months** from the date of virtual completion and acceptance. In case of default, ICAT may carry out the rectification through a third party at the contractor's risk and cost and recover the same from pending dues or retention money.
22. **Completion Time and Extensions**
  - **Completion Period:** The entire work must be completed within **120 Calander Days from GeM Contract Date**.
  - **Extension of Time:** May be granted solely at the discretion of ICAT in case of justifiable delays due to force majeure, legal hindrances, authorized variations, or other unforeseen circumstances. Written intimation must be submitted within **7 days** of such hindrance.
  - **Progress Monitoring:** The contractor must submit a work schedule (Bar Chart/MS Project or equivalent) and update ICAT regularly with progress reports and milestone achievements.

### Additional Terms & Conditions (ATC)

**23. Liquidated Damages (LD Clause):** Time being the essence of the contract, failure to complete the works within the stipulated time shall render the Tenderer liable to pay liquidated damages (LD). In case of delay, the Tenderer shall be liable to pay to the Employer liquidated damages at the rate of **0.5% (zero-point five percent)** of the total Contract Sum per week of delay, subject to a maximum of **10% (ten percent) of the Contract Sum**. The LD amount shall be deducted from the Tenderer's running or final bills and shall not be construed as a penalty but as a genuine pre-estimate of loss suffered by the Employer due to non-availability of deliverables and associated project delays. For the purposes of this clause, the term "Contract Sum" shall mean the value of the work as per accepted tender rates and awarded quantities. It is the responsibility of the Tenderer to maintain progress as per the approved work program to avoid invocation of this clause.

#### 24. Payments and Measurement

- **Payment Schedule:** 100% Payment shall be released strictly after the successful completion of "Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works at Track Area at ICAT Centre - 2, Manesar (Haryana)", and upon fulfilment of all contractual obligations by the Contractor.
- **Mode of Payment:** Payments shall be released based on the actual quantity of work executed in accordance with the tender specifications, approved drawings, and written instructions issued by the Engineer-in-Charge. Any work executed in deviation from these conditions without prior written approval shall be deemed unauthorized and shall not qualify for measurement or payment.
- **Measurement of Work:** All measurements shall be jointly recorded and certified by the Contractor and the authorized representative of ICAT.
- **Deductions and Security:** All statutory deductions such as TDS, Labour Cess, or any other levies as applicable under law shall be made from each running bill. Security deposit shall also be deducted as per applicable rules and terms of the tender.
- **Price Escalation:** No escalation on account of price variation or extended completion period shall be admissible under any circumstances.
- **Mobilization Advance:** No mobilization advance shall be payable to the Contractor for the execution of this work.
- **Following documents to be submitted along with the Invoice to ICAT:**
  - Original Tax Invoice
  - Measurement Book with Abstract
  - Original Challan
  - E-Way Bill (If applicable)
  - Labour Compliances
  - Statutory Compliances

#### 25. Performance Security (Performance Bank Guarantee (PBG)/Retention Money:

- The successful bidder, upon award of the contract for the "Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works at Track Area at ICAT Centre - 2, Manesar", shall furnish a Performance Security equivalent to ten percent (10%) of the total contract value. Performance Security must be submitted within fifteen (15) days from the date of issuance of the GeM Contract/ICAT Work Order. The Performance Security shall be submitted in the form of a Bank Guarantee, Fixed Deposit Receipt (FDR), or Demand Draft, drawn on any Scheduled Commercial Bank, in favour of "International Centre for Automotive Technology".
- The Performance Security shall remain valid for the entire contract duration and shall extend to cover the Defect Liability Period (DLP) of 12 Months (One Year) from the date of successful completion and final acceptance.

### Additional Terms & Conditions (ATC)

- In the event of the Contractor fail to furnish the Performance Security within the stipulated time, ICAT reserves the right to deduct and retain an amount equivalent to 10% of the gross value form final Invoice as interest-free Retention Money.
- This Performance Security or Retention Money shall be released only after the successful completion of the Defect Liability Period, subject to the Contractor's satisfactory performance and fulfilment of all contractual obligations.

#### 26. Liability for Damage, Defects or Imperfections and Rectification Thereof

- **Contractor's Responsibility for Damage:** The Contractor shall be solely liable for any damage, injury, or destruction caused by him, his employees, or agents to any part of the premises, including existing buildings, roads, fences, or any adjacent properties during the execution of the work. Upon receipt of a written notice from the Engineer-in-Charge, the Contractor shall, at his own cost, make good such damage within the stipulated time.
- **Rectification of Defective Work:** If, at any stage during execution or within the Defects Liability Period, it is found that any portion of the work has been executed using unsound, substandard, or unskilled workmanship, or if any materials supplied are defective or not in accordance with the contract specifications, the Contractor shall, upon written notice from the Engineer-in-Charge, promptly rectify or remove and re-execute such work and/or remove and replace the defective materials at his own cost, regardless of any prior approval, certification, or payment for the same. In the event of the Contractor failing to act on the notice, the Engineer-in-Charge shall be entitled to rectify or remove and re-execute such work and/or replace such materials through other means at the risk and cost of the Contractor. The expenses so incurred shall be recoverable from any dues payable to the Contractor or through legal means, as deemed necessary.
- **Maintenance Work Cleanliness:** In case of repair or maintenance works, all stains, splashes, or droppings from whitewashing, painting, or similar works shall be removed, and surfaces cleaned immediately upon completion of such work in each unit (room, washroom, etc.) without waiting for the completion of all other items of work under the contract. Non-compliance shall entitle the Engineer-in-Charge to have the cleaning work executed at the Contractor's cost after giving three (3) days' written notice.

27. **Variations and Deviations:** The Employer (ICAT) reserves the right, at any time during the execution of the contract, to instruct the Contractor in writing to make alterations, omissions, additions, or substitutions to the original scope of work, specifications, or instructions. The Contractor shall be bound to comply with such written instructions, and the altered work shall be deemed to form part of the original contract.

**The Contractor shall execute such varied work under the same terms and conditions, including pricing, as applicable to the original contract, unless otherwise stated hereunder:**

- a) No variation that materially alters the fundamental nature of the contract shall be carried out without the express written approval of the Employer.
- b) The rates for any additional or non-tendered items shall be derived from the contract rates for similar items where available. Where no such rates exist, the Employer shall determine the rates based on current market prices, standard engineering rate analysis, and prevailing rates of labor and materials, subject to the Employer's approval.
- c) The rates quoted by the Tenderer shall remain firm and valid for quantity variations up to  $\pm 10\%$  of the original tendered quantities for each item, in line with the original scope and for the legitimate completion of works. For variations beyond this threshold, the rates may be subject to mutual negotiation and agreement between the ICAT and the Contractor.

In the event the Contractor considers any variation or instruction to materially affect the original nature or value of the contract, the Contractor shall notify the Employer in writing within fifteen (15) days of the issuance of such instruction, detailing the grounds for such opinion. Notwithstanding

### Additional Terms & Conditions (ATC)

such representation, the Contractor shall proceed with the execution of the varied work. Any dispute regarding classification of the variation or applicable rate shall be referred to the ICAT, whose decision shall be final and binding.

28. **Urgent Works:** In the event of any urgent work becoming necessary – whether due to safety, preservation of property, or other compelling reasons – as determined solely by the Engineer-in-Charge, and if the Contractor is either unwilling or unable to execute such work immediately, the Engineer-in-Charge shall have the authority to carry out the required work by himself or through other agencies. If such urgent work falls within the scope of the Contractor’s contractual obligations, the cost incurred by the ICAT in executing the same shall be recoverable from the Contractor and may be adjusted against any dues payable to him under the contract.
29. **Contractor’s Responsibility for Works and Damages:** From the commencement until the completion of the refurbishment works, the Contractor shall assume full responsibility for the care, custody, and protection of the Works. The Contractor shall take all necessary precautions to prevent loss or damage and shall be solely liable to make good at his own cost, any loss or damage to the Works or any part thereof, from any cause whatsoever (except as otherwise provided under Excepted Risks). The Works shall, at completion, be delivered in a sound, proper, and serviceable condition, fully conforming to the Contract requirements and as directed by the Engineer-in-Charge.
30. **Loss or Damage Due to Excepted Risks:** In the event of any damage or loss to the Works, materials, or articles at the site arising due to Excepted Risks (such as force majeure conditions), **the following shall apply:**
- **The Contractor shall, upon written instructions from the Engineer-in-Charge, remove debris and damaged portions of the Works from the Site.**
  - **The Contractor shall then proceed to complete the remaining Works in accordance with the provisions of the Contract.**
- Note:** The Contractor shall not be entitled to any compensation for loss or damage where such loss has occurred due to failure to perform contractual obligations or take necessary precautions.
31. **Indemnification Against Third-Party Claims:** The Contractor shall indemnify and keep indemnified ICAT against any and all losses, liabilities, claims, proceedings, or damages arising out of injury to persons or damage to property due to the construction, maintenance, or execution of the refurbishment Works. This indemnity shall not apply to any losses or damages caused solely by Excepted Risks.
32. **No Interest on Delayed Payments:** No claim for interest shall be entertained by ICAT on any amounts withheld or delayed, whether arising from disputes, verification of claims, or administrative delays in final payment.
33. **Site Cleanliness and Waste Disposal:** The Contractor shall not dump or store any material, waste, equipment, or tools at the site beyond what is necessary for execution. Upon completion, the site shall be cleared of all such materials at the Contractor’s cost. Failing compliance, ICAT shall undertake clearance at the Contractor’s risk and cost after giving a 7-day notice.
34. **Labour Transportation and Welfare:** The Contractor shall make his own arrangements for the daily transportation of labourers to and from the worksite. All facilities and amenities required under applicable labour laws shall be provided to the workers without any additional financial liability to ICAT.
35. **Scope of Tenderer’s Responsibility:** The Contractor shall, at his own cost, provide all labor, materials, equipment, tools, tackles, plant, and temporary works necessary for the proper execution and completion of the works, in accordance with the scope of work, technical specifications, and schedule of quantities, whether or not expressly stated in the contract documents but which can be reasonably inferred therefrom. In case of any discrepancy or ambiguity in the contract documents, the same shall be brought to the notice of the ICAT immediately in writing. The decision of the ICAT in this regard shall be final

### Additional Terms & Conditions (ATC)

and binding. The quoted unit rates shall be deemed to be inclusive of all charges required to execute and complete the respective items, including incidental, contingent, or ancillary works, overheads, profits, and all applicable taxes and duties, unless otherwise specifically mentioned.

**The Contractor shall also be responsible for:**

- Arranging and maintaining at his own cost all necessary tools, machinery, equipment, and safety arrangements required for execution.
- Ensuring safe custody and security of materials and work carried out, as the Employer shall not be held liable for any loss, theft, or damage.
- Providing reasonable access and cooperation to other contractors or personnel engaged by the ICAT at the project site.
- Utilizing any on-site facilities (if permitted by the ICAT) only with prior written approval and subject to charges as determined by the ICAT. No such facility shall be assumed to be available as a matter of right.

**36. Tools, Storage of Materials, Protective Works, and Site Office Equipment:** The Contractor shall establish, maintain, and operate their site office and associated infrastructure at a location approved by the ICAT. Upon completion of the work, the Contractor shall clear the site of all debris, waste materials, temporary structures, and restore any affected areas to their original condition to the satisfaction of the ICAT. The Contractor shall not install or display advertisements, hoardings, signage, banners, or other promotional materials on site unless expressly approved in writing by the ICAT.

- **Tools and Equipment:** The Tenderer shall provide and maintain, at their own cost, all tools, instruments, and equipment required for the performance of the contract, including but not limited to theodolites, prismatic compasses, steel tapes, threads, brushes, spray-painting equipment, scaffolding, ladders, stools, and other necessary apparatus as may be directed by the Employer.
- **Storage of Materials:** The Tenderer shall be responsible for the secure storage and protection of all construction materials and tools within the area designated by the Employer. Adequate enclosures and arrangements for watch and ward shall be maintained at the Tenderer's cost. Removal of any materials from the site shall require prior authorization and a valid gate pass issued by the Employer.
- **Protective Measures:** The Tenderer shall take all necessary precautions to safeguard the works, personnel, equipment, buildings, and public infrastructure from damage during execution. The Tenderer shall be liable to make good any loss or damage caused and shall indemnify the Employer against all associated claims, losses, or liabilities. Appropriate provisions must be accounted for in the quoted rates to facilitate safe access and shared use of scaffolding, tools, and equipment by other agencies, if necessary.

**37. Compliance with Statutory Requirements and Patent Rights:** The Contractor shall strictly adhere to all applicable statutes, laws, regulations, byelaws, codes of practice, and directions issued by competent authorities – local, state, national, or international – in relation to the works under this contract. Before making any deviation from the prescribed specifications in order to comply with such statutory requirements, the Contractor must notify ICAT in writing, detailing the proposed variations and the rationale thereof, and seek formal instructions. ICAT shall provide its decision within a reasonable timeframe.

The Contractor shall ensure that all necessary statutory notices, permissions, approvals, and clearances are obtained in a timely manner and shall be responsible for the payment of all applicable fees or charges. Proof of such payments shall be submitted to the ICAT.

The Contractor shall indemnify and hold ICAT harmless against any claims, demands, costs, or legal proceedings arising from infringement of patents, royalties, intellectual property rights, or resulting damage to property or persons during the work. The Contractor shall assume full liability and bear all associated costs of any such claims.

### Additional Terms & Conditions (ATC)

38. **Clearing of Site and Setting Out Works:** The Contractor shall, at their own expense, clear the site of all obstructions, debris, surplus materials, and waste prior to commencement and after completion of the works. Any damage to existing walls, floors, ceilings, equipment, installations, or other structures must be restored to their original condition at the Contractor's cost. The Contractor shall be solely responsible for the accurate setting out of works and their execution in accordance with the approved drawings and specifications. Any error identified during progress shall be rectified promptly by the Contractor at their own expense, and to the satisfaction of the ICAT. No additional compensation shall be entertained on this account.
39. **Removal of Offensive and Hazardous Materials:** The Contractor shall remove all waste materials and other substances of offensive or hazardous nature from the site immediately after the works are completed. The Contractor shall keep the site free from dangerous materials like industrial gases, welding machines and any such devices or material of toxic and poisonous nature & shall not carry within the site or building any materials which are explosive in nature. Any such offensive materials which are essentially required in course of work shall be undertaken with due written permission of the ICAT provided such materials are permissible under Law.
40. **Materials, Workmanship, Samples, Testing of Materials:** All the works specified and provided for in the specifications or which may be required to be done in order to perform and complete any part thereof shall be executed in the best and most workmanlike manner with materials of the best and approved quality of the respective brands in accordance with the particulars contained in and implied by the specifications and according to such other additional particulars, and instructions as may from time to time be given by the ICAT during the execution of the work, and to their entire satisfaction. All materials required for the full performance of the work under the contract must be provided through proper channels and must include duties, taxes, octroi, and other charges if any and must be best of their kind available and the Tenderer must be entirely responsible for proper and efficient carrying out of the works. Samples of all the materials proposed to be used must be submitted / displayed to the ICAT when so directed by the ICAT. Should the work be suspended for any reason, the Contractor shall take all precautions necessary for the protection of work at his own expenses and shall make good any damages arising from any cause.
41. **Removal of Defective or Non-Compliant Work:** ICAT reserves the right, at any stage during the execution of the work, to issue written instructions directing the removal from the site of any material or workmanship that, in the ICAT opinion, fails to meet the contractual specifications or instructions. The Contractor shall, at their own cost, remove such materials or rectify/re-execute the work to the satisfaction of the ICAT within the time frame specified in the ICAT notice. Should the Contractor fail to comply with such instructions, ICAT shall have the right to engage third-party agencies to carry out the rectification or replacement work, and all expenses thereby incurred – including incidental costs and supervisory charges – shall be recoverable from the Contractor. Such costs may be deducted from any sums due or becoming due to the Tenderer under this contract. Issuance of any interim or final certificate by the ICAT shall not relieve the Contractor from liability for defective materials or workmanship discovered at any stage.
42. **Safety Measures and Compliance:** The Contractor shall ensure that all reasonable and necessary safety precautions are implemented in connection with the execution of the work. This includes, but is not limited to, the provision and compulsory use of personal protective equipment (PPE) such as helmets, gloves, safety harnesses, goggles, etc., for all personnel at the site. The Contractor shall strictly adhere to all applicable safety laws, rules, and regulations and shall ensure that all such measures are subject to inspection by the ICAT or any statutory authority. All directions issued by such authorities must be complied with promptly. Failure to comply with safety obligations may be treated as a material breach of contract and may lead to termination, penalties, or any other action deemed necessary by the ICAT.

### Additional Terms & Conditions (ATC)

43. **Mandatory Insurance Requirements:** Before commencement of work, the Contractor shall obtain and submit to ICAT valid copies of the following insurance policies

- **Contractor's All Risk (CAR) Insurance Policy**
- **Third Party Liability Insurance Policy**

These policies shall remain valid for the entire duration of the Contract. The Contractor shall provide proof of renewal and premium payments from time to time as may be required by the Engineer-in-Charge.

44. **Proof of Insurance:** The Contractor shall, on demand by the Engineer-in-Charge, produce valid evidence of the insurance policies taken and payment of premiums to ensure continuous coverage until completion of the Contract.

45. **Statutory Deductions:** All statutory deductions such as TDS, GST (as applicable), and deductions under the Works Contract Tax Act or any other applicable legislation shall be made from the payments due to the Contractor.

46. **Contractor Workforce and Labor Compliance:** The Contractor shall deploy only technically competent and experienced personnel to supervise and execute the work. Designated supervisors shall remain available throughout the contract period and participate in all coordination meetings, complying with all instructions issued by the ICAT. The Contractor shall ensure that only skilled, qualified, and adequately trained laborers are employed for the work. All persons working under this contract, whether employed directly or on a day-work basis under the direction of the ICAT or its representatives, shall be deemed to be employed by the Contractor for all legal and contractual purposes.

**Prohibition of Child Labor:** No person below the age of 18 years or who is not a citizen of India shall be employed in connection with the work.

**Compliance with Labor Legislation:** The Tenderer shall fully comply with all applicable labor laws and statutory obligations, including but not limited to:

- The Payment of Wages Act, 1936
- The Minimum Wages Act, 1948
- The Workmen's Compensation Act, 1923
- The Employees' Provident Fund and Miscellaneous Provisions Act, 1952
- The Employees' State Insurance Act, 1948
- The Maternity Benefit Act, 1961
- The Contract Labor (Regulation and Abolition) Act, 1970
- The Industrial Disputes Act, 1947
- The Apprentices Act, 1961
- Any amendments or replacements thereof, as applicable.

Monthly reports detailing remittance of Provident Fund (PF) and Employees' State Insurance (ESI) contributions shall be submitted to the ICAT.

The Contractor shall be solely liable for any claims, proceedings, fines, or penalties arising from non-compliance with the aforementioned legislation. The Tenderer shall indemnify and hold the ICAT harmless against any such liability, cost, or expense.

**Accident Reporting and First Aid:** The Contractor shall make appropriate first-aid facilities available on site. Any accident, however minor, occurring at or near the site, must be reported in writing to the ICAT within 24 hours, and to relevant statutory authorities where required under law.

**Labor Welfare and Safety Compliance:** The Contractor shall bear full responsibility for implementing all welfare and safety measures required by law or directed by the ICAT. Any default in this regard resulting in the ICAT incurring expenditure shall be recoverable in full from the Contractor.

47. **Assignment and Subletting of Contract:** The Contractor shall not assign, transfer, sublet, or otherwise part with the whole or any portion of this contract or its obligations hereunder, whether directly or indirectly, without the prior written consent of the ICAT. Even where such consent is granted, the Contractor shall remain fully responsible for the execution of the contract and the acts, omissions, or

### Additional Terms & Conditions (ATC)

defaults of any sub-contractor or third party engaged by the Contractor. The Contractor shall maintain continuous and active supervision over all parts of the work throughout its duration.

48. **Idle Labor:** ICAT shall not be liable to make any payment or entertain claims whatsoever for idle labor, additional establishment costs, or for hire charges related to tools, plant, or machinery, regardless of the reasons for such idleness, including delays, suspensions, or interruptions of work.
49. **Electrical Power, Water, and Toilet Facilities:** ICAT shall provide electrical power at designated fixed points on site. It is the Contractor responsibility to arrange for all extensions and internal electrical connections, which must be executed and maintained by a licensed electrician employed by the Contractor. Work shall continue notwithstanding any power failures. ICAT shall supply adequate water for construction purposes. Common toilet facilities are available on site and may be used by the Contractor, who must ensure such facilities are kept clean, hygienic, and in good condition at all times.
50. **Force Majeure:** For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable and not brought about by or at the instance of the Party claiming to be affected by such events and which has caused the nonperformance or delay in performance, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other extreme adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by Government agencies.

**Force Majeure shall not include:**

- Any event which is caused by the negligence or intentional action of a contractor/party or by or of such Party's Sub-vendors or agents or employees, nor
- Any event which a diligent contractor/party could reasonably have been expected both to take into account at the time of the conclusion of this Contract and avoid or overcome in the carrying out of its obligations hereunder.

**Measures to be taken:**

- A contractor/party affected by an event of Force Majeure shall continue to fulfil its obligations under the Contract as far as is reasonably practical and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.
- A contractor/party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than 7 days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.
- Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.
- In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled through arbitration.

51. **Confidential Information:** Both ICAT and the selected bidder shall maintain the confidentiality of all documents, data, and information related to the contract. This information shall not be disclosed to any third party without prior written consent.
52. **Fraud and Corruption:** The bidders, suppliers and contractors shall observe the highest standard of ethics during bidding and during performance of the contract. For the purposes of this provision, the following acts shall be considered as corrupt and/or fraudulent practices.
- **"Corrupt Practice"** means offering, giving, receiving, or soliciting directly or indirectly, of anything of value to influence the action of an official in the procurement process or in contract execution.

### Additional Terms & Conditions (ATC)

- **“Fraudulent Practice”** means misrepresentation or omission of facts in order to execution of contract.
- **“Collusive Practice”** means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, non-competitive level.
- **“Coercive Practice”** means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or in execution of a contract.
- During the process of evaluation of a bid or proposal for award of a contract, if it is detected that a bidder directly or through agent has engaged in corrupt, fraudulent, collusive or coercive practice in competing for the contract in question, then a) the bid shall be rejected and b) declare the firm ineligible for a specific period or indefinitely to participate in a bidding process.
- Bidders may note that GeM is capturing and showing the IP addresses used by the Buyer and Bidder(s)/Seller(s). Bids submitted from IP addresses that are identical to or shared with other Bidders/Sellers shall be deemed invalid and automatically disqualified from further evaluation.

53. **Collusive Bidding or Bid Rigging or Cartelization:** The Bidder(s) acknowledges and agrees that any form of bid rigging, cartelization, or coordination among bidders, aimed at manipulating the bidding process or prices, is strictly prohibited. In the event of any evidence or suspicion of collusion, bid rigging, or cartel behavior, the Tendering Authority reserves the right to reject the bid(s) and take appropriate legal action, including but not limited to debarment from future tenders and reporting to relevant authorities. Bidders are required to submit their bids independently, without any undue influence or agreement with other participants in the tender process.

54. **Dispute Resolution (Arbitration):** In the event of any dispute or difference arising between the International Centre for Automotive Technology (ICAT) and the Contractor/Supplier in connection with or arising out of this Contract, including any matter relating to the interpretation or performance of its terms, the parties shall endeavour to resolve such disputes amicably through mutual discussion and consultation.

If the dispute remains unresolved *after thirty (30) days* of such mutual discussions, the matter shall, subject to the provisions herein, be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996, and any amendments thereto.

Subject to the guidelines issued by the *Department of Expenditure, Ministry of Finance, vide OM No. F.1/2/2024-PPD dated 03.06.2024*, arbitration shall be an available method of dispute resolution only where the value of the dispute is less than **₹10 crores (Rupees Ten Crore)**. This threshold refers to the value of the dispute and not the overall value of the contract. For disputes where the value exceeds **₹10 crores**, the parties shall resolve the matter through appropriate judicial forums and arbitration shall not be applicable. Where arbitration is permissible, a Sole Arbitrator shall be appointed by the Director (ICAT), with the mutual concurrence of both parties. The decision of the Sole Arbitrator shall be final and binding on both parties.

The arbitration proceedings shall be conducted in the English language, and the venue of arbitration shall be Gurugram, Haryana. The parties agree that they shall not approach any court of law for the resolution of disputes unless the arbitration mechanism provided herein is exhausted, where applicable. Subject to the above, the courts at Gurugram, Haryana, shall have exclusive jurisdiction over all matters arising under this contract.

55. **Termination of Contract in Full or in Part:** The Competent Authority of ICAT shall be entitled to terminate the contract, either in full or in part, by issuing a written notice to the Contractor, without prejudice to any other rights or remedies available under the Contract or in law, if the Contractor:

- a. Fails to proceed with the works with due diligence and care and continues such default despite a written notice of seven (7) days issued by the Engineer-in-Charge; or

### Additional Terms & Conditions (ATC)

- b. Breaches any terms or conditions of the Contract and fails to remedy or take effective steps to remedy such breach within seven (7) days of receiving written notice from the Engineer-in-Charge; or
- c. Fails to complete the works or specific components thereof within the stipulated time, and further fails to do so within the extended time period specified in a written notice issued by the Engineer-in-Charge; or
- d. Indulges in corrupt practices, including but not limited to, entering into this or any other contract with ICAT through payment of commission or inducement to any person, unless such payment or arrangement has been duly disclosed in writing to the Accepting Authority; or
- e. **Offers or gives any gift, consideration, bribe, reward, or inducement** to any employee or representative of ICAT in connection with the award, execution, or performance of this or any other contract; or
- f. **Obtains the contract through non-bonafide means**, such as collusive tendering or ring bidding practices; or
- g. Being an **individual or partner of a firm**, is adjudicated insolvent, or a receiving order or administration order is passed against him, or he makes any composition or arrangement for the benefit of creditors, or an application is made under any prevailing insolvency law for sequestration of his estate; or
- h. Being a **company**, passes a resolution for winding up (other than for amalgamation or reconstruction), or a court of competent jurisdiction makes an order to that effect, or a receiver or manager is appointed over its assets; or
- i. **Assigns, transfers, or sublets** the contract or any part thereof without the prior written consent of the Accepting Authority. (Engagement of labour on a piece-rate basis or supplying material not forming part of the permanent works shall not be deemed subletting); or
- j. **In the event of the Contractor's death**, the Competent Authority may, at its discretion, terminate the contract without any compensation or liability.

**Upon such termination, the Competent Authority shall have the right to:**

1. **Take possession** of the site, including all construction materials, plant, machinery, equipment, temporary structures, and stores available thereon; and/or
2. **Complete the remaining works** by any means deemed appropriate, at the risk and cost of the Contractor.

**Following termination, the Accepting Authority shall determine the amount, if any, recoverable from the Contractor on account of:**

- Completion of balance work by alternate means;
- Loss or damage suffered by ICAT due to non-performance or partial performance of the Contract.

**In making such determination, due credit shall be given for:**

- The value of works executed by the Contractor up to the date of termination.
- The value of usable materials and machinery taken over by ICAT.
- Reasonable use of tools, tackles, and construction plant belonging to the Contractor.

Any excess expenditure incurred or anticipated to be incurred by ICAT in completing the Works, or loss/damages suffered, after accounting for the credits mentioned above, shall be recovered from any monies due to the Contractor under this Contract or any other contract with ICAT. If such funds are insufficient, the Contractor shall be notified in writing to pay the outstanding amount within thirty (30) days.

**Failure to pay within the stipulated period shall entitle ICAT to:**

### Additional Terms & Conditions (ATC)

- Sell any unused materials, plant, machinery, implements, or temporary structures of the Contractor at site.
- Appropriate the proceeds towards satisfaction of the Contractor's liabilities under this Contract.

Any surplus remaining after satisfying all dues shall be returned to the Contractor. However, if the cost of completing the works by ICAT is lower than what would have been payable to the Contractor, such savings shall not be claimable by the Contractor.

#### 56. MSE's Exemption Applicability:

- If the bidder is a Micro or Small Enterprise as per latest definitions under MSE rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
- MSE Public Procurement Policy is meant for the procurement of only goods produced and services rendered by MSEs. However, traders, distributors, sole agents, and works contracts are excluded from the purview of the Public Procurement Policy for MSEs Order, 2012.

*Note: In accordance with the provisions of Rule 130 of the General Financial Rules (GFR), 2017, which defines "Works" as activities involving construction, fabrication, repair, maintenance, renovation, or alteration of immovable property, including incorporation of materials and labour, the present scope of work, "Supply, Installation, Testing & Commissioning (SITC) of Water Pipeline System including MS Pipeline, Pumps, Valves and Allied Works," is classified as a Works Contract.*

*The subject Tender involves execution of composite works comprising both supply of materials and deployment of labour for creation, modification, and integration of infrastructure associated with immovable property. Accordingly, the procurement shall be governed by the provisions applicable to works contracts and shall not be treated as procurement of goods or standalone services.*

*In line with the applicable provisions of GFR, 2017 and prevailing Government of India procurement policies, the benefits and exemptions generally extended to Micro and Small Enterprises (MSEs) and Startups recognized by DPIIT – such as exemption from payment of Earnest Money Deposit (EMD), Tender Fee, and relaxation in prior experience and turnover criteria – are not applicable to this Tender, as the same are admissible only in cases of procurement of goods and certain services, and not for works contracts.*

*Accordingly, all bidders, including those registered as MSEs or recognized Startups, shall be required to comply fully with all eligibility criteria, qualification requirements, and tender conditions, including submission of EMD, payment of Tender Fee (if applicable), and meeting the prescribed experience and turnover criteria.*

*Bidders are advised to take due cognizance of the above provisions while preparing and submitting their bids. Any bid submitted without adherence to these requirements is liable to be rejected.*

57. **Preference to Make In India products (For bids < 200 Crore):** Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than INR 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated

### Additional Terms & Conditions (ATC)

04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate. In case Buyer has selected Purchase preference to Micro and Small Enterprises clause in the bid, the same will get precedence over this clause.

58. **Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference, the bidder must be the manufacturer of the offered product in case of bid for supply of goods. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the product offered or service. If L-1 is not an MSE and MSE Seller (s) has/have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total Quantity.

- (ii) However, the Bank’s liability under this bank guarantee shall be restricted to an amount not exceeding [figure of Guaranteed Amount to be inserted here].....only).
- (iii) The Owner will have the full liberty without reference to the Bank and without affecting the bank guarantee to postpone for any time or from time to time the exercise of any powers and rights conferred on the Owner under the Contract and to enforce or to forbear endorsing any powers or rights or by reasons of time being given to the Contractor which under law relating the Surety would but for the provisions have the effect of releasing the surety.

### Additional Terms & Conditions (ATC)

- (iv) The rights of the Owner to recover the Guaranteed Amount from the Bank in the manner aforesaid will not be affected or suspended by reasons of the fact that any dispute or disputes have been raised by the Contractor and / or that any dispute(s) are pending before any office, tribunal or court in respect of such Guaranteed Amount and/ or the Contract.
- (v) The guarantee herein contained shall not be affected by the liquidation or winding up, dissolution, change of constitution or insolvency of the Contractor but shall in all respects and for all purposes be binding and operative until payment of all money due to the Owner in respect of such liability or liabilities is affected.
- (vi) This bank guarantee shall be governed by and construed in accordance with the laws of the Republic of India and the parties to this bank guarantee hereby submit to the jurisdiction of the Courts of New Delhi for the purposes of settling any disputes or differences which may arise out of or in connection with this bank guarantee and for the purposes of enforcement under this bank guarantee.
- (vii) All capitalized words used but not defined herein shall have the meanings assigned to them under the Contract.

NOTWITHSTANDING anything stated above, the liability of the Bank under this bank guarantee is restricted to the Guaranteed Amount and this bank guarantee shall expire on the expiry of the Warranty Period under the Contract. Unless a Demand under this bank guarantee is filed against the Bank within six (6) months from the date of expiry of this bank guarantee all the rights of the Owner under this bank guarantee shall be forfeited and the Bank shall be relieved and discharged from all liabilities hereunder. However, if the Contractor's obligations against which this bank guarantee is given, are not completed or fully performed by the Contractor within the period prescribed under the Contract, the Bank hereby agrees to further extend the bank guarantee for further periods of six months each till the Contractor fulfills its obligations under the Contract.

We have the power to issue this bank guarantee in your favor under Memorandum and Article of Association and the Undersigned has full power to do so under the Power of Attorney dated [date of power of attorney to be inserted] .....granted to him by the Bank.
