1. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

2. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017 and its subsequent Orders/Notifications issued by concerned Ministry .Benefits of MSE will be allowed only if seller/service provider is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

3. **Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs having valid Udyam Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within $L-1+ 15\%$ (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

4. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and

for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

5. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 30% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

6. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:

- If number of technically qualified bidders are only 2 or 3.
- If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
- In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
- If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
- If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

2. Scope of Supply

Scope of supply (Bid price to include all cost components) : Only supply of Goods

3. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

अस्वीकरण/Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer ,is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid.All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM.If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid &

resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents (other than EMD and signed Integrity Pact - which can be submitted within 5 days of bid opening) in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by the applicable GeM GTC.
13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc.

and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

This Bid is governed by the General Terms and Conditions, conditions stipulated in Bid and Service Level Agreement specific to the Service, as the case may be, as provided in the Marketplace.

However, in case of Service, if any condition specified in General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement specific to said Service, then it will over-ride the conditions in the General Terms and Conditions.

[यह बिड सामान्य शर्तों के अंतर्गत भी शासित है /This Bid is also governed by the General Terms and Conditions](#)

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

3. Other Technical Conditions of Contract

3.1 Scope of Supply

- 3.1.1 The bidder shall supply the electrical items as specified in the Schedule of Requirements/BOQ and in accordance with the technical specifications mentioned therein.
- 3.1.2 The items shall be supplied for addressing routine operation, maintenance and utility complaint requirements at ICAT, Centre-1, Manesar (Haryana).
- 3.1.3 The quantities indicated in the BOQ are tentative and may increase or decrease depending upon the actual requirement of ICAT during the contract period.
- 3.1.4 ICAT reserves the right to delete, reduce, increase or add any item(s) during the currency of the contract without assigning any reason thereof.

3.2 Conformity to Specifications

- 3.2.1 All supplied materials shall be new, unused, of latest design, free from defects, and conform strictly to the technical specifications mentioned in the tender.
- 3.2.2 Wherever a specific make/model has been mentioned in the BOQ, it shall be considered as a preferred make for defining quality standards. Equivalent products of reputed manufacturers meeting or exceeding the specified technical parameters shall be acceptable subject to prior approval of ICAT.
- 3.2.3 The bidder shall furnish complete technical datasheets/catalogues of offered products whenever demanded by ICAT.
- 3.2.4 ICAT reserves the right to verify the specifications from manufacturer's catalogue, website, datasheets, test certificates or any other authentic technical document.

3.3 Approved Makes

- 3.3.1 The makes indicated in the BOQ shall be treated as preferred makes.
- 3.3.2 In case an equivalent make is offered, the bidder shall submit detailed technical specifications, catalogues and product datasheets (where applicable) for technical scrutiny.
- 3.3.3 Availability of equivalent make shall not automatically qualify acceptance. The decision of ICAT regarding technical equivalence shall be final and binding.

3.4 Manufacturing Standards

- 3.4.1 All materials shall conform to relevant BIS/IS/IEC standards, wherever applicable.
- 3.4.2 Electrical items shall comply with all applicable safety and performance standards prevailing in India.
- 3.4.3 Products requiring statutory approvals shall possess valid certifications from competent authorities.
- 3.4.4 The bidder shall submit test certificates and compliance certificates whenever required by ICAT.

3.5 Inspection and Acceptance

- 3.5.1 All materials shall be subject to inspection by the authorized representative(s) of ICAT at the time of

Additional Terms & Conditions (ATC)

delivery.

- 3.5.2 ICAT reserves the right to inspect, test and verify any material supplied under this contract.
- 3.5.3 Mere receipt of materials shall not constitute final acceptance.
- 3.5.4 Materials found damaged, defective, counterfeit, refurbished, sub-standard or not conforming to specifications shall be rejected.
- 3.5.5 Rejected materials shall be removed and replaced by the supplier at his own cost and risk within seven (7) days of notification.

3.6 Delivery Conditions

- 3.6.1 The material shall be delivered at “**International Centre For Automotive Technology, Plot No. 26, Sector - 3, Near HSIIDC Office, IMT Manesar, Gurugram - 122050, GST No. 06AABAN9435G2ZI**” or any other location within ICAT Manesar campus as directed by Engineer-in-Charge.
- 3.6.2 Delivery shall be made on a door-delivery basis including packing, forwarding, loading, transportation, unloading, insurance and all incidental charges.
- 3.6.3 Partial delivery may be accepted subject to prior approval of ICAT.
- 3.6.4 The supplier shall ensure adequate packaging to prevent damage during transit and storage.

3.7 Delivery Schedule

- 3.7.1 The successful bidder shall complete the supply of the ordered materials within **Ninety (90) Days** from the date of issuance of the GeM Contract.
- 3.7.2 Delivery may be made in one or more consignments during the contract period and partial deliveries shall be permitted and accepted by ICAT, based on operational requirements and item-wise availability.
- 3.7.3 The supplier shall ensure that all materials supplied under partial deliveries are in accordance with the specifications, approved makes/models (where applicable), and other terms and conditions of the contract.
- 3.7.4 Acceptance of any partial supply by ICAT shall not relieve the supplier from the obligation to complete supply of the remaining ordered quantity within the stipulated delivery period of 90 days.
- 3.7.5 The materials shall be delivered on a door-delivery basis at ICAT, Centre-1, Manesar (Haryana) or at any other designated location within the ICAT campus as instructed by the Engineer-in-Charge.
- 3.7.6 The supplier shall be responsible for packing, forwarding, transportation, unloading, insurance, and all incidental expenses up to the delivery destination.
- 3.7.7 In case the supplier fails to deliver any item(s) within the stipulated delivery period, **Liquidated Damages (LD) shall be applicable only on the value of the delayed and undelivered material(s) and not on the value of the material already delivered and accepted within the prescribed delivery schedule.** LD shall be levied as per the provisions of the GeM Contract and tender conditions.
- 3.7.8 ICAT reserves the right to accept or reject any partial delivery that does not conform to the contractual requirements or technical specifications.

3.8 Warranty

- 3.8.1 All items shall carry the manufacturer's standard warranty.
- 3.8.2 LED luminaires, flood lights, streetlights, panel lights and similar products shall carry minimum warranty as specified in the BOQ, i.e., 24 Months or manufacturer's standard warranty, whichever is higher.
- 3.8.3 During warranty period, defective materials shall be repaired/replaced free of cost by the supplier.
- 3.8.4 The warranty shall commence from the date of acceptance of material by ICAT.

3.9 Shelf-Life Requirement

- 3.9.1 Materials having shelf-life limitations such as insulation tapes, adhesives, electronic components, SMPS units or similar products shall be supplied with minimum 80% residual shelf life from the date of delivery.
- 3.9.2 Items with expired, damaged or unreadable manufacturing labels shall not be accepted.

- 3.10 **Packing and Marking:** All materials shall be properly packed to prevent damage during handling, storage, and transportation. Each package shall be clearly marked with the Purchase Order/GeM

Additional Terms & Conditions (ATC)

Contract Number, item description, quantity, manufacturer/brand name, and any other relevant identification details. Any material damaged due to inadequate packing shall be replaced by the supplier at no extra cost to ICAT. The quoted rates shall be deemed to include all packing, forwarding, loading, unloading, transportation, and related charges up to the delivery destination at ICAT, Centre-1, Manesar.

3.11 Replacement of Defective Materials

- 3.11.1 Any material found defective during inspection, testing, installation or operation within warranty period shall be replaced by the supplier at no extra cost.
- 3.11.2 The replacement shall be completed within seven (7) days from the date of intimation by ICAT.
- 3.11.3 Failure to replace defective material may lead to procurement from alternative sources at the risk and cost of the supplier.

3.12 Genuine Product Requirement

- 3.12.1 The supplier shall ensure that all materials supplied are genuine products sourced through authorized channels.
- 3.12.2 Counterfeit refurbished or duplicate products shall not be accepted.
- 3.12.3 ICAT may seek proof of procurement sources, manufacturer authorization, OEM certification or invoice trail whenever deemed necessary.

- 3.13 **Technical Documentation:** The supplier shall provide relevant technical documents such as product datasheets, catalogues, warranty certificates, test certificates, calibration certificates (where applicable), and any other supporting documents required by ICAT for verification of technical specifications and authenticity of the supplied materials. Failure to furnish the required documents, if requested by ICAT, may lead to rejection of the material.

3.14 Quantity Variation

- 3.14.1 ICAT reserves the right to increase or decrease quantities of any item up to $\pm 25\%$ during the contract period at the same rates, terms and conditions.
- 3.14.2 The supplier shall not be entitled to claim any compensation on account of such variation.

3.15 Rate Contract Validity

- 3.15.1 The rates quoted shall remain firm and fixed throughout the contract period and no escalation shall be permitted on any account.
- 3.15.2 ICAT may place supply orders in multiple lots during the contract period depending upon operational requirements.
- 3.15.3 The bidder shall maintain adequate inventory or procurement arrangements for uninterrupted supply during the entire contract period.

3.16 Safety and Environmental Compliance

- 3.16.1 All electrical materials supplied shall be safe for intended use and comply with applicable environmental and safety regulations.
- 3.16.2 Hazardous substances, if any, shall be within permissible limits as per applicable standards.
- 3.16.3 ICAT reserves the right to reject materials posing safety risks.

3.17 Right to Sample Verification

- 3.17.1 ICAT may call for physical samples of any item offered before award of contract or during execution of contract.
- 3.17.2 Samples shall be provided by the bidder at no extra cost.
- 3.17.3 The approved sample shall become the reference standard for quality assessment during supplies.

3.18 Final Decision

- 3.18.1 The decision of ICAT regarding technical suitability, acceptance, equivalence of makes/models, quality conformity and interpretation of technical specifications shall be final and binding on the bidder.
- 3.18.2 Any dispute relating to technical compliance shall be resolved based on technical evaluation carried out by ICAT and its authorized representatives.

Additional Terms & Conditions (ATC)

Evaluation Criteria and Preference Policy

1. The pass marks in “Technical Specification – Technical Capability” shall be **50** points out of **50** points.
2. The minimum pass marks Overall shall be 80 points (80%) out of 100 points.
3. **Preference to Local Suppliers under Public Procurement Policy**
 - ICAT reserves the right to extend **purchase preference to local suppliers** in accordance with the provisions of the **Public Procurement (Preference to Make in India), Order 2017**, issued by the **Department for Promotion of Industry and Internal Trade (DPIIT)**, Ministry of Commerce and Industry, Government of India, vide Order No. **P-45021/2/2017-PP (BE-II)** dated **04.06.2020**, and any subsequent amendments thereto.
 - For detailed guidelines, bidders may refer to the DPIIT policy document available at: <https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>
 - Bidders seeking such preference must submit the requisite **self-declaration and certification** documents as per the DPIIT guidelines along with their Technical Bid.
4. **Purchase Preference for MSEs and Startups:** In accordance with the provisions of the Public Procurement Policy for Micro and Small Enterprises (MSEs), 2012 and the relevant guidelines issued by the Ministry of Micro, Small and Medium Enterprises (MSME), as well as Startup India Policy.
 - **Preference as per Government Policy:** ICAT reserves the right to extend preference to Local Suppliers, Micro and Small Enterprises (MSE's), and Startups, in accordance with the applicable guidelines, circulars, and notifications issued by the Government of India, as amended from time to time. Such preference shall be accorded only upon submission of valid, relevant, and verifiable supporting documents along with the bid. Failure to provide the required documentation shall result in ineligibility for any preferential treatment.
 - **Applicability of MSE Public Procurement Policy:** In accordance with the Public Procurement Policy for Micro and Small Enterprises (MSE's) Order, 2012, as amended, the benefits under this policy shall apply exclusively to goods manufactured or services rendered by registered MSE's. Entities operating solely as traders, distributors, marketing agents, or engaged under works contracts are expressly excluded from the scope and benefits of this policy.
 - **Relaxation of Prior Turnover and Experience Requirements:** ICAT, at its sole discretion, may relax the requirements of prior turnover and prior experience for start-up enterprises recognized by the Department for Promotion of Industry and Internal Trade (DPIIT), provided that such entities fully comply with all quality standards, technical specifications, and performance criteria as specified in the tender documents. Such start-ups may be MSMEs or otherwise. Only registered Micro and Small Enterprises (MSEs) and DPIIT-recognized start-ups shall be considered for relaxation under this provision. Any such relaxation shall be strictly conditional upon the enterprise's demonstrated capability to meet all functional, operational, and contractual requirements of the tender. This relaxation shall be applied in accordance with the provisions of applicable government policies and shall not compromise adherence to the tender's prescribed technical, quality, or performance requirements. ICAT's decision in this regard shall be final and binding.
 - **Purchase Preference:** If an MSE or eligible Startup bidder quotes within L1 + 15% price range and agrees to match the L1 price, the order for up to 25% of the total tendered quantity may be awarded to such MSE/Startup, as per the policy provisions.

5. **Conditional or Deviated Bids:** Any bid containing deviations, conditions, or modifications to the tender terms and conditions shall be summarily rejected.
6. **Incomplete Bid Submission:** It is a mandatory requirement that bidders submit comprehensive proposals covering all items listed in the tender. Any incomplete bid, including failure to quote for any item or component, shall be treated as non-compliant. Such bids shall be rejected without further correspondence, and the bidder shall be disqualified from the evaluation process.
7. **Segregated Bidding Process:** Bids shall be submitted through the GeM Portal under a Two-Bid System, consisting of a Technical Bid and a Financial Bid. The Technical Bid shall contain only technical and qualification-related documents and shall not include any price, rate, commercial quotation, or financial information in any form. Inclusion of any price-related information in the Technical Bid shall be treated as a material deviation, and such bid may be rejected without further evaluation. The decision of ICAT in this regard shall be final and binding on the bidder.
8. **Non-Compliance with Pre-Qualification/Minimum Eligibility Criteria:** Failure to satisfy any single condition under the “**Pre-qualification/ Minimum Eligibility Criteria**” section shall result in the immediate disqualification of the bid from the tender process.
9. **IP Address Duplication on GeM Portal:** The Government e-Marketplace (GeM) portal tracks and displays the IP addresses used by Buyers and Bidders/Sellers. Bids submitted from identical or shared IP addresses across different bidders/sellers shall be considered suspicious and will be automatically disqualified from further evaluation (need more verification).
10. **Bid Rigging and Conflict of Interest:** The Purchaser reserves the right to **reject any bid or disqualify any bidder** from the tendering process at any stage if, in the opinion of the Purchaser, there is sufficient evidence to conclude that:
 - **Bid Rigging:** The Bidder has engaged in any form of collusive bidding, bid rigging, cartel formation, or anti-competitive practices, whether directly or indirectly, with other bidders in order to influence the outcome of the bidding process. Such practices shall include but are not limited to: Sharing of bid prices or commercial terms prior to bid submission or Agreement among bidders not to compete or to submit complementary bids or Coordinated bid withdrawals or bid rotation schemes.
 - **Conflict of Interest:** A Conflict of Interest exists or is reasonably deemed to exist if
 - The Bidder or any of its associated entities, subsidiaries, or affiliates has a direct or indirect relationship with another bidder participating in the same tender, which could compromise the integrity or fairness of the procurement process.
 - The Bidder has a relationship with any official, employee, or representative of the Purchaser who is directly or indirectly involved in the tender evaluation or award process.

Additional Terms & Conditions (ATC)

- *The Bidder uses resources, infrastructure, or personnel that are also engaged in preparing or influencing another competing bid in this tender.*

11. Declaration of Code of Integrity: All Bidders shall submit a duly signed Declaration regarding compliance with the provisions of the Code of Integrity, as prescribed under Rule 175 of the General Financial Rules (GFR), 2017, in the format specified in the Tender Document. Failure to submit the prescribed declaration shall render the bid liable for rejection. Any false declaration, misrepresentation, or suppression of facts shall constitute a breach of the Code of Integrity and may result in rejection of the bid, termination of the contract, debarment from future procurements, and such other action as may be permissible under the applicable Government procurement rules and tender conditions.

12. Purchaser's Rights: The Purchaser shall have the sole discretion to determine whether a bid is non-compliant due to the reasons outlined above. In such cases, the Purchaser shall be under no obligation to inform the bidder of the grounds for disqualification or provide any further clarification. The decision of the Purchaser shall be final, binding, and non-contestable.

Supply of Electrical Items For FY 2026-27

Additional Terms & Conditions (ATC)

Chapter - 4

General Terms & Conditions

- 1. Clarification on Bid Documents:** Prospective Bidders requiring any clarification regarding the Tender Document, Technical Specifications, Scope of Supply, or Terms & Conditions may submit their queries in writing through the GeM portal within the period specified in the tender schedule. All requests for clarification shall clearly indicate the relevant clause(s) of the tender document. Clarifications sought after the stipulated deadline shall not be entertained.

Any clarification, amendment, corrigendum, or addendum issued by ICAT shall form an integral part of the Tender Document and shall be uploaded only on the GeM portal. No verbal clarification, correspondence, or communication by any official of ICAT shall be considered binding. Bidders shall be deemed to have examined and taken into account all clarifications, amendments, and corrigenda issued prior to submission of bids, and no claim on account of failure to do so shall be entertained at any stage of the tendering process or subsequent contract execution.

- 2. Deviations and Conditional Bids:** Bids submitted with any condition, deviation, qualification, assumption, reservation, or stipulation contrary to the provisions of the Tender Document, ATC Document, Scope of Supply, or GeM Contract Terms & Conditions shall be treated as conditional bids and liable to be rejected without any further reference to the Bidder.

The Bidder shall submit its offer strictly in accordance with the requirements specified in the tender documents. Any deviation relating to technical specifications, delivery period, warranty conditions, payment terms, contractual obligations, or any other material condition shall not be accepted unless specifically permitted in the tender.

Submission of a bid shall be deemed as the Bidder's unconditional acceptance of all terms, conditions, specifications, and provisions contained in the tender documents. The decision of ICAT regarding determination of a conditional or non-responsive bid shall be final and binding on the Bidder.

- 3. Delivery Period:** The successful bidder shall complete the supply of all ordered materials within 90 (Ninety) Days from the date of issuance of the GeM Contract/Purchase Order. Partial deliveries shall be permitted and accepted by ICAT based on operational requirements. The supplier shall ensure timely and orderly delivery of materials at the designated delivery location(s) within ICAT, Centre-1, Manesar (Haryana). Acceptance of any partial supply shall not relieve the supplier from the obligation to complete the balance quantity within the stipulated delivery period. In the event of delay, Liquidated Damages (LD) shall be applicable only on the value of the delayed/undelivered material(s), as per the provisions of the GeM Contract and tender conditions.

- 4. Liquidated Damages (LD):** In case of delay in delivery beyond the stipulated delivery period, Liquidated Damages shall be levied at the rate of 0.5% per week or part thereof on the value of the delayed quantity, subject to a maximum of 10% of the value of the delayed quantity, as per the terms and conditions of the tender and GeM Contract.

- 5. Payment Terms:** Payment shall be made against the actual quantity of material supplied and accepted by ICAT. 90% payment of the accepted material value shall be released within 15 (Fifteen) days of receipt of defect-free material at ICAT site and final acceptance by ICAT, subject to submission of complete and correct documents.

The balance 10% of the value of each partial delivery shall be retained as **Retention Money** and shall be released, without interest, after successful completion of the contract (delivery of all items) and satisfactory fulfilment of all contractual obligations. ICAT shall have the right to recover any **Liquidated Damages (LD)** or other dues payable under the contract from the Retention Money before its release. **No advance payment shall be admissible under the contract.**

- 6. Warranty Conditions:** All materials supplied under the contract shall be new, unused, genuine, and free from manufacturing defects. The supplied items shall be covered under the Manufacturer's Standard Warranty, wherever applicable. For items specifically carrying a warranty requirement in the BOQ, such

Additional Terms & Conditions (ATC)

as LED lighting fixtures and other electrical equipment, the warranty period shall be as specified in the respective technical specifications or the manufacturer's standard warranty, whichever is higher.

During the warranty period, any item found defective due to manufacturing defects, inferior workmanship, or material failure under normal operating conditions shall be repaired or replaced by the supplier, free of cost, without any financial implication to ICAT. The warranty period shall commence from the date of acceptance of the material by ICAT. The supplier shall facilitate prompt warranty support and replacement of defective items to minimize operational disruption.

7. Delivery, Packing, Transportation and Insurance

- 7.1 The Supplier shall be solely responsible for the safe, secure, complete, and timely delivery of all goods, equipment, accessories, materials, and associated documents to the delivery location specified in the Tender Document, Purchase Order, Work Order, Letter of Award, or Contract.
- 7.2 The goods shall be suitably and securely packed, marked, handled, loaded, transported, unloaded, and protected against loss, damage, corrosion, pilferage, contamination, deterioration, or any other transit-related risk. The packing shall be appropriate to the nature of the goods, mode of transportation, and prevailing climatic and storage conditions.
- 7.3 Unless otherwise specified in the Contract, all costs relating to packing, forwarding, loading, transportation, transit insurance, unloading, and delivery at the designated site shall be borne by the Supplier and shall be deemed to be included in the Contract Price.
- 7.4 The Supplier shall, at its own cost, arrange adequate transit insurance covering the full replacement value of the goods against loss or damage from the point of dispatch until delivery, unloading, inspection, and acceptance at the designated site.
- 7.5 Any shortage, loss, damage, or deterioration noticed before acceptance shall be notified to the Supplier. The Supplier shall, at its own risk and cost, repair or replace the affected goods within the period stipulated by ICAT, without prejudice to the original delivery schedule and ICAT's other contractual rights.
- 7.6 The risk in the goods shall remain with the Supplier until the goods have been delivered, unloaded, inspected, and accepted by ICAT. Mere receipt, acknowledgment of delivery, or issuance of a goods receipt note shall not constitute final acceptance.

8. Assignment and Subcontracting

- 8.1 The Successful Bidder shall not assign, transfer, delegate, sublet, or otherwise dispose of the Contract, in whole or in part, or any right, interest, benefit, or obligation arising therefrom, without the prior written approval of ICAT.
- 8.2 The Successful Bidder shall disclose in its bid all material activities proposed to be subcontracted. Any subcontract proposed after award of the Contract shall require the prior written approval of ICAT.
- 8.3 Subcontracting may be permitted only for bought-out items or incidental activities directly connected with execution of the Contract, unless otherwise specified. Approval of any subcontractor shall not create any contractual relationship between ICAT and the subcontractor.
- 8.4 The Successful Bidder shall remain fully and exclusively responsible for the acts, omissions, defaults, quality, performance, and compliance of its subcontractors as if such acts or omissions were those of the Successful Bidder itself. No subcontracting arrangement shall relieve the Successful Bidder of any contractual obligation or liability.
- 8.5 Unauthorized assignment, transfer, or subcontracting shall constitute a material breach of the Contract and may result in termination, invocation of Performance Security, risk-and-cost action, recovery of losses, or such other remedies as may be available under the Contract and applicable law.

9. Rights of ICAT

- 9.1 **Right to Inspect and Verify:** ICAT or its authorized representative shall have the right to inspect, examine, test, and verify the goods, equipment, materials, documents, and services at any reasonable stage of manufacture, supply, delivery, installation, testing, commissioning, warranty, or contract execution, as applicable, to ascertain conformity with the Tender Document and Contract.

Additional Terms & Conditions (ATC)

- 9.2 **Right to Reject:** ICAT may reject any goods, equipment, materials, documents, or services found to be defective, damaged, counterfeit, non-genuine, substandard, incomplete, or non-conforming to the applicable specifications, standards, approved make/model, scope, quality requirements, or contractual conditions. The Supplier shall repair, rectify, or replace the rejected item within the stipulated period at no additional cost to ICAT.
- 9.3 **Right to Seek Clarification and Corrective Action:** ICAT may seek clarifications, supporting information, certificates, test reports, or documentary evidence, and may require corrective action necessary to establish compliance with the Tender Document and Contract. Such clarification or corrective action shall not be used to permit any material alteration of the accepted scope, price, or essential conditions of the Contract, except through a duly authorized amendment.
- 9.4 **Right to Audit and Access Records:** ICAT or any authority lawfully empowered to do so may examine relevant records, quality documents, test reports, certificates, invoices, and other documents relating to execution of the Contract. The Supplier shall retain such records for the period prescribed under the Contract or applicable law and shall provide reasonable access when required.
- 9.5 **Right to Enforce Contractual Remedies:** In the event of delay, default, breach, or non-performance, ICAT may exercise such remedies as are available under the Contract, including rejection, repair or replacement, withholding of amounts legitimately due, recovery of Liquidated Damages, invocation of Performance Security, risk-and-cost procurement, or termination.
- 9.6 **Right of Final Acceptance:** Final acceptance shall be subject to satisfactory inspection, testing, verification, completion of contractual deliverables, and fulfilment of all applicable contractual requirements to the satisfaction of ICAT's authorized representative. Mere delivery or provisional use shall not constitute final acceptance.
- 9.7 **Right to Amend, Withdraw, or Cancel the Tender:** At any time before award of the Contract, ICAT may amend, withdraw, annul, or cancel the tender process, in whole or in part, in accordance with applicable procurement rules and recorded administrative requirements. Such action shall not create any entitlement to compensation, except where expressly provided under applicable law or the Tender Document.
- 10. Delivery/Billing Address:** International Centre For Automotive Technology (Centre – 1), Plot No. 26, Sector – 3, IMT Manesar, Gurugram – 122050 (GST No. 06AABAN9435G2ZI).
- 11. Bid Validity**
- 11.1 The bid shall remain valid for the period specified in the Tender Document i.e., 180 days, calculated from the date of opening of the Technical Bid or such other date as may be specified therein.
- 11.2 A bid having a validity shorter than the prescribed period shall be liable to rejection as non-responsive.
- 11.3 Before expiry of the original bid validity, ICAT may request the Bidders, in writing, to extend the validity of their bids for a specified period. A Bidder agreeing to the extension shall not be permitted to modify the substance or price of its bid, except as may be specifically permitted under applicable procurement provisions.
- 12. Prices**
- 12.1 Prices shall be quoted in Indian Rupees, in the manner prescribed in the Tender Document and on the designated procurement portal.
- 12.2 Unless otherwise specified, the quoted prices shall be firm and fixed for the entire Contract period and shall include all costs necessary for complete and satisfactory performance of the Contract, including packing, forwarding, freight, insurance, loading, unloading, duties, levies, and incidental charges. Applicable GST shall be indicated separately wherever required.
- 12.3 If there is a discrepancy between the unit price and the total price obtained by multiplying the unit price by the quantity, the unit price shall ordinarily prevail and the total price shall be corrected, subject to the provisions of the Tender Document and procurement portal.
- 12.4 In case of discrepancy between an amount stated in figures and words, the treatment prescribed in the Tender Document or applicable procurement rules shall apply.

Additional Terms & Conditions (ATC)

12.5 No claim for price escalation shall be entertained unless a price-variation provision is expressly included in the Contract.

13. Price Variation / Escalation: The Contract Price shall be firm and fixed and shall not be subject to any escalation, adjustment, or revision during the validity of the Contract for any reason whatsoever. No claim towards escalation in the cost of materials, labour, transportation, freight, insurance, taxes and duties (except statutory variations, if specifically applicable), exchange rate variation, or any other factor affecting the cost of execution shall be entertained by ICAT.

14. Defective Supply and Unsatisfactory Performance

14.1 If any goods, equipment, material, deliverable, or service is found to be defective, damaged, deficient, substandard, incomplete, non-genuine, or non-conforming to the Tender Document or Contract during inspection, testing, installation, commissioning, warranty, or operational use, ICAT may reject the same and require repair, replacement, re-performance, or rectification within the stipulated period.

14.2 All costs and risks associated with removal, transportation, repair, replacement, re-installation, testing, and re-performance shall be borne by the Supplier where the defect or non-conformity is attributable to the Supplier, OEM, manufacturer, its personnel, or subcontractors.

14.3 If the Supplier fails to rectify or replace the defective or non-conforming item within the stipulated period, ICAT may arrange rectification or replacement from another source at the risk and cost of the Supplier, without prejudice to recovery of Liquidated Damages or any other remedy under the Contract.

14.4 ICAT's determination regarding technical conformity and acceptance shall be based on the specifications, inspection results, test reports, contractual requirements, and other relevant records. Such determination shall be without prejudice to the dispute-resolution rights available to the parties under the Contract and applicable law.

15. Acceptance of Tender Conditions: The Bidder shall submit a duly signed and stamped copy of the complete ATC/Tender Document, including all amendments and corrigenda, as a token of unconditional acceptance of the tender terms and conditions, wherever such submission is prescribed. Failure to submit the requisite accepted documents may render the bid liable to rejection, subject to the provisions governing clarification of bids and minor deficiencies.

16. Termination of Contract

16.1 **Termination for Default:** ICAT may terminate the Contract, in whole or in part, by written notice if the Supplier

- a) fails to deliver or perform within the stipulated or extended period;
- b) supplies goods or services not conforming to the Contract;
- c) fails to remedy a notified breach within the period specified by ICAT;
- d) assigns or subcontracts the Contract without requisite approval;
- e) submits false, forged, or misleading documents or declarations;
- f) engages in corrupt, fraudulent, collusive, coercive, or obstructive practices;
- g) becomes insolvent, bankrupt, or subject to winding-up proceedings, except for bona fide restructuring not affecting contract performance; or
- h) commits any other material breach of the Contract.

16.2 **Cure Notice:** Except where immediate termination is warranted by fraud, corruption, insolvency, threat to safety, or any other serious breach, ICAT may issue a written notice requiring the Supplier to remedy the default within the period specified in the notice. Failure to remedy the default may result in termination without any further cure opportunity.

16.3 **Consequences of Termination: Upon termination, ICAT may**

- a) discontinue the unexecuted portion of the Contract;
- b) procure the undelivered goods or incomplete services from an alternative source at the risk and cost of the Supplier;

Additional Terms & Conditions (ATC)

- c) recover Liquidated Damages, additional procurement cost, and other losses admissible under the Contract;
- d) invoke or appropriate the Performance Security, where applicable; and
- e) take any other action permissible under the Contract, procurement rules, or applicable law.

Payments for goods or services already accepted by ICAT shall be settled after adjustment of lawful recoveries. Legitimate dues shall not be arbitrarily forfeited.

16.4 Termination for Convenience or Public Interest: Where permitted under the Tender Document and applicable procurement provisions, ICAT may terminate the Contract, in whole or in part, for administrative convenience or public interest by giving written notice. In such event, the Supplier shall be entitled only to payment for accepted goods or services and demonstrably committed obligations specifically admitted by ICAT, subject to the Contract. No anticipated profit on the unexecuted portion shall be payable.

16.5 Survival: Termination shall not affect rights, obligations, claims, liabilities, confidentiality requirements, warranties, indemnities, dispute-resolution provisions, or recoveries accrued up to the effective date of termination.

17. Confidentiality

17.1 Each party shall maintain the confidentiality of all documents, drawings, technical information, data, records, specifications, and other information identified as confidential and received from the other party in connection with the tender or Contract.

17.2 Confidential information shall not be disclosed to any third party without prior written consent of the disclosing party, except

- a) professional advisers, auditors, or approved subcontractors having a need to know and who are bound by corresponding confidentiality obligations;
- b) where disclosure is required by law, judicial order, statutory authority, audit, vigilance, or governmental requirement; or
- c) where the information is already lawfully in the public domain otherwise than through breach of this clause.

17.3 The confidentiality obligations shall survive completion, expiry, or termination of the Contract for the period specified therein or, where no period is specified, for so long as the information retains its confidential character.

18. Dispute Resolution, Mediation and Arbitration

18.1 The parties shall first endeavour to resolve amicably, through good-faith consultation and negotiation, any dispute or difference arising out of or in connection with the Contract.

18.2 A party raising a dispute shall give written notice setting out the nature of the dispute, relevant contractual provisions, supporting facts, and relief sought. Authorized representatives of both parties shall attempt resolution within 30 days from receipt of such notice, unless a different period is mutually agreed.

18.3 If the dispute remains unresolved, the parties may explore mediation or such other amicable mechanism as may be permissible under the Contract, applicable law, and extant Government of India guidelines.

18.4 Arbitration, wherever contractually permissible, shall be governed by the Arbitration and Conciliation Act, 1996, as amended from time to time, and the applicable Government of India instructions governing domestic public procurement contracts.

18.5 In accordance with Department of Expenditure OM No. F.1/2/2024-PPD dated 03.06.2024, arbitration may be provided for disputes having a value below ₹10 crore, unless otherwise approved by the competent authority in accordance with the said guidelines. The threshold shall relate to the value of the dispute and not the total Contract Value.

18.6 The arbitrator shall be appointed by mutual consent or through an appointment mechanism compliant with the Arbitration and Conciliation Act, 1996. Nothing in this clause shall confer unilateral and legally impermissible authority on either party to appoint the sole arbitrator.

Additional Terms & Conditions (ATC)

- 18.7 The seat and venue of arbitration shall be Gurugram, Haryana, and the proceedings shall be conducted in the English language, unless otherwise mutually agreed.
- 18.8 The parties shall continue to perform their undisputed contractual obligations during pendency of the dispute, to the extent reasonably practicable.
- 18.9 Subject to the applicable arbitration and mediation provisions, the courts at Gurugram, Haryana shall have exclusive territorial jurisdiction.

19. Disclaimer and Right to Reject Tender

- 19.1 The Tender Document constitutes an invitation to submit bids and shall not, by itself, create any contractual obligation on ICAT.
- 19.2 ICAT reserves the right to accept or reject any bid, annul or cancel the tender process, or reject all bids at any time before award of the Contract, in accordance with applicable procurement rules, without thereby incurring liability to the affected Bidder, except any obligation expressly arising under applicable law.
- 19.3 ICAT shall not be bound to accept the lowest-priced bid merely on account of its price. Award shall be subject to responsiveness, eligibility, qualification, technical acceptability, evaluated cost, reasonableness of price, and other criteria specified in the Tender Document.
- 19.4 Where considered appropriate, the reasons for cancellation, rejection, or annulment shall be recorded in the procurement file in accordance with applicable procedures.

20. Qualification Criteria: Only those bids that are found substantially responsive and whose Bidders meet the prescribed eligibility, technical, financial, experience, authorization, statutory, and other qualification criteria specified in the Tender Document shall be considered for further evaluation. Qualification shall be determined solely on the basis of the criteria and documentary evidence prescribed in the Tender Document.

21. System of Award of Contract: The Contract shall be awarded to the Bidder that

- a. is eligible and qualified in accordance with the Tender Document;
- b. has submitted a substantially responsive bid;
- c. meets the prescribed technical and commercial requirements;
- d. is determined as the Lowest Evaluated Responsive Bidder, L1, in accordance with the stated evaluation methodology; and
- e. is otherwise found suitable for award in accordance with applicable procurement rules and the Tender Document.

The lowest quoted price alone shall not create an enforceable right to award of the Contract.

22. Governing Law: The tender process and the resulting Contract shall be governed by and construed in accordance with the laws of the Republic of India. The Bidder/Supplier shall comply with all applicable Central, State, and local laws, rules, regulations, statutory requirements, Government orders, and lawful directions relevant to performance of the Contract.

23. Force Majeure: For the purpose of this Contract, “Force Majeure” shall mean any event or circumstance beyond the reasonable control of either party (the Successful Bidder or ICAT), which could not reasonably have been foreseen, prevented, or overcome by the exercise of due diligence, and which materially affects the performance of contractual obligations.

Events qualifying as Force Majeure may include, but shall not be limited to:

- Natural calamities such as floods, droughts, earthquakes, cyclones, storms, lightning, or other acts of God.
- Epidemics, pandemics, or public health emergencies resulting in restrictions imposed by competent Government authorities.
- War (declared or undeclared), invasion, armed conflict, terrorism, riots, civil commotion, or sabotage.
- Acts, orders, or restrictions imposed by Government authorities, including embargoes, quarantine restrictions, or prohibitions affecting performance of the Contract.

Additional Terms & Conditions (ATC)

- Disruption of transportation systems, freight embargoes, or any other circumstance beyond the reasonable control of the affected party having a direct impact on the performance of contractual obligations.

Obligations During Force Majeure: The affected party shall notify the other party in writing within **ten (10) days** of occurrence of the Force Majeure event, providing reasonable details and supporting evidence regarding the nature of the event and its likely impact on contract performance. Neither party shall be liable for delay or failure in performance of obligations directly attributable to a Force Majeure event, provided that:

- The affected obligations are directly impacted by such event;
- The affected party takes all reasonable steps to mitigate the consequences of the Force Majeure event; and
- Performance of the affected obligations is resumed as soon as reasonably practicable after cessation of the Force Majeure event.

If the Force Majeure event continues for a period exceeding **sixty (60) days**, either party may terminate the Contract by giving **fifteen (15) days' written notice** to the other party. In such event, neither party shall be liable for any consequential damages arising solely due to such termination, subject to settlement of payments and obligations accrued prior to the date of termination.

Determination of a Force Majeure claim shall be made based on the provisions of the Contract, supporting evidence submitted by the affected party, and applicable Government guidelines, and shall not be unreasonably withheld or denied by either party.

24. Fraud, Corruption and Prohibited Practices

- 24.1 Bidders, Suppliers, Contractors, their personnel, agents, and subcontractors shall observe the highest standards of integrity, transparency, and ethics during the bidding process and execution of the Contract.
- 24.2 For this purpose
- a. **Corrupt Practice** means offering, giving, receiving, or soliciting, directly or indirectly, anything of value to improperly influence an action connected with the procurement process or Contract.
 - b. **Fraudulent Practice** means any act, omission, misrepresentation, or concealment of material fact intended to improperly influence the procurement process or execution of the Contract.
 - c. **Collusive Practice** means an arrangement between two or more parties designed to achieve an improper purpose, including artificially influencing competition or bid prices.
 - d. **Coercive Practice** means impairing, harming, threatening, or intimidating any person or property to improperly influence participation in the procurement process or performance of the Contract.
 - e. **Obstructive Practice** means deliberately destroying, falsifying, altering, concealing, or withholding material evidence, or impeding an authorized investigation, audit, or examination.
- 24.3 Where a Bidder or Supplier is found, after following applicable procedure, to have engaged in any prohibited practice, ICAT may reject the bid, terminate the Contract, recover losses, invoke securities, refer the matter to the appropriate authority, or initiate debarment or other action in accordance with applicable rules.
- 24.4 Bidders may note that GeM/CPMP captures and displays the IP addresses used during the bidding process. Any bid found to have been submitted from an IP address identical to or shared with another Bidder/Seller shall be treated as suspicious and liable for rejection, without prejudice to ICAT's right to initiate further action under the applicable GeM provisions, tender conditions, and Government procurement rules.

25. Collusive Bidding, Bid Rigging and Cartelization

- 25.1 Each Bidder shall prepare and submit its bid independently and shall not enter into any agreement, understanding, communication, or arrangement with another Bidder for fixing prices, restricting competition, allocating markets, submitting cover bids, withdrawing bids, or otherwise manipulating the procurement process.

Additional Terms & Conditions (ATC)

- 25.2 If ICAT finds credible evidence of collusive bidding, bid rigging, or cartelization, it may reject the concerned bid or bids and take further action in accordance with the Tender Document, Competition Act, 2002, applicable procurement rules, and principles of natural justice.
- 25.3 The matter may also be reported to GeM, the Competition Commission of India, vigilance authorities, or any other competent authority, wherever warranted.

26. Integrity and Ethical Conduct

- 26.1 The Bidder/Supplier shall maintain the highest standards of integrity, fairness, transparency, and professional conduct throughout the tender process and Contract.
- 26.2 The Bidder/Supplier shall not offer, promise, give, solicit, or accept any bribe, gift, commission, facilitation payment, reward, consideration, or undue advantage intended to influence the tender process or Contract execution.
- 26.3 The Bidder shall disclose any actual or potential conflict of interest and shall immediately notify ICAT if any such conflict arises during the tender process or Contract period.
- 26.4 The Bidder/Supplier shall comply with the General Financial Rules, applicable procurement manuals, Code of Integrity, anti-corruption laws, and instructions issued by competent Government authorities.
- 26.5 Any breach may result in rejection of the bid, cancellation of award, termination of Contract, recovery of losses, debarment, or other action in accordance with applicable rules and after following the prescribed procedure.
- 26.6 Use the expression "Integrity Pact" only where a formal Integrity Pact and Independent External Monitor mechanism has specifically been made applicable to the procurement. Otherwise, the heading "Integrity and Ethical Conduct" is preferable.

27. Exemption for Micro and Small Enterprises (MSEs) and Startups: ICAT reserves the right to grant exemption or relaxation from the requirements relating to prior turnover and prior experience to eligible Micro and Small Enterprises (MSEs) and DPIIT-recognized Startups, in accordance with the applicable Government of India policies and instructions issued from time to time, subject to fulfilment of the prescribed quality, technical, functional, safety, and performance requirements specified in the Tender Document. The decision of the Procuring Entity regarding admissibility of such exemption shall be final and binding.

- 27.1 A Bidder claiming exemption shall upload valid and current documentary evidence establishing its eligibility for such exemption. Exemption shall not be granted solely on the basis of a declaration.
- 27.2 Where exemption is subject to the Bidder being the manufacturer, OEM, or actual service provider, the Bidder shall furnish documentary evidence establishing such status.
- 27.3 Exemption from prior turnover or prior experience criteria shall not exempt the Bidder from compliance with technical specifications, statutory registrations, licenses, OEM authorization requirements, quality standards, safety requirements, performance obligations, or any other essential eligibility criteria specified in the Tender Document, unless expressly permitted.
- 27.4 Eligibility for exemptions and benefits shall be determined in accordance with the applicable Government policy in force on the date of bid submission and the provisions of the Tender Document.

28. Public Procurement (Preference to Make in India) Order

- 28.1 Eligibility for participation and entitlement to purchase preference under the Public Procurement (Preference to Make in India) Order, 2017, as amended from time to time, shall be governed by the provisions of the said Order, notifications issued by the concerned Nodal Ministry/Department, and the conditions specified in the Tender Document.
- 28.2 Bidders claiming benefits under the Make in India Policy shall comply with the applicable local content requirements and shall qualify under the category of Local Supplier as defined in the applicable Order and subsequent amendments thereto.
- 28.3 A Bidder claiming Local Supplier status and/or purchase preference shall submit the prescribed declaration/certificate indicating:
- a. Percentage of local content in the offered product/service;**

Additional Terms & Conditions (ATC)

- b. Details of the location(s) where local value addition is undertaken; and**
- c. Such other information, declarations, undertakings, or certifications as may be required under the applicable Make in India Order and Government instructions issued from time to time.**

- 28.4 Wherever certification by a Statutory Auditor, Cost Auditor, Practising Cost Accountant, or Practising Chartered Accountant is prescribed under the applicable Make in India Order, the Bidder shall submit such certification along with its bid.
- 28.5 Failure to furnish the prescribed declarations, certificates, or supporting documents shall render the Bidder ineligible for the benefits of purchase preference under the Make in India Policy, and the bid shall be evaluated in accordance with the applicable provisions of the Tender Document and Government orders.
- 28.6 The applicability of Local Supplier eligibility, purchase preference, restrictions on participation of Non-Local Suppliers, and classification of suppliers shall be governed strictly by the prevailing Public Procurement (Preference to Make in India) Order, 2017 and subsequent amendments/notifications issued by the Government of India. The provisions applicable to the subject procurement, including minimum local content requirements and eligibility criteria, shall be as specified in the Tender Document.

29. Purchase Preference to Micro and Small Enterprises

- 29.1 Purchase preference to eligible Micro and Small Enterprises shall be governed by the Public Procurement Policy for Micro and Small Enterprises Order, 2012, as amended from time to time, and the applicable GeM provisions.
- 29.2 A Bidder claiming MSE purchase preference shall possess valid Udyam Registration and shall submit or maintain such registration and supporting credentials in the manner prescribed in the Tender Document and on GeM.
- 29.3 For procurement of goods, purchase preference shall ordinarily be available only where the eligible MSE is the manufacturer of the offered goods. Traders, dealers, agents, and resellers shall not be entitled to MSE purchase preference merely by virtue of their own MSE registration, unless specifically permitted under the applicable policy.
- 29.4 For procurement of services, the eligible MSE shall be the actual service provider of the offered service.
- 29.5 Where the lowest evaluated responsive Bidder is not an eligible MSE and an eligible MSE has quoted within the applicable purchase-preference price band, opportunity to match the L1 price and allocation of quantity shall be governed by the extant MSE policy, GeM functionality, divisibility of requirement, and terms of the Tender Document.
- 29.6 Eligibility for MSE benefits shall be determined on the basis of valid documentary evidence and applicable policy provisions. Registration as an MSE shall not exempt the Bidder from meeting the prescribed technical, quality, statutory, safety, and performance requirements.

- 30. Order of Precedence and Applicability of GeM Conditions:** In the event of any inconsistency among the contractual documents, the order of precedence specified in the GeM Contract or Tender Document shall apply. Matters not specifically covered in the ATC shall be governed by the applicable GeM General Terms and Conditions, Special Terms and Conditions, Service Level Agreement, bid conditions, and extant Government procurement rules. No ATC provision shall be interpreted to override any mandatory statutory provision or binding Government instruction.

**Additional Terms & Conditions (ATC)

Subject: Undertaking for non-subcontracting in respect of tender for "Supply of General Electrical Items to Address & Resolve Day-to-Day Daily Utility Complaints for FY 2026-27 at ICAT, Centre-1, Manesar (Haryana) under Tender No. ICAT/GeM/PE-C1/ELECT-SPRS/2026-27/232".

Dear Sri/Madam,

I/We, M/s _____, having our registered office at _____, do hereby solemnly affirm, declare and undertake that, in the event of award of GeM Contract/Purchase Order against the above-mentioned tender, I/we shall execute and perform the complete scope of supply and all contractual obligations under the said contract by ourselves and shall not subcontract, assign, transfer, outsource, delegate or entrust, in whole or in part, any portion of the work/supply covered under the contract to any third party, agency, firm, contractor, supplier or person without the prior written approval of ICAT.

I/We further undertake that all items/materials shall be supplied strictly in accordance with the technical specifications, approved makes/equivalent makes, quantities, delivery schedule, warranty obligations, quality requirements and all other terms and conditions stipulated in the tender document, GeM Contract/Purchase Order and instructions issued by ICAT from time to time.

I/We acknowledge and agree that the responsibility for timely supply, genuineness of materials, conformity to specifications, product quality, warranty support, replacement of defective/damaged/non-conforming materials, submission of required documents and compliance with all applicable statutory and contractual requirements shall remain solely and exclusively with us, notwithstanding any procurement, sourcing or supply chain arrangement made by us at our own level.

I/We understand that any unauthorized subcontracting, assignment, transfer, outsourcing or delegation of the contractual work/supply, whether in whole or in part, without the prior written approval of ICAT, shall be treated as a material breach of the tender/contract conditions and may result in rejection of bid/supply, cancellation/termination of contract, forfeiture of security deposit/performance security, recovery at risk and cost, debarment/blacklisting and/or any other action as deemed fit by ICAT in accordance with the tender conditions, GeM terms and applicable rules.

This undertaking shall form an integral part of our Technical Bid and shall remain valid, binding and enforceable during the bid validity period, contract period and warranty/obligation period, as applicable. We confirm that the above declaration is true and correct to the best of our knowledge and belief and that nothing material has been concealed therein.
